

ONE KILLED, TWENTY INJURED, RESULT OF OIL WORKERS RIOTS

Ten Plants Operated By Strike Breakers on Wednesday Were Closed.

TWENTY-FIVE ARRESTED On Charges Ranging From Carrying Concealed Weapons to Murder.—Officers Claim to Have Control of Situation.

(By International News Service)

Bayonne, N. J., October 12.—One man was killed and more than twenty injured in rioting here today, incident to the strike of the Standard Oil workers. Many arrests were made. Some of the strikers were severely clubbed by the police.

The ten Standard Oil plants in Bayonne which had been operated with strike breakers yesterday were closed. Through the strike storm the police force, in two divisions, made several excursions, driving rioters before them or into the houses. Hundreds were searched for weapons.

The killing occurred at Twenty-First street and Prospect Avenue. Isadore Nalitsky, a young attorney entered the riot zone to see what was going on. Firing from house tops began when the police were sighted. Nalitsky fell with a bullet through his body just under the heart and died almost instantly.

Twenty-Five Arrested.

Edward Greene, also drawn by curiosity was shot through the lungs, and may die. John Sullivan, a striker, was shot in the head and is in a precarious condition. Horace Martin was shot in the back and through the lungs. A drag net was drawn through the strike district in the afternoon. Two companies of police armed with repeating shot guns entered the trouble zone from opposite points combing the district and searching all men found in the streets or in houses from which missiles were thrown.

Twenty-five men were arrested on charges ranging from carrying concealed weapons to murder. At nightfall with the district quiet officers and city officials again declared there would be no more trouble from the strikers.

"We have things under control now," said Inspector Kady of the police.

Large Crowd at Linden To Hear Co. Candidates

The county Democratic candidates filled their appointment at Linden last night. A large crowd was out to hear the speakers, every one of which delivered short but impressive addresses. In each instance confidence of both a national and local success for the Democratic party was expressed.

No More Compulsory Canada Mustaches

(By International News Service.)
Ottawa, October 12.—For many months Canadian soldiers have been protesting at the British army regulation compelling the wearing of a mustache. Today they are rejoicing in a new order from Militia Headquarters, graciously permitting them to shave the upper lip in American fashion.

RED SOX BASEBALL WORLD CHAMPIONS

Live Up to Boston Tradition of Never Having Lost a World Series.

SHORE PUZZLED DODGERS

Lanky North Carolinian Pitched Beautiful Game Throughout Allowing Three Hits.—Dodgers Unable to Hit in Pinches.

(By International News Service)

Boston, October 12.—The Boston Red Sox are the 1916 baseball champions of the universe. They won the title this afternoon by defeating the Dodgers four to one in a loosely played game. This gave them the series with four victories to one defeat.

Immediately after the game was over a wild demonstration took place on the ball field. Those of the victorious Red Sox who could not escape from the crowd were carried around the field on its shoulders. While the royal rosters headed by their hand and followed by about 5,000 fans paraded around the field.

The Red Sox lived up to the Boston tradition of never having lost a world series. They won the championship largely because of the brilliant work of the lanky pitcher, who pitched a beautiful game throughout and deserved to score a shut-out. Only three hits were made off him and one was a fluke. The only run the Dodgers scored came through the medium of a base on balls, a sacrifice and an out which advanced the runner to third and put him in position to score on Kady's past ball. A double error by Olson in the third inning broke the tie which existed up to then and cinched the game for the Red Sox. Kady had singled and went to second when Hooper got a base on balls. Janvyn then hit to Olson. He fumbled the ball spoiling his chance to get Janvyn and threw wild to second in an attempt to force Hooper. Kady scored on the second error and Hooper went to third. Then came Shorten with a single that scored Hooper, putting the Sox two runs to the good and making victory sure for them.

Shore's Brilliant Work.

Shore, the youthful right hander was the hurdle, over which the Dodgers could not jump today. The lanky North Carolinian pitched a beautiful game throughout and deserved to score a shut-out. Only three hits were made off him and one was a fluke. The only run the Dodgers scored came through the medium of a base on balls, a sacrifice and an out which advanced the runner to third and put him in position to score on Kady's past ball. A double error by Olson in the third inning broke the tie which existed up to then and cinched the game for the Red Sox. Kady had singled and went to second when Hooper got a base on balls. Janvyn then hit to Olson. He fumbled the ball spoiling his chance to get Janvyn and threw wild to second in an attempt to force Hooper. Kady scored on the second error and Hooper went to third. Then came Shorten with a single that scored Hooper, putting the Sox two runs to the good and making victory sure for them.

Would Forbid Ministers Marry Divorced Persons

(By International News Service.)
St. Louis, October 12.—Recommendations that the ministers of the church be forbidden to marry persons who have been divorced was made by the general convention of the Protestant Episcopal church here this afternoon by the joint commission appointed.

Gudger is Endorsed For District Judge

Washington, October 12.—Friends of former Congressman James M. Gudger, Jr., of Asheville, are determined that no opportunity to secure a good federal job for Mr. Gudger is overlooked. He has now been endorsed for a place on the district Supreme court to fill the vacancy caused by the death of Justice Thomas H. Anderson.

WILSON ADVOCATES NET WORK OF GOOD ROADS OVER NATION

In Address to Six Thousand People Who Greeted Him at Indianapolis.

SCORNS SECTIONALISM

Stating It Is Based on Ignorance and Any One Who Revives the Issue Not Worthy Confidence of Nation.

(By International News Service.)

Indianapolis, October 12.—President Wilson arrived here today at 11:30 o'clock and was met at the station by cheering mobs.

In a speech before 6,000 people he urged "a perfect and intricate net work of good roads" to develop the country.

"Sectionalism is based on ignorance," he said. "The only thing that binds a nation together is nationalism. Any man who revives the issue of sectionalism is not worthy of the confidence of the nation. He shows himself a provincial and reveals his nobility to be a free voter."

"Just as soon as this great European war is over America must be ready with force for a peaceful battle on lines of a new age," he continued.

Although President Wilson's speech here was not of a political nature it is understood his second Western trip is intended for political influence. The large throng that enthusiastically listened to his address here this afternoon was composed of both parties.

FINANCIAL WIZARD FOR LAND SWINDLE

Promoters of Land Bank Swindles Get Half Million Dollars in Kentucky.

(By International News Service.)

Washington, October 12.—Wholesale prosecution of a number of individuals who are promoting land bank swindles are being planned by the Federal Farm Loan Board that body announced today.

The headquarters of the "syndicate" are in Kansas City, it is alleged, and the board has amassed a large quantity of evidence concerning the identity and operations of the promoters. Evidence in the hands of the board now indicates that the country from coast to coast is being exploited by a land swindle trust all under one head. The man at the head of the organization is alleged to be a financial wizard whose ability the farm loan board respects and, to a certain extent fears. He is keeping in the background and operating through agents.

From the state of Kentucky nearly a half million dollars already has been taken from the farmers.

WEATHER

Weather for North Carolina.
Fair Friday and Saturday without decided temperature change. Moderate northeast and east winds.

ITALIANS ADVANCE AGAINST AUSTRIAN BASE NEAR TRIESTE

Capture Two Important Heights and Nearly Two Thousand Prisoners.

GAIN IN GORIZIA SECTOR

Where Austrians are Driven Back From Their Mountain Positions.—Desperate Counter Attacks Result in Big Loss.

(By International News Service.)

Rome, October 12.—The Italian armies of General Cadorna, driving home with heavy blows their new offensive against the great Austrian commercial port of Trieste have won extensive new successes. The war office announces gains on the slopes of the two important heights, hills number 343 and 144 east of Nova Villa, and the capture on the entire Carso front of 1,771 prisoners.

The most extensive gains so far registered have been in the Gorizia district. Here under a constant shell fire the Austrians have been driven back from their mountain side position. Desperate counter attacks launched by the Austro-Hungarian commander in an effort to regain the line lost east of Vertobizza, on the Carso, were broken up with losses by the Italian fire.

Nothing from man's hands, nor law, nor constitution can be final. Truth alone is final.—Charles Sumner.

MR. Z. B. NEWTON DIES IN RALEIGH

Mr. Newton Prominent Attorney of This Section Died in Raleigh Yesterday.

News was received in the city yesterday afternoon of the death of Mr. Z. B. Newton, in Raleigh.

Mr. Newton was fifty-eight years of age and was a member of the local bar, having practiced law here for a number of years. Mr. Newton was more than a professional man and had been successful in general business. He had acquired considerable property in this and adjoining counties. Mrs. Newton, was at his bedside at his death in Raleigh yesterday at noon.

He was prominent in politics, having honorably filled the office of county auditor. Always a power for good in this community, his influence will be greatly missed.

Surviving Mr. Newton are his wife, four daughters, Misses Anna, Effie, Bessie and Mary, and three sons, Messrs. Ben, George, and Zack.

Funeral services will be held from the residence at Hope Mills this afternoon at 3:30, by Rev. J. L. Jenkins, pastor of the Baptist church, of which Mr. Newton was a member. Further details of the funeral were not arranged yesterday, but pall bearers will be selected this morning.

It is seldom that a man without the coin is sued for breach of promise. Bravery does not consist in being foolhardy.

THE FAYETTEVILLE PRESBYTERY MEETS

People of Lillington Extended a Warm Welcome to All Delegates.

PASTOR FOR 54 YEARS

Dr. H. G. Hill, Eighty-Five Years Old, Delivered Morning Sermon.—An Orator and Logician.

The Fayetteville Presbytery convened its 196th stated session at Lillington on Tuesday evening, October 10th, at 8 o'clock. The opening sermon was preached by Rev. R. A. McLeod, pastor of Galatia, Manchester and Longstreet churches, after which the Presbytery was called to order by the retiring Moderator, Hon. A. D. McGill, of Fayetteville, Route 3.

Rev. H. J. Willis, of Rowland, was elected Moderator, by acclamation; Rev. John L. Fairly, of Fayetteville, was chosen Temporary Clerk, and Rev. R. A. McLeod, of Rockfish, was made Engraving Clerk. The new officers were at once inducted into office and the business of the Court moved off with clock-work precision.

There was a good attendance at this meeting and much to encourage the faithful workers was found in the reports from the various parts of the field. Several new churches have been organized and there has been a considerable increase in the membership of the churches.

A sermon on Wednesday morning, at 11 o'clock, by Rev. H. G. Hill, D. D., who is nearly eighty-five years old, and who has been preaching fifty-four years, was worthy of note. Dr. Hill seems to have lost not one whit of his abilities as an orator and logician. That sermon was, itself, worth a trip to the Presbytery.

A great inspiration was given Missions and Sunday School work at this session of Presbytery and we confidently look forward to results.

The hospitality of the good people of Lillington, irrespective of denomination will ever remain a pleasant memory in the minds of every attendant upon the fall session of fall meeting of Fayetteville Presbytery. They were not only kind, but very thoughtful of the comfort of their guests.

Lillington is making strides in progressiveness that is equalled only by a few towns in this state. A new commodious brick graded school building, a sewerage and water works system and improved streets are some of the signs of an awakening from a Rip Van Winkle sleep.

"Billy" Sunday in New York April 1

New York, October 12.—The Rev. "Billy" Sunday will conduct his "fight against the devil" in New York beginning April 1 next and continuing through April, May and June. The evangelist has arranged to have the campaign in Buffalo in February and March instead of in the spring.

Kansas College Sends Wireless Weather News

Manhattan, Kans., October 12.—Daily weather forecasts are being sent out by wireless from the weather bureau of the Kansas Agricultural College here. With the exception of the forecasts sent nightly for the benefit of the naval stations this is said to be the first time service of this kind that has been attempted.

U-BOAT OPERATIONS ALONG U.S. COAST A NUISANCE, REPORT

Of Joint State and Navy Neutrality Board Submitted Department Yesterday.

BELLIGERENT VESSELS

Carrying Guns and of a Type of the U-53 Should Not Be Admitted to U. S. Ports, Recommendation of Board.

(By International News Service.)

Washington, October 12.—The joint state and navy neutrality board has submitted to the State Department its report and recommendation concerning submarine warfare off the American coast. It is understood that the findings of the board are unfavorable to a continuation by Germany of activities similar to those off Nantucket Lightship last Sunday, when the U-53 sank five merchant vessels.

It was said today that the neutrality board declared such operations in close proximity to American shores constituted a nuisance which should be abated, and that in their view the United States should refuse hospitality to all belligerent war vessels.

The neutrality board is an advisory not responsible body and its findings and recommendations are not binding.

It was said authoritatively today that the department before deciding upon any policy, will examine all the evidence.

The Navy Department received today a report from Rear Admiral Knight, at Newport transmitting the reports of the commanders of four vessels sunk by the U-53.

The Navy Department received also a report from Admiral Gleaves, commanding the destroyer force at sea, expressing his personal belief that all the survivors are accounted for and that there was no steamer sunk named the Kingston or Kingstollon.

Admiral Gleaves added that the destroyer force had discontinued the search.

Bombard Gas Factory Causing Great Fire

(By International News Service.)

Paris, October 12.—The official report tonight says, north of the Somme the French have made some progress west of Bailly.

South of the Somme there was great activity by the artillery on both sides but no infantry action.

In the Vosges the French executed a coup de main in which were brought back eleven German prisoners. The French artillery bombarded a gas factory near Muelhausen, causing a great fire.

British Reply to Blacklist Protest

Washington, October 12.—The State Department has been informed officially that the British reply to the American protest against the blacklisting of American commercial interests may be expected shortly.

The impression among officials is that the reply will be unsatisfactory. The State Department will not discuss what action this government will take if the reply is unsatisfactory, but it is believed President Wilson will exercise the discretion given him by law to put into effect the retaliatory legislation passed by Congress.
