THE REPORTER'S DICTIONARY, BASED ON PHONOGRAPHY. IN PRESS and shortly to be published, a book with the above title, prepared by the subscriber, who has had nearly 20 years practice in Phonographic writing, having been at one time employed as an official reporter in the United States Senate, and who has been for the last seventeen months, and is now, reporter of the Atlanta Intelligencer. The Dictionary will contain indications, by means of a simple nomenclature, for writing with Phonographic letters, about 20,000 words of the English language, of ninety-nine one-hundredths of those in common use—the remaining words being easily written after these are learned. In the Introduction to the Dictionary, simple instruction will be given for beginners of the study of Phonography, with lithographed illustrations, prepared by one of the best artists in the Confederacy. The object of the publication is to make a STANDARD for Confederate Reporters, and to render it possible for the much coveted and beautiful art of Reporting, to be learned even without the aid of a teacher. As the work will be expensive, new type having been procured expressly for it, only a small edition will be issued. Those who desire copies are requested to send to the author their orders at once, (to be recorded,) accompanied with the price of the same, which will be five dollars per copy. The book in paper cover, and suitable for use, will be sent to all subscribers, by mail, without additional expense. A. E. MARSHALL, dtf Fayetteville, N. C.

CLAIMS OF Deceased Officers and Soldiers.

WILSON, N. C., June 20th, 1864. THE UNDERSIGNED has been appointed a Commissioner to investigate, collect and pay over to the parties entitled thereto, all claims for bounty, arrears of pay and allowances, due to the representatives of deceased officers and soldiers from this State. The parties entitled are: first, the widow of the deceased, if any; if there be no widow then, secondly, the child or children, if there be such, if there be neither widow or children then, thirdly, the father, if there be neither widow, child, children or father then, fourthly, the mother of the deceased, and in default of all of these then, fifthly, the executor or administrator of the deceased. The claimant or claimants must furnish his, her or their affidavit, and that of one disinterested witness as to the relationship, and in all cases, where the claimant is not the widow, the affidavit must negative the existence of a claimant or claimants of a higher order. The Justice of the Peace, before whom the affidavit is subscribed must certify to the credibility of the witness, and Clerk of the County Court must certify, under the seal of the Court, that he is a Justice of the Peace. If the claimant or claimants be a child or children of the deceased, and he, she or they be minors, the claim must be propounded by his, her or their guardian, and the fact of his being guardian must be certified to, under seal of the County Court Clerk. When the claim is made by an executor or administrator, the fact of the executorship or administratorship must be certified to, under seal by the County Court Clerk. All of these papers should be sent in duplicate. Any person directly interested will be furnished, upon application to me, with a proper form of these papers in full; a copy of which, for the greater convenience of parties, will be forwarded as soon as may be practicable to each County Court Clerk. This commission is intended to facilitate the collection of these claims, and save the claimants all expense. Parties interested may materially aid me in the investigation of their claims, if at the time of forwarding their paper to me, they will inform me of the date of the death of the deceased, where he died, was killed, whether or not they or any one for them, have received the personal effects which deceased had with him at the time of his death, and whether or not the deceased (if a non-commissioned officer or private) had ever received the State's bounty. It is very desirable that all claims should be forwarded at as early a day as may be practicable. In all cases, give the claimants' Post Office and County in full. J. N. A. STANLY, Commissioner. 123-tf

TO THE FRIENDS OF THE SOLDIERS Throughout the Confederacy QUARTERMASTER GENERAL DEPARTMENT, RAILROAD BUREAU. Richmond, Feb. 20th, 1864. THE friends and relatives of soldiers in the Army of Northern Virginia are hereby notified that an arrangement has this day been effected with the SOUTHERN EXPRESS COMPANY, to carry all packages of food and wearing apparel to Richmond, Va. To secure the advantages thus obtained through the express company, the following instructions must be observed: Packages must not contain more than one hundred pounds; be well secured, and plainly marked, and sent at the expense of the shipper to either of the Soldiers' Relief Associations, which are located as follows: In North Carolina, at Raleigh; in South Carolina, at Columbia; in Georgia, at Augusta; in Alabama, at Montgomery; or at any other point at which one of these Associations have an office. The Agents of these Associations will there take charge of them, and ship daily, by Southern Express Company, to the proper Agents of the respective States at Richmond, who will see them distributed to the proper individual owners. To meet the wishes of the soldiers, and to give them a certain and speedy communication with home the Southern Express Company has agreed to give this freight preference over everything else; and in order that no obstacle may occur to the success of so laudable an enterprise, the several Railroad Companies are hereby requested to render the Express Company such facilities as will enable it to make this arrangement a complete success. As the Southern Express Company assumes all responsibility of the transportation of those packages, the Relief Associations are requested to withdraw their Agents who have heretofore acted as traveling messengers. If the Relief Association will establish agencies in the rear of their armies, they may enjoy the same privileges hereby secured to the Army of Northern Virginia. F. W. SIMS, Lieut. Col. and Quartermaster. Approved. V. R. Lawton, Quartermaster Gen.

TELEGRAPHIC

Reported by the Press Association. 1864. Enacted according to Act of Congress in the year 1863, by J. S. Thrasher, in the Clerk's office of the District Court of the Confederate States, for the Northern District of Georgia.

PRESS ASSOCIATION MEETING! AUGUSTA, Oct. 14.—The Board of Directors of the Press Association, having adjourned from Columbus to Augusta, met here to day, a quorum being present. A telegram was received from absent Directors, giving assurance of their co-operation in the action of the Board. A resolution was adopted, directing the President to correspond with the President of the Southern Telegraph Company, with a view of arrangements for a fair and equitable commutation for payments for Press reports. Also a resolution directing the President to send a circular to the members of the Association, explaining matters connected with the present meeting and apprising them of the action of the telegraph Company and of any embarrassments that may result therefrom, at the same time assuring them of the entire confidence both in the usefulness and the permanency of the Press organization.

FACTORY DESTROYED BY FIRE!! AUGUSTA, Oct. 14.—The Factory of the Porcelain Company, at Kolin, six miles from Augusta, was destroyed by fire last night.

NORTHERN NEWS. RICHMOND, Oct. 14.—The Whig has received the Herald. Sherman telegraphs Halleck from Altoona, on the 9th. He reached Kennessaw on the 6th, just in time to witness in the distance the attack on Altoona. Anticipating the attack he ordered Corse from Rome with reinforcements. The attack was met and repulsed, the enemy losing 200 dead and 1,000 wounded and prisoners. Our loss 100. The aggregate of the enemy captured is small. The enemy hold the garrisons of Big Shanty and Ackworth and burned 7 miles of the railroad. Have an abundance of provisions at Altoona and Atlanta. Hood has moved back to Dallas. Vanwort is watching him in case he tries Kingston or Rome. Atlanta is perfectly secure. Sheridan is at Woodstock. He has destroyed everything in the way of provisions. Grant has returned from Washington. Gold 198 1/2.

MOBILE, Oct. 11.—A special to the Advertiser from Senatobia, says the Memphis Argus of the 8th contains Missouri dates to the 5th. Price advanced with three columns, including Marmaduke's force of 2,500, Shelby's of 1,500 and Price with the main column. Shelby's force took a more northern route, operating principally on the railroad, which has been greatly damaged, especially the Southwestern Branch, which is torn up in many places, and the cars, depots, bridges, tanks and trestle burned. At last accounts Price was between the South Beach and main Pacific road with a train of 200 wagons. A. J. Smith [Yankee General] was at Franklin.

All quiet at Jefferson City, although telegraphic communication was cut off. Evans is reported arrived at Rolla with 20 men of the Pilot Knob garrison. Various rumors prevailed. The Confederates are moving with great rapidity. Nashville dates to the 4th say that Forrest, after destroying the Alabama and Tennessee railroad, advanced to Duck River and Spring Hill and from thence towards Florence. Guerrilla bands around Nashville are capturing commissary and foraging trains disabling wagons and carrying off mules. Two upward freight trains were captured between Nashville and Louisville. Telegraphic communication is established to Chattanooga. A large force is at work on the Atlanta and Tennessee road. Cars would be running to Pulaski within a week and the telegraph working to Athens. Passengers from Chattanooga confirm the report that Forrest had demanded the surrender of Dalton. New York is preparing a grand ovation to Winslow, of the Kearsage. Two hundred armed men arrived in Crawford county, Indiana, to resist the draft, and were being reinforced from adjoining counties and Kentucky.

FROM HOOD'S ARMY. LAGRANGE, Oct. 11.—The flank movement of General Hood upon Atlanta, has so far been completely successful. The railroad from Big Shanty to Kingston has been entirely destroyed, for even the

cuts are filled up, and all the garrisons along that entire distance captured. On last Wednesday French's division Stewart's corps made an attack upon Altoona, which failed. The whole corps consequently went to his assistance, when the town was captured by an assault and 4,000 prisoners taken, together with an immense quantity of the materials of war. Our army was on the Kingston and Rome railroad at last accounts. General Beauregard is with General Hood. Sherman's 20th army corps now hold Atlanta. The rest of Sherman's army has gone up the road. There is no cavalry at Atlanta. Wheeler, together with General Iverson, captured Eastport the other day, taking 50 wagons in good condition, and wrecks of a good many more. Iverson's pickets are within one mile of the city, and either killed or captured every Yankee who ventured outside the main works. Sherman is beyond Chattanooga, cut off from his main army. Thomas is in command. The evacuation of Atlanta is looked for every day. The enemy have no stock with which to haul artillery or commissaries, and no railroad. The Augusta dispatches which said that the movement had been anticipated and checkmated is pure stuff. The telegraph office and everything appertaining to the army, has been moved from Newnan.

FROM THE VALLEY.—The last heard of Sheridan he was between New Market and Woodstock. A large part of his cavalry is said to be below Strasburg. A gentleman who arrived in the city last night from the Page valley, gives a shocking account of the destruction of private property in that valley and in the Shenandoah valley. Every barn and mill that the torch could be applied to has been burnt.

A private letter received last evening from one of our scouts, written on the 16th, says: "Yankee cavalry, infantry and artillery are encamped at Manassas and Weaverville, in fact, all along the Orange road from Alexandria towards the Rappahannock." Letter information from Culpepper, however, conveys intelligence of the enemy's falling back towards Manassas, and taking with them the materials brought to the Rappahannock for the purpose of rebuilding the bridge over that stream. From the United States news in another column, it is evident that Stanton has no intelligence from Sheridan or knowledge of his present position. Richmond Sentinel.

HOTEL PRICES IN RICHMOND.—Artemus Ward says: "I went to Richmond and put up at a leading hotel, where, seeing the landlord, I accosted him with, 'How d'ey do, Squire?' 'Fifty cents,' was his reply. 'Sir?' 'Half a dollar. We charge twenty five cents for lookin' at the landlord, and fifty for speaking to him. If you want supper, a boy will show you the dining room for twenty-five cents. Your bein' in the tenth story, it will cost you a dollar to be shown up there.' 'How much do you ax a man for breathin' in this equinokial tavern?' said I. 'Ten cents a breath,' was the reply.

The Appeal's Grenada correspondent says, the President sent Gen. Forrest fifteen hundred fine English carbines last week, for his men, as an appreciation of their service during the past few months.
