CLAIMS

Of Deceased Officers and Soldiers.

WILSON, N. C. June 20th, 1864.

THE UNDERSIGNED has been appointed a Commissioner to investigate, collect and pay over to the parties entitled thereto, all claims for bounty, arrears of pay and allowances, due to the representatives of deceased officers and soldiers from this State.

The parties entitled are: first, the widow of the deceased, if any, if there be no widow then, secondly, the child or children, if there be such, if there be neither widow or child, then, thirdly, the father, if there be neither widow, child, children or father then, fourthly, the mother of the deceased, and in default of all of these then, fifthly, the executor or administrator of the deceased.

The claimant or claimants must furnish his, her or their affidavit, and that of one disinterested witness as to the relationship, and in all cases, the claimant is not the widow, the affidavit must negative the existence of a claimant or claimants of a higher order. The Justice of the Peace, before whom the affidavit is subscribed must certify to the credibility of the witness, and Clerk of the County Court must certify, under the seal of the Court, that he is a Justice of the Peace.

If the claimant or claimants be a child or children of the deceased, and he, she or they be minors, the claim must be prepared by his, her or their guardian, and the fact of his being guardian must be certified to, under seal of the County Court Clerk.

When the claim is made by an executor or administrator, the fact of the executorship or administration must be certified to, under seal of the County Court Clerk.

All of these papers should be sent in duplicate.

Any person directly interested will be furnished, upon application to me, with a proper form of these papers in full; a copy of which, for the greater convenience of parties, will be forwarded as soon as may be practicable to each County Court Clerk.

This Commission is intended to facilitate the collection of these claims, and save the claimants all expense.

Parties interested may materially aid me in the investigation of their claims, if at the time of forwarding their paper to me, they will inform me of the date of the death of the deceased, where he died, was killed, whether or not they or any one for them, have received the personal effects which he carried with him at the time of his death, and whether or not he deceased (if a non-commissioned officer or private) was buried in the State.

It is very desirable that all claims should be forwarded as early a day as may be practicable. In all cases, give the claimants' Post Office and County in full.

JNO. A. STANLY, Commissioner.

SINGULAR CUSTOM.—An auction for unmarried ladies used to take place annually in Babylon. In every district says the historian, they assembled on a certain day of the year all virgins of marriageable age. The most beautiful was first put up, and the man who bid the highest or the largest sum, gained the possession of her. The second in personal appearance followed, and the bidders gratified themselves with handsome wares according to the depth of their purses. But alas! it seems there were in Babylon some ladies for whom no money was likely to be offered, yet these were also disposed of, so provident were the Babylonians. When all the beautiful virgins were sold, the erier ordered the most deformed to stand up, and after he had openly demanded who would marry her, with a small sum she was at length adjudicated to the man who would be satisfied with the least; and in this manner the money arising from the sale of the handsome, served as a portion to those that were of disagreeable look, or that had any other imperfection. This custom prevailed about four hundred years before Christ.

Richmond, Oct. 8.—Official dispatches confirm the capture of Rome, Ga., with 3,000 negroes and whites. The officers were also taken. The yankees destroyed all their commissary stores. Two squares of the business portion of the town was burned.

Gen. Wheeler has descended into Marietta, and burned a block of store houses and spiked three guns.

Our army is supposed to be at Etowah. Fortifications have been thrown up on the Kenesaw.

Dalton has been occupied by our troops.

Forrest is in Middle Tennessee. Rescues is cooped up in Nashville.

Richmond, Oct. 8th.—Northern dates of the 5th have been received. In the engagement of the 30th, near Squirrel Level, the Federals acknowledge a loss of 2,000 killed, wounded and prisoners—more than half prisoners.

Farragut arrived at Fortress Monroe on the 4th, and proceeded up James river.

Guerrillas captured two trains of cars on the Nashville road, between Richland and Fountain Head, on the night of the 3rd, and burned 19 cars.

Accounts from Mississippi states that Gen. Price is moving on Retta in three columns, the right under Shelby and Marmaduke, the centre under himself, and the left under Cooper, the latter being composed mainly of half breed Indians.

Five hundred rebels entered Union, the county seat of Franklin county, on Saturday, and captured 100 militia.

On the 1st Forrest shelled Athens, Ala., and on the 3d demanded the surrender of Dalton, Ga.

On the 4th, gold was 190½ in New York.

A horticulturist in Bohemia has a beautiful plantation of the best apple trees, which have neither sprung from seeds nor grafting. The plan is, to take shoots from the choicest sorts, insert them in a potato, and plunge both in the ground, having but an inch or two of the shoot above the surface. The potato nourishes the shoot while it pushes out roots, and the shoot gradually springs up and becomes a beautiful tree, bearing the best fruit, without requiring to be grafted.

MCCLELLAN'S PEACE POLICY.—The Louisville Press says Chas. A. Wickliff, of Kentucky, stated in Baltimore that McClellan assured him two days in advance of his letter of acceptance, that if he (McClellan) were elected, not a gun should be fired at the rebels after the 4th of March.

PETERSBURG, Oct. 9.—Yesterday about noon the enemy moved in force on our right, supposed at first for the purpose of making an attack on our lines. It turned out to be nothing more than an extension by the enemy of their lines on our right, in order to occupy all our lost works near Fort McRae.

The enemy by the move gained nothing in the direction of the South Side Railroad, and only prolonged their lines, driving in a few pickets and occupying this ground hitherto. Only a part of the works near Fort McRae, are occupied by the enemy. Weather, cloudy and very cold.

AUGUSTA, Oct. 9th.—A letter to the Chronicle and Sentinel, states that the 3d corps of Sherman's army has left Atlanta. The enemy is in strong position from Vining's Station to about Marietta. The Yankees found out Hood's plans and anticipated them. The head of our column is near Brownsville. It is not known where we will march. The letter says that late accounts from Atlanta, says there are 4 Yankee corps in the city.

Yankee officers claim 80,000 troops and 90 days rations, and railroad iron enough for one hundred miles. General officers say Sherman will soon move on Macon and Augusta. Deserters from Atlanta say no trains have arrived for 8 days. All accounts from Hood's army are encouraging.

TO THE FRIENDS OF THE SOLDIERS

Throughout the Confederacy

QUARTERMASTER GENERAL DEPARTMENT, RAILROAD BUREAU.

Richmond, Feb. 20th, 1864.

THE friends and relatives of soldiers in the Army of Northern Virginia are hereby notified that an arrangement has this day been effected with the SOUTHERN EXPRESS COMPANY, to carry all packages of food and wearing apparel to Richmond, Va.

To secure the advantages thus obtained through the express company, the following instructions must be observed:

1. Packages must not contain more than one hundred pounds; be well secured, and plainly marked, and sent at the expense of the soldier to either of the Soldiers' Relief Associations, which are located as follows:

In North Carolina, at Raleigh; in South Carolina, at Columbia; in Georgia, at Augusta; in Alabama, at Montgomery; or at any other point at which one of these Associations have an office.

The Agents of these Associations will there take charge of them, and ship daily, by Southern Express Company, to the proper Agents of the respective States at Richmond, who will see them distributed to the proper individual owners.

To meet the wishes of the soldiers, and to give them a certain and speedy communication with home the Southern Express Company has agreed to give this freight preference over everything else; and in order that no obstacle may occur to the success of so laudable an enterprise, the several Railroad Companies are hereby requested to render the Express Company such facilities as will enable it to make this arrangement a complete success.

As the Southern Express Company assumes all responsibility of the transportation of these packages, the Relief Associations are requested to withdraw their Agents who have heretofore acted as travelling messengers. If the Relief Association will establish agencies in the rear of their armies, they may enjoy the same privileges heretofore secured to the Army of Northern Virginia.

REPORTER'S DICTIONARY,

BASED ON PHONOGRAPHY.

IN PRESS and shortly to be published, a book with the above title, prepared by the subscriber, who has had nearly 20 years practice in Phonographic writing, having been at one time employed as an official reporter in the United States Senate, and who has been for the last seventeen months, and is now, reporter of the Atlanta Intelligencer.

The Dictionary will contain indications, by means of a simple nomenclature, for writing with Phonographic letters, about 20,000 words of the English language, of ninety-nine one-hundredths of those in common use—the remaining words being easily written after these are learned.

In the Introduction to the Dictionary, simple instruction will be given for beginners of the study of Phonography, with lithographed illustrations, prepared by one of the best artists in the Confederacy. The object of the publication is to make a STANDARD for Confederate Reporters, and to render it possible for the much coveted and beautiful art of Reporting, to be learned even without the aid of a teacher.

As the work will be expensive, new type having been procured expressly for it, only a small edition will be issued. Those who desire copies are requested to send to the author their orders at once, (to be recorded,) accompanied with the price of the same, which will be five dollars per copy. The book in paper cover, and suitable for use, will be sent to all subscribers, by mail, without additional expense.
