## THE REPORTER'S DICTIONARY, BASED ON PHONOGRAPHY.

IN PRESS and shortly to be published, a book with the above title, prepared by the subscriber, who has had nearly 20 years practice in Phonographic writing, having been at one time employed as an official reporter in the United States Senate, and who has been for the last seventeen months, and is now, reporter of the Atlanta Intelligencer.

The Dictionary will contain indications, by means of a simple nomenclature, for writing with Phonographic letters, about 20,000 words of the English language, of ninety-nine one-hundredths of those in common use—the remaining words being easily written after these are learned.

In the introduction to the Dictionary, simple instruction will be given for beginners of the study of Phonography, with lithographed illustrations, prepared by one of the best artists in the Confederacy. The object of the publication is to make a STANDARD for Confederate Reporters, and to render it possible for the much coveted and beautiful art of Reporting, to be learned even without the aid of a teacher.

As the work will be expensive, new type having been procured expressly for it, only a small edition will be issued. Those who desire copies are requested to send to the author their orders at once, (to be recorded,) accompanied with the price of the same, which will be five dollars per copy. The book in paper cover, and suitable for use, will be sent to all subscribers, by mail, without additional expense.

## CLAIMS OF DECEASED OFFICERS AND SOLDIERS.

WILSON, N. C., June 29th, 1864.

THE UNDERSIGNED has been appointed a Commissioner to investigate, collect and pay over to the parties entitled thereto, all claims for bounty, arrears of pay and allowances, due to the representatives of deceased officers and soldiers from this State.

The parties entitled are: first, the widow of the deceased, if any, if there be no widow then, secondly, the child or children, if there be such, if there be neither widow or children then, thirdly, the father, if there be neither widow, child, children or father then, fourthly, the mother of the deceased, and in default of all of these then, fifthly, the executor or administrator of the deceased.

The claimant or claimants must furnish his, her or their affidavits, and that of one disinterested witness as to the relationship, and in all cases, where the claimant is not the widow, the affidavit must negative the existence of a subsistent claimant of a higher order. The Justice of the Peace, before whom the affidavit is subscribed must certify to the credibility of the witness, and Clerk of the County Court must certify, under the seal of the Court, that he is a Justice of the Peace.

If the claimant or claimants be a child or children of the deceased, and he, she or they be minors, the claim must be propounded by his, her or their guardian, and the fact of his being guardian must be certified to, under seal of the County Court Clerk.

When the claim is made by an executor or administrator, the fact of the executorship or administratorship must be certified to, under seal by the County Court Clerk.

All of these papers should be sent in duplicate.

Any person directly interested will be furnished, upon application to me, with a proper form of these papers in full; a copy of which, for the greater convenience of parties, will be forwarded, as soon as may be practicable to each County Court Clerk.

This commission is intended to facilitate the collection of these claims, and save the claimants all expense.  
Parties interested may materially aid me in the investigation of their claims, if at the time of forwarding their paper to me, they will inform me of the date of the death of the deceased, where he died, was killed, whether or not they or any one for them, have received the personal effects which deceased had with him at the time of his death, and whether or not the deceased (if a non-commissioned officer or private,) had ever received the State's bounty. It is very desirable that all claims should be forwarded at as early a day as may be practicable. In all cases, give the claimants' Post Office and County in full.

JNO. A. STANLY,  
Commissioner.

## TO THE FRIENDS OF THE SOLDIERS THROUGHOUT THE CONFEDERACY

QUARTERMASTER GENERAL DEPARTMENT,  
RAILROAD BUREAU,  
RICHMOND, Feb. 20th, 1864.

THE friends and relatives of soldiers in the Army of Northern Virginia are hereby notified that an arrangement has this day been effected with the SOUTHERN EXPRESS COMPANY, to carry all packages of food and wearing apparel to Richmond, Va.

To secure the advantages thus obtained through the express company, the following instructions must be observed:

Packages must not contain more than one hundred pounds; be well secured, and plainly marked, and sent at the expense of the upper to either of the Soldiers' Relief Associations which are located as follows: In North Carolina, at Raleigh; in South Carolina, at Columbia; in Georgia, at Augusta; in Alabama, at Montgomery; or at any other point at which one of these Associations have an office.

The Agents of these Associations will there take charge of them, and ship daily, by Southern Express Company, to the proper Agents of the respective States at Richmond, who will see them distributed to the proper individual owners.

To meet the wishes of the soldiers, and to give them a certain and speedy communication with home the Southern Express Company has agreed to give this freight preference over everything else; and in order that no obstacle may occur to the success of so laudable an enterprise, the several Railroad Companies are hereby requested to render the Express Company such facilities as will enable it to make this arrangement a complete success.

As the Southern Express Company assumes all responsibility of the transportation of those packages, the Relief Associations are requested to withdraw their Agents who have heretofore acted as traveling messengers. If the Relief Association will establish agencies in the rear of these armies, they may enjoy the same privileges hereby secured to the Army of Northern Virginia.

F. W. SIMS,  
Lieut. Col. and Quartermaster.

Approved,  
V. R. Lawton, Quartermaster Gen.

## From the Valley.

A GOOD BEGINNING, BUT A BAD ENDING.

Official dispatches state that Early attacked Sheridan's camp at Cedar Creek, before day on the 19th, surprised and routed the 8th and 9th corps, and drove the 6th corps beyond Middleton, capturing 18 pieces of artillery, and 1,300 prisoners, which were safely brought off, but the enemy subsequently made a stand, in turn attacked Early, capturing a line which gave way in retreat. The enemy captured 40 pieces of artillery. Our net loss 25 pieces, and some wagons and ambulances. Our loss in killed and wounded was less than a 1000. Our loss in prisoners was thought to be small. The enemy's infantry is reported very badly demoralized. He did not pursue. His loss is very severe.

General Rameur was severely wounded while acting with gallantry, and was captured by the enemy.

CHARLOTTESVILLE, Oct 22d.—But few additional particulars from the Valley.—Our army fell back to New Market, the enemy not pursuing.

Major General Rameur was wounded in the bowels, supposed mortally, and fell in the hands of the enemy.

Brigadier General Battle was wounded in the leg and arrived here this morning.

## European News!

RICHMOND, Oct. 21.—European advices of the 9th received. The new Convention recently constructed by the French Caden Government, has been published, with a protocol, providing that the Italian capital be transferred to Florence within 6 months and for the withdrawal of French troops from the state of the Royal assent to the bill which the ministry will submit to Parliament. It is not acceptable to the Pope, who threatens to call for protection from some other Catholic power if the French troops are withdrawn.

M. Chateau Renard has been appointed Minister to Washington. Mercier goes to Madrid.

RICHMOND, Oct 23.—By recent arrivals from Europe assurance was received at Washington from the highest source that no vessel capable of belligerent service against the United States will be allowed to leave a French port for the Confederates.

## NORTHERN NEWS.

RICHMOND, Oct 21.—New York papers of the 19th contain official dispatches, which state that Hood's main force was near Lafayette on the night of the 16th. Sherman was at Ship's Gap, at which point a part of the 24th North Carolina was captured. The rear of Hood's army left Lafayette, going South, at daylight on the 17th.

St Louis telegrams on the 18th say that Price's headquarters were reported at Lexington.

General Curtis drove the rebels out of Indianapolis.

General Birney died at Philadelphia.

Great excitement prevailed at Memphis on Sunday evening, in consequence of an expected attack on the city by a strong body of Forrest's cavalry.

Twelve hundred guerrillas under Hinds have concentrated near Brandenburg, Ky.

A Peace Convention is in session at Cincinnati. Long is talked of as a candidate for the Presidency.

Gold 220.

RICHMOND, Oct. 21.—Returns from 66 counties in Pennsylvania, show Democratic gains of 14,000 on the vote last year, when the Republicans elected their Governor by 15,800 majority.

MOBILE, Oct. 23.—The press operator at Tusculumbia, 21st, reports a flag of truce yesterday at Decatur. The Yankee officers say Hood is beating Sherman at his own game of flanking. It is reported out-

forces hold R. M. Dalton, Kingston, Va. and Missionary Ridge, and advancing on Chattanooga, at which place the Federals were concentrating by withdrawing unimportant garrisons. Sherman's forces are on short rations.

Nashville papers of the 17th, and Louisville Journal of 18th, say Guerrillas are overrunning Kentucky.

Seventy-three counties in Ohio give an abolition majority of 2700.

Philadelphia dispatches of the 17th claim the State for the Republicans by 3900.

RICHMOND, Oct 22nd.—The Baltimore American has been received by the War. Stanton's official bulletin to Dix says another great battle was fought yesterday the 19th, at Cedar Creek, threatening at first a great disaster, but finally resulted in victory for the Union forces under Sheridan, more splendid than any heretofore achieved. Forty-three pieces of artillery were captured, and many prisoners. Loss on our side Generals Wright, Rickett and Grover wounded, and Biswell killed. Sheridan's official report says his army was driven in confusion 4 miles.—He hastened from Winchester, where he stopped on his return from Washington, took the affair in hand, formed the men in line of battle in time to repulse an attack of the enemy, and, after some cavalry charges, attacked and routed them. Darkness intervened to shut off greater results.

Telegrams from Chattanooga on the 18th, say Sherman started yesterday in pursuit of the rebels, who were retreating southward, via Bloomtown Valley.—The same telegrams claim that Roddy's cavalry were routed at Rome on the 12th by Minty's brigade of cavalry.

Thirty armed desperados, supposed to be in rebel employ, from Canada, invaded St. Albany, Vermont, on the 19th, robbed the Banks of large sums and shot several citizens. Eight of the raiders were subsequently captured, and 50,000 dollars recovered.

The result of the vote on the new Constitution of Maryland is yet doubtful.

Passengers from Halifax confirm the report of the capture of the Roanoke by Confederates. She was taken to Bermuda, where the passengers were landed.—Braine then put to sea and burned the vessel off Bermuda. He and the crew returned in boats, and were arrested by the British authorities.

Forest is making raids through Western Kentucky.

The Cincinnati Peace Convention favor peace on the basis of the sovereignty of the States, and call for a Convention of the States to settle difficulties.

Ciawg, Missouri, with garrison, was captured Saturday by Shelby. The City Hall building was destroyed. The greatest excitement prevailed on the Kansas border. Leavenworth is being fortified.  
Gold 275 to 280.

## FROM LEE'S ARMY.

RICHMOND, Oct. 22.—This morning the yankee battery lately erected in the rear of the Boulware house, about two miles below Chaffin's, opened upon a portion of our fleet. 5 men on the iron-clad Fredricksburg were slightly wounded. Several of our iron-clads replied, and silenced the yankee battery.

## A FIGHT IN THE CHOCTAW NATION.

MERIDIAN, Oct. 22.—The trans-Mississippi Journal announces that Gen. Stanwatic attacked the enemy at Cabin creek, in the Choctaw Nation, on the 19th, and after fighting some time, defeated the enemy, capturing 250 wagons and 180 prisoners. The yankee loss in killed and wounded 200; ours very slight. A correspondence between our forces and the enemy at Brazos, reveals the fact that Cortinas is Brig. Gen. in the yankee service.

RICHMOND, Oct. 23.—The N. Y. Herald of the 21st received. No later news from Sherman. The latest official reports from Missouri, state that the main body of the rebel army was still east of the Black Water river. The Vermont raiders were arrested in Canada East. The Gov. General of Canada has assured the Governor of Vermont that he will respond to the requisition of the United States, for the delivery of these criminals. The outrage created great excitement in Vermont.
