Russians in France do Not Recognize Bolshevi.

Washington, Dec. 3.—Russian Army and navy contingents serving in France have repudiated the Bolsheviki regime at Petrograd. Official dispatches today announced that the soldiers and sailors had presented to the French government resolutions declaring their refusal to recognize the faction now in control and their purpose to remain faithful to the provisional government.

Kropotkin and Gorky Against N. Government

Washington, Dec. 3.—Kropotkin, known as the father of anarchism, an Maxim Gorky, fierce radical, have formally declared against the Bolsheviki government in Russia. Extracts from published articles by them read: Washington today Gorky, in violent attacks, described Lenin and Trotsky as "vulgar and suspicious scoundrels."

Saving.

It is a revolution in the world. Millions are now making homes and have millions of dollars. We all follow and we are getting rich. Every body with a corn of common sense 'Geta-It'.

A Lumberton man who had a case in court told his lawyer, when a compromise was offered, that he had prayed and prayed over the case but did not know what to do.
