CLAIMS OF Deceased Officers and Soldiers.

WILSON, N. C., June 26th, 1864. THE UNDERSIGNED has been appointed a Commissioner to investigate, collect and pay over to the parties entitled thereto, all claims for bounty, arrears of pay, and allowances, due to the representatives of deceased officers and soldiers from this State.

The parties entitled are: first, the widow of the deceased, if any, if there be no widow then, secondly, the child or children, if there be such, if there be neither widow or children then, thirdly, the father, if there be neither widow, child, children or father then, fourthly, the mother of the deceased, and in default of all of those then, fifthly, the executor or administrator of the deceased.

The claimant or claimants must furnish his, her or their affidavit, and that of one or more interested witnesses as to the relationship, and in all cases, must negative the existence of any claim or claims of a higher order. The Justice of the Peace, before whom the affidavit is subscribed must certify to the credibility of the witness, and Clerk of the County Court must certify, under the seal of the Court, that he is a Justice of the Peace.

If the claimant or claimants be a child or children of the deceased, and he, she or they be minors, the claim must be propounded by his, her or their guardian, and the fact of his being guardian must be certified to, under seal of the County Court Clerk.

When the claim is made by an executor or administrator, the fact of the executorship or administratorship must be certified to, under seal by the County Court Clerk.

Any person directly interested will be furnished, upon application to me, with a proper form of these papers in full; a copy of which, for the greater convenience of parties, will be forwarded as soon as may be practicable to each County Court Clerk.

This commission is intended to facilitate the collection of these claims, and save the claimants all expense. Parties interested may materially aid me in the investigation of their claims, if at the time of forwarding their paper to me, they will inform me of the date of the death of the deceased, where he died, whether or not they or any one for them, have received the personal effects which deceased had with him at the time of his death, and whether or not the deceased (if a non-commissioned officer or private) had ever received the State's bounty.

It is very desirable that all claims should be forwarded as early a day as may be practicable. In all cases, give the claimants' Post Office and County in full.

FROM HOOD'S ARMY. ARRIVAL OF THE PRESIDENT! He takes the Field in Person.

YANKEES REPULSED! From the Trans-Mississippi. MAGRUDER WHIPS STEELE! NORTHERN NEWS. YANKEE REPORTS OF OPERATIONS IN THE VALLEY! FROM THE VALLEY.

GRIFFIS, Sept. 29.—Northern papers of the 24th has been received. Western journals are silent about Forrest.

Freemont and Cochran have withdrawn in favor of Lincoln. Johnson issued orders effectually preventing McClellan from having a ticket in Tennessee.

There is great rejoicing all over the North at the present state of affairs, they claim for Sheridan the greatest victory of the war, and that Lincoln has got a levy of 500,000.

GRIFFIS, Sept. 29.—One hundred and fifty Yankee officers, and 400 Confederate privates, and 10 Surgeons were exchanged at Rough and Ready yesterday. General Stoneman and staff arrived at Jonesboro' last night, and will be exchanged to-morrow, which will conclude the business of special exchange.

Everybody here left Atlanta except a few mechanics, who have gone to work for the Yankees. Up to last night Sherman had made no movement in force.

GRIFFIS, Sept. 29.—Nothing remarkable has occurred in Gen. Hood's army for some days, except the visit of President Davis; he arrived on Monday, and reviewed the troops on Tuesday, he was received by the men with great applause, and made them a speech, saying that he would in a few days lead the army to battle and victory.

The Yankees are very uneasy about the operations of Forrest, they say he has 25,000 men. Two divisions of the 4th corps have been taken from Atlanta and sent beyond the Tennessee to fight him; his name appears a perfect terror to them all; they seem to have no hope of keeping their communications, and little hope of whipping him; they have no cavalry able to do anything with Forrest.

PETERSBURG, Sept. 30th.—Yesterday evening our cavalry were attacked in front and flank by Gregg's cavalry, during which they had forced our cavalry pickets in on the Vaughn road, 8 miles below here, near Wyatt's house. We captured about 20 prisoners and re-established our lines.

This morning the enemy, with infantry, artillery and cavalry, advanced on our right about 1 1/2 miles below here, to the west of the Weidon Railroad, and dislodged our cavalry from the breastworks at that point. Arrangements have been made to effect their removal, and it is not believed the enemy will hold the works long.

PETERSBURG, Sept. 30th.—The Herald of the 22d received. Stanton telegraphs Dix, Sept. 26th, as follows: Sheridan dispatches at 11 o'clock on Saturday night 6 miles south of New Market, that he has driven the enemy from Mount Jackson, without being able to bring on an engagement, the enemy moving rapidly. Sheridan had no cavalry to pursue them. Torbitt attacked Wickan's forces at Luray, captured a number of prisoners. Sheridan found the rebel hospitals in all towns from Winchester to New Market. He was 80 miles from Martinsburg. Twenty pieces of artillery were captured at Fisher's Hill, together with 110 prisoners, a large amount of ammunition, caissons, limbers, and large quantities of entrenching tools, small arms and sabres.

Breckinridge has gone to take command of the Department of the South-west!—[News for us—Ed. Car.]

Dispatches from Sherman say Hood appears to be moving down the Alabama lines.

A strong force of rebel raiders is reported operating against Sherman's communications, and have captured Athens, Alabama.

Vigorous exertions are being made to capture the force.—[Several efforts have been made to capture Forrest.—Ed. Car.] Steele has been strongly reinforced and has taken the offensive.

Grant reports no operations. Stanton says the foregoing are all proper for publication. Averill has been relieved from command.

Rebel Col. Adams died at Winchester. The Baltimore and Ohio Railroad has been repaired its entire length.

Dispatches from St. Louis, on the 25th, says Prices entered Missouri with a force 30,000 strong. Shelby's cavalry and Kirby Smith are believed to be co-operating in the movement.

Rosecrantz and Pike appealed to the people to rally to the defense of the State. Seward is on a visit to Grant.

Mobile surrendered (in the North) on the 26th. It created great excitement. Gold closed at 193. Produce and merchandise of all descriptions declined heavily in sympathy with gold.

MERIDIAN, Sept. 29.—Trans-Mississippi advices report that a fight occurred recently, between Magruder and Steele, 7 miles from Little Rock, in which we were successful.

The yellow fever is prevailing in Galveston. The French occupied Matamoros on the 24th inst. Juarez and family were at Brazos Island, en route for New Orleans. The French had all the States of Northern Mexico. Cortinas could only raise 500 men when he reached Brownsville. Shelby has destroyed the Railroad near Little Rock, and captured 500 prisoners, 4 trains and one million, five hundred dollars worth of property.

The Yankees captured 15,000 pounds of wool last week in Texas Parish, La., intended for the Government this side of the river. One hundred mounted men from Vicksburg are raiding through Dear Creek county.

The people of Texas are looking for an attack on Galveston. The later storm has seriously damaged all railways in this vicinity—trains will be running again in a few days.

RICHMOND, Sept. 30.—Official dispatches to-night say, an attempt was made this afternoon, to retake Battery Harrison, which though partly successful, failed. The artillery firing preceding the assault was distinctly audible in all parts of the city. Cavalry, who went on nine miles road last night, went back early this morning. In the attempt to take Battery Gilmore yesterday, the Yankees put negro troops in front, and a large number of them were killed.

An official dispatch dated 9:30 last night, says that we repulsed the several attacks of the enemy made against the intermediate line of defence and near Chaffin's Bluff, capturing many prisoners. The enemy still hold Battery Harrison on the extreme line. Our loss very small.
