eaplanes Join Search For Earhart And Noonan The Best Seaplanes Join Search

Fliers Take to the Air From Deck of the Colorado

Honolulu, T. Y., July 7 .-- (U.P.)-The U. S. Colorado today catapulted its seaplanes into the air over the mid-Pacific in the first aerial search for Amelia Earhart and Frederick J. Noonan, missing trans-Pacific fliers.

The three seaplanes carried by the mighty battleship swept southward toward the Phoenix Island group for flights on which he pilots and the observer aboard each plane hoped to find some race of the missing fliers.

The aerial search began shortly after 11 p. m. E.D.T.

In the few hours of daylight remaining in the mid-Pacific area, the speedy scout planes headed toward the Winslow Banks, northernmost point of the Phoenix Island group

As the Navy fliers joined Navy vessels in the farflung hunt for America's No. 1 woman flier and her navigator, missing since Friday, her husband, George Palmer Putnam, said in San Francisco, the search has only just begun."

Admiral Orin G. Murfin, commandant of the 14th Naval district, directing the hunt from Honolulu, said that after the Coiorado planes cover thoroughly the area work steadily southward toward of the charted islands of the Phoenix group. Before they reach Lexington, carrying 90 planes, probably will have joined the covering 36,000 square

air, reports circulated here and on the mainland that the battleship had found Miss Earhart. Lt. Commander J. L. Reynolds officially denied the reports.

Two other American naval vessels already were in the South Alcoa. Tenn., July 7,-(U.P). A Seas area, five others were on

Whaleboat Crew

Practice Begins Today at the Kill Devil Hills Coast Guard Station

Fifteen stalwart Coast Guardstrict, will gather at Kill Devil Hill Station today to begin training for a whaleboat race against a Sixth District crew on Coast Guard Day, August 4, at Manteo.

These 15 men will be trained for five days, at the end of which time the 10-man crew which will represent this district will be selected. The 15 men are: Thomas J. Harris (B.M.2c), of Kill Devil Hill Station; Vernon H. Tillett (B.M.2c), of Nags Head Station, and Surfmen Clyde A. Beacham of Nags Head, Robert L. Austin of Wash Woods, David B.
