

The Nation
Buttalo Springs
Wednesday
August 18th 1858.

Upward Election
we have full returns from
16 counties which gives
Ellis a majority of 15,000
and over, which is a
larger gain than Perry
over Gilmore the other
counties will not materially
alter the Returns.
At any rate Mr Park
is the worst beaten
man that has been a
candidate in a long time
for Governor of N.C.

The Editor has been confused
by some indisposition
the first two days of
this week but it is
his post to say any
error in this no may
be attributed to that
cause.

Bro Vance has beaten
Avery 2500 votes in
the Mountain District
where is Blingman.

State Legislature
Edgemore. Senate Clerk
1858. Common Bridge &
Dancy. Sen.
Catawba Reinhardt Sen.

Onslow Chaffin, Senate
Goy - Commons Sen.

Since the cause
is over no editors have
nothing to think about and
nothing to talk about and
worse than all that we
have nothing to write about
So therefore our readers
will excuse this no if it
is rather stale hot we-
ather is the go now a
days. Shirt Collars is
at a low rate at
present.
