Statement Showing Income to Cumberland County Road Fund after Paying Interest on Bonds Four Years and Setting aside Sinking Fund.

I se that tax based upon the assessment as shown by the above figures at a 9c rate will produce an income for the Cumberland County Road Fund of \$10,677.46. Add ticture \$4,800,00, amount received for hire of convicts, which amount will give to the Comb rland County Road Fund during the four years consumed in the building of the roads an annual income of

The interest on the first \$50,000 on bonds issued is \$2,00000. Add to this your sink ing fund of \$393.00, making a total of \$2,893.00 which the Cumberland County Road Fund will be liable for after the first \$50,000,00 of bonds are issued. \$2,890,00 de ducted from the annual income of \$15,477.46 will leave at the end of the first year An issuance of \$50,000,00 of bonds the second year, making \$100,000,00, at 5% interest equals \$5,000.00. Add to this your sinking fund for the first year of \$393.00, and \$416.00 sinking, find for the second year, which makes a total of \$5,809.00. Difference between \$5,809.00 and the annual income of \$15,477.46 shows a saving of

> time rest on the \$150,000 00 bonds is \$7,500.00 add to this your first year sinking fund of \$493,00 and your second year sinking fund of \$416.00, making a total of \$8.750.00. This amount deducted from the annual income of \$15,477.46, Icaves An issuance of \$50,000.00 of bonds fourth year requires a sinking fund of \$468.00, add to this your first year sinking fund of \$39000, your second year sinking fund of \$416.00, your third year sinking fund of \$411.00, making a total sinking fund set aside

> An issuator (1) \$50,000,000 of bonds the third year requires a sinking fund of \$441.00;

in four years of \$1,718.00. This added to your 5 interest on \$200,000.00 of bonds equals \$11,718.00. Deduct this from the annual income of \$15,477.46 and it shows a The first year, the Highway Commission says for the Cumberland County Road Fund out of its income derived from a 9c road tax and lease of convicts, \$12,584.46; the second year, \$9,668.46, the third year \$6,27 to the fourth year, \$3,759.46, making a

At the end of four years with all your roads built, the Highway Commission will have saved \$32,739.84 out of the amount which they have received from the 9c. road tax and from the lease of convicts. Convicts will then be turned over to the Highway Commission and they will start with \$32,739.84 as a maintenance fund.
