Kindergarten Applications Are Asked

Transylvania County Schools are now accepting applications from kindergarten students for the 1975-76 school year according to an announcement from Harry C. Corbin, county school superintendent.

"We are hopeful that the State Legislature will approve funding for new sections to be added to the six (6) public kindergarten classes already in the county", Mr Corbin said.

Parents whose children will be five years of age on or before Oct. 15, should contact the principal of the school serving their area immediately.

The principal will have eligible children's names placed on a list for kindergarten selection later this spring.

In the past students have been selected on a lottery basis because there have been more applicants than places available. This method of selection will continue to be used until there are enough kindergarten classes to serve all eligible five year olds.

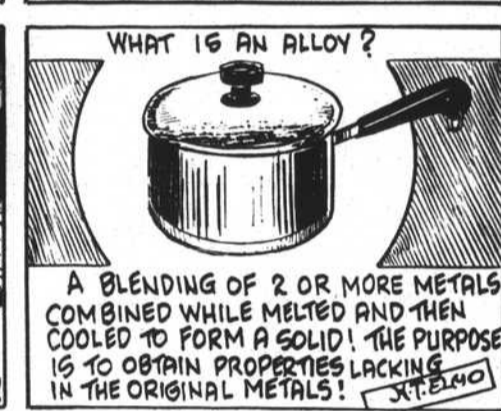

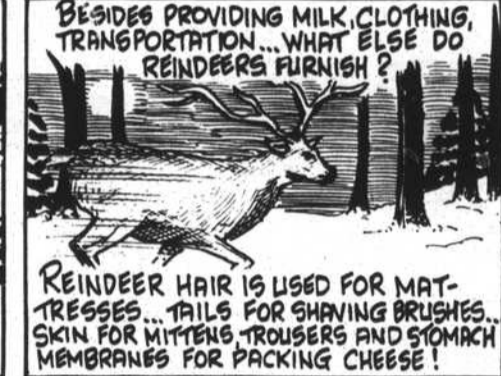

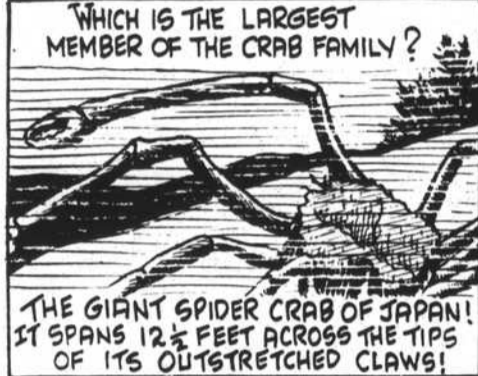

Kindergartens are presently being held at Penrose Elementary, Straus Elementary, Brevard Elementary, Pisgah Forest Elementary and Rosman Elementary Schools.

The public kindergartens are limited to a maximum of 26 students per class under state law. The sessions are full day running regular school hours 8:30 a.m. to 3:00 p.m.

There were 16 deaths per 100,000 workers in 1974, a new all-time low rate with 13,500 work-related fatalities, according to preliminary reports issued by the National Safety Council.

Fun 'N Fact

Annual Fund Drive Aids 'Lost Colony'

Letters were mailed today to members and prospective members of the Roanoke Island Historical Association, seeking support for the continuing outdoor drama, "The Lost Colony."

Mrs. Terry Sanford of Durham is state chairman for the drive. Mrs. John I. Anderson of Brevard is Transylvania County chairman.

This summer marks the 35th season for the production of "The Lost Colony," which

tells of the first white settlement on American shores.

The drama will be given nightly except Sunday at 8:30 p.m. in the waterside theatre at Manteo, from Friday, June 20 through Saturday, Aug. 30. Directed by veteran Broadway director...

choreographer Joe Layton, the production involves a cast of 150 in the outdoor spectacular by Paul Greer.

Mrs. Anderson points out in her letter that North Carolina is first in freedom — mother to the first English settlement in the new world, where the first white child was born.

She suggests that persons making donations think of their gifts as "buying a little piece of history."

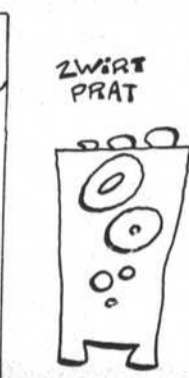

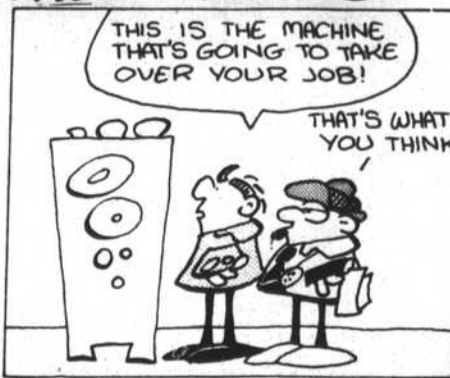

Memberships, which are tax deductible, range from \$5 for a regular membership up to \$500 for a benefactor.

"One thing you can say about spring—it's a 'love'y time of year."
