

Silverware.

Every day silver is entering more extensively into the useful and ornamental articles of nearly every household. At no previous time has silver been so popular as at the present, and naturally the best method to care for and preserve the same will be appreciated by every good housekeeper. Dirty silver marks the untidy housewife; and the brilliance and lustre, so pleasing to the eye, is lost. The mission of silver is to beautify. Clean silver is a source of much pleasure, dirty silver the reverse.

Care of Silver

Housekeepers, who have any amount of silverware, will find it convenient to have a regular "polishing day" (same as washing and cooking day) when all the silver is gathered together and thoroughly cleaned and polished. The result will more than pay for the labor; their silver will always look clean and brilliant and there is an immense amount of satisfaction in having bright silver.

Silver Cream Polish

Silverware is an expensive luxury and it pays to use only the very best polish for cleaning it. It is bad judgment and worse economy to stop short of the finest, purest, and best polish. Silver Cream is an instant eradicator of dirt or tarnish and will not mar the most delicate surface. It is made from a perfectly pure material, and with only two exceptions is the only liquid polish on the face of the earth that does not contain a single iota of acid, ammonia, or cyanide of potassium. It is easy to use simply apply with a sponge, rinse in hot water, and wipe dry with a soft cloth. Silver knives, forks, etc., in daily use, can be kept bright and clean by applying a little silver cream to the dishcloth when washing, afterwards rinse in hot water and wipe dry.

LOCAL NEWS.

The Democratic skies are bright. Hon. Thos. J. Jarvis will speak at Columbia, Tyrrel county, Nov. 1.
Mr. W. M. Baxter offers desirable building lots for sale upon easy terms. See ad. in another column.
We had a call from our old friend T. H. B. Gibbs, of Fairfield, Hyde county, on Friday. He told us that the "skag apple" was a failure this season.
We had a sweet call on Tuesday from Miss Lizzie Thompson, of Okisko, and Miss Viola Brothers of Portsmouth, Va., which we greatly appreciated.
Rev. L. L. Williams, rector of Christ Church, has returned from a visit to Washington, D. C., in attendance upon the General Convention of the Episcopal Church.
We had a most beautiful bouquet of flowers, culled from nature's treasury of sweets, sent to us yesterday by Mrs. D. S. Kramer, on Main street, which we greatly appreciated.
A revival service at the M. E. Church, conducted by Rev. J. H. Hall, pastor, assisted by Rev. Mr. Parker, of South Mills, which has been conducted for two weeks, closed on Saturday.
Mr. Louis Selig has returned from New York, where he has been to purchase his Christmas and holiday stock of jewelry, etc. You are cordially invited to call and view his beautiful display.
Mr. Ed. Brothers, living in Nixonton Township, near Weeksville, had his house burned Tuesday night. It seems to have been accidental, having been found on fire soon after Mr. Brothers had left it to visit a neighbor.
George Cowper, Esq., of Hertford county, our candidate for the Senate, made us a pleasant call on Tuesday. He is actively engaged in the canvass and was making his way toward Edenton, where he was to speak Wednesday.

Is it too much to hope from the white men of Elizabeth City and Pasquotank county that they rise in their might on the 8th of November and redeem the good name that the county once had?
To-morrow (Saturday) is the last day that the books will be open, except for those who become of age between Saturday (to-morrow) and the 8th of November, who may register and vote on that day.
Hon. T. G. Skinner will address the citizens of Dare county as follows: East Lake (at River Landing) Friday, Nov. 4, at 1 p. m.; Wanchese, 7 p. m. Hatteras, Saturday, Nov. 5, at 1 p. m.; Trent at 7 p. m.
Messrs. O. G. Davis and Smithson Davis, of Indiana, are visiting their relatives in Providence township, this county. They left here 68 years ago, and were doubtless surprised to find all their contemporaries among the daisies.

We think from present indications that there will be some exodus of Republicans from this town between the going down of the sun and the rising of the same after the 8th prox. We think so. We hope so. We hope others hope so. So be it so. So note it.

We are pleased to hear that we reached the marrow of Buffalo Burgess, the fit representative on the County Commissioner ticket, of the Republican decency of Camden county last week. If the Camdensians can't do better they ought to hold their noses and withhold their ballots.
Mr. John D. Shaw, Jr., of Richmond county will speak in this town on Thursday November 3rd, at 2 p. m., in the Court House. He is sent to us by Chairman Simmons and is endorsed as one of the best political speakers in the State. All white men of a decent type are invited to turn out and give him a cordial reception.

We had a nice call from S. L. Doshier, of Hatteras, on Saturday. He says Hatteras is the breeziest and the healthiest place on the top of the earth, and in proof he gave us the names of probably a dozen octogenarians one of whom was a now-generian, among the old citizens in Hatteras. Would you live long and have your hat blown off then go to Hatteras.

We enjoyed a curiosity in the potato line on Saturday—a bunch of yellow bark sweet potatoes, hanging from one stem, weighing 18 pounds, and dug from one hill, by J. L. Owens, of Powell's Point, Currituck county. Surely, thought we, that goose hawk country is the most favored of heaven of all the lands that the sun visits in its diurnal round.

J. B. Leigh and other Democratic county candidates will address the citizens of Pasquotank county as follows: Pool's School House, Friday, October 28, at 8 p. m. Rose-dale, Saturday, Oct. 29, at 2 p. m. Sawyer's Store, Salem township, Wednesday, Nov. 2, at 2 p. m. Elisha at 8 p. m. Berea, Thursday, Nov. 3, at 8 p. m. Cartwright's School House, Friday, Nov. 4, at 8 p. m. Okisko, Saturday, Nov. 5, at 2 p. m.

That Arch-monster, Marion Butler, who now disgraces the honor of North Carolina in the U. S. Senate, is loading our mail every day with the most outrageous lies, in a newspaper, mis-called the "Caucasian." The sheet is as dirty as its editor, and we hope this will be notice that it must be stopped. It is too old in its political items and too dirty to criticize, and therefore, with our nose embraced by our digits, we hope it will come to us no more.

We hear the Police force of our municipality severely criticized for neglecting their official duties to attend political Republican places. The Mayor is now in the business and we think he could do a good work in his official capacity by notifying the Policemen that their duty is to maintain the peace and good order of the community and not to attend precincts and intimidate applicants for registration, by the many devices suggested by the heulers of the negro party.

On Tuesday there was an interesting presentation to the Elizabeth City Public School, by the "Junior Order United American Mechanics," of a Bible and a United States flag. The Bible was presented by Rev. J. H. Hall of the M. E. Church and the flag by Rev. C. A. G. Thomas of the Baptist church. Both presentations were accompanied by appropriate speeches. The address of thank was made in behalf of the school in the absence of Superintendent Hinton, by J. B. Leigh, Esq., in graceful and appropriate terms. The occasion was witnessed by the teachers and the pupils of the school and was greatly enjoyed by all present.

We had a call on Friday from Mr. W. H. McCullough, of Norfolk, General Manager of Vanderbilt's Va. Beach R. R. and Mr. C. L. Pettit, General Manager of Pettit's North Carolina Line of steamers, plying in our eastern waters. They were both pleasant and genial gentlemen, and interested in the development of this section. They have established a daily line of steamers to connect Elizabeth with the Southern terminals of the Vanderbilt road. Mr. Pettit is doing good work for Elizabeth City and our section, and his kind and polite deportment has made the Pettit Line and its manager favorites of the public.

Have you seen Governor Russell's Inevitable Proclamation. (Some impolite people call him "Guts" Russell.) His Proclamation is the advance guard of the troops that Peter Jeter Pritchard wants McKinley to send to North Carolina on election day to intimidate the true white men of the Democratic party and carry the election for the negroes. The whole thing was arranged by "G." Russell and Pete Jete at Morganton last week. If they cause U. S. Troops to be sent down, there'll be a "monkey and a parrot" time" down here, in which the dirty white negro leaders will be conspicuous in the picture, in which "lamp posts" will be in the foreground.

Hon. F. M. Simmons, the great organizer and Chairman of the State Democratic Executive Committee, was in town Saturday. He was to have been here Friday and speak at night, but there was a railroad derailment, a detention and a mis-connection, and he did not get here, to our great disappointment, until Saturday. We had prepared to do the handsome by him, but things "ganged aple." Tom Skinner was to have "introduced him," and the speech of introduction, which he whispered into our ear, was a Jim Dandy, a gen, a chef d'uvre, and Simmons ought to come again, just to hear him say it, and to see the people "make the welkin ring." We had a cordial and polite call from our distinguished leader.

We understand that young Meekins added the profession of an actor to his numerous distinctions, across the sound, a few days ago, which convinces us that he is a multitudinous, multifarious, many-sided, gifted pie eater in the employ of Piejohn. We hope soon to see him rivaling Caleb Quotem—combing out Jack's beard and hair with a narrow gauge find tooth comb, blacking his brogans, and ringing the church bell. At Swan Quarer he put his hat on a post, calling it George Ward, and saying he had invited Ward to meet him and divide time, and he didn't come, and not to be impolite he had made his hat Ward's proxy. All we have to say is, that if the whole statement is not what Gen. Washington, in his calligraphy calls, a "jye," that empty hat tyfed the empty head it sometimes covered.

Obituary.
Departed this life Monday night, very suddenly, in Rosedale, upper Pasquotank county, Mr. William Williams aged about 70 years.
Mr. Williams was a native of Pasquotank county and one of its most prominent citizens, distinguished for his kindness, geniality and neighborly offices of friendship. He was a fine specimen of robust manhood and all his physical indications pointed to a long life of health and happiness, but alas! how true is the scripture that "in the midst of life we are in death," and how sadly does the poet Young emphasize the thought:
"The spider's most attenuated thread is ehor'd, is cable, to man's tender tie On earthly bits."
Mr. Williams fell before a sudden and unexpected swep of the Great Reaper in the harvest field of life. His health was good, his habits of life were correct, he had eaten his supper as usual, was reading a newspaper, when the dead summons came, without one symptom of warning. Truly, he fell with his armor on and was summoned to the presence of his Maker while in the enjoyment of a vigorous old age, and with the conscienceness of a well spent life.
Our sympathies are with his sor-ring household and children.
