C., in compliance with bond he furnished Justice of the Peace J. E. Owens recently for appearance at the term of court which begins today. Judge C. C. Lyon will preside at this term of criminal court, but the case of State v. Peterson will not be tried. Solicitor Herbert E. Norris yesterday stated that an agreement for a continuance had been reached.

The agreement to this effect, according to Solicitor Norris was reached recently when Attorney General Manning thought that he would be in Concord this week assisting in the trial of Gaston Means. Since that time Attorney General Manning has found that it is not in accord with the Governor's wishes that he assist in that trial, but no change has been made in regard to the trial of the Peterson case.

The Solicitor will present the matter to the grand jury and all the preliminaries, it is expected will be gone through with this week; among which will be the renewal of Major Peterson's bond. - News and Observer.
