**THE REPORTER'S DICTIONARY, BASED ON PHONOGRAPHY.**  
IN PRESS and shortly to be published, a book with the above title, prepared by the subscriber, who has had nearly 20 years practice in Phonographic writing, having been at one time employed as an official reporter in the United States Senate, and who has been for the last seventeen months, and is now, reporter of the Atlanta Intelligencer.  
The Dictionary will contain indications, by means of a simple nomenclature, for writing with Phonographic letters, about 20,000 words of the English language, of ninety-nine one-hundredths of those in common use—the remaining words being easily written after these are learned.  
In the Introduction to the Dictionary, simple instruction will be given for beginners of the study of Phonography, with lithographed illustrations, prepared by one of the best artists in the Confederacy. The object of the publication is to make a STANDARD for Confederate Reporters, and to render it possible for the much coveted and beautiful art of Reporting, to be learned even without the aid of a teacher.  
As the work will be expensive, new type having been procured expressly for it, only a small edition will be issued. Those who desire copies are requested to send to the author their orders at once, (to be recorded,) accompanied with the price of the same, which will be five dollars per copy. The book in paper cover, and suitable for use, will be sent to all subscribers, by mail, without additional expense.

## CLAIMS OF Deceased Officers and Soldiers.

Witness, N. C. June 20th, 1864.  
THE UNDERSIGNED has been appointed a Commissioner to investigate, collect and pay over to the parties entitled thereto, all claims for bounty, arrears of pay and allowances, due to the representatives of deceased officers and soldiers from this State.  
The parties entitled are: first, the widow of the deceased, if any, if there be no widow then, secondly, the child or children, if there be such, if there be neither widow or children then, thirdly, the father, if there be neither widow, child, children or father then, fourthly, the mother of the deceased, and in default of all of these then, fifthly, the executor or administrator of the deceased.  
The claimant of such claims must furnish satisfactory evidence of the relationship, and in all cases, where the claimant is not the widow, the affidavit must negative the existence of a claimant or claimants of a higher order. The Justice of the Peace, before whom the affidavit is subscribed must certify to the credibility of the witness, and Clerk of the County Court must certify, under the seal of the Court, that he is a Justice of the Peace.  
If the claimant or claimants be a child or children of the deceased, and he, she or they be minors, the claim must be propounded by his, her or their guardian, and the fact of his being guardian must be certified to, under seal of the County Court Clerk.  
When the claim is made by an executor or administrator, the fact of the executorship or administratorship must be certified to, under seal by the County Court Clerk.  
All of these papers should be sent in duplicate.  
Any person directly interested will be furnished, upon application to me, with a proper form of these papers in full; a copy of which, for the greater convenience of parties, will be forwarded as soon as may be practicable to each County Court Clerk.  
This commission is intended to facilitate the collection of these claims, and save the claimants all expense.  
Parties interested may materially aid me in the investigation of their claims, if at the time of forwarding their papers to me, they will inform me of the date of the death of the deceased, where he died, was killed, whether or not they or any one for them, have received the personal effects which deceased had with him at the time of his death, and whether or not the deceased (if a non-commissioned officer or private,) had ever received the State's bounty.  
It is very desirable that all claims should be forwarded at as early a day as may be practicable. In all cases, give the claimants' Post Office and County in full.  
JNO. A. STANLY,  
Commissioner.

**TO THE FRIENDS OF THE SOLDIERS Throughout the Confederacy**  
QUARTERMASTER GENERAL DEPARTMENT, RAILROAD BUREAU.  
Richmond, Feb. 20th, 1864.  
THE friends and relatives of soldiers in the Army of Northern Virginia are hereby notified that an arrangement has this day been effected with the SOUTHERN EXPRESS COMPANY, to carry all packages of food and wearing apparel to Richmond, Va.  
To secure the advantages thus obtained through the express company, the following instructions must be observed:  
Packages must not contain more than one hundred pounds; be well secured, and plainly marked, and sent at the expense of the shipper to either of the Soldiers' Relief Associations: which are located as follows: In North Carolina, at Raleigh; in South Carolina, at Columbia; in Georgia, at Augusta; in Alabama, at Montgomery; or at any other point at which one of these Associations have an office.  
The Agents of these Associations will there take charge of them, and ship daily, by Southern Express Company, to the proper Agents of the respective States at Richmond, who will see them distributed to the proper individual owners.  
To meet the wishes of the soldiers, and to give them a certain and speedy communication with home the Southern Express Company has agreed to give this freight prefer ence over everything else; and in order that no obstacle may occur to the success of so laudable an enterprise, the several Railroad Companies are hereby requested to render the Express Company such facilities as will enable it to make this arrangement a complete success.  
As the Southern Express Company assumes all responsibility of the transportation of those packages, the Relief Associations are requested to withdraw their Agents who have heretofore acted as traveling messengers. If the Relief Association will establish agencies in the rear of their armies, they may enjoy the same privileges, hereby secured to the Army of Northern Virginia.  
F. W. SIMS,  
Lieut. Col. and Quartermaster.  
Approved,  
V. R. Lawton, Quartermaster Gen.

## From Lee's Army!

**A BRILLIANT MOVEMENT BY MAHONE!**  
Petersburg, Oct. 31.—General Mahone, about 10 o'clock last night, by a well executed flank movement, surprised and captured the enemy's picket line in his front without firing a gun. Two hundred and thirty-three prisoners, including four commissioned officers, from Hancock's corps, were taken.  
About 300 citizens, released from the prison ship at City Point, have arrived in our lines.  
Prisoners taken to-day say that all the soldiers would vote for McClellan, but an order has been issued prohibiting voting in the army.

Richmond, Oct. 31.—The following was received to-day:  
Headquarters, Army No. Va., Oct. 31.—Mahone penetrated the enemy's picket lines last night, near Petersburg, and swept it for a half mile, capturing 230 officers and men without the loss of a man.  
R. E. LEE.

The number of prisoners captured on the 27th below Petersburg, according to Gen. Hill's report, is 700.

**DESTRUCTIVE FIRE.**  
Augusta, Oct. 31.—A destructive fire occurred last night, burning a large building on Reynolds street, together with its contents, partly occupied by officers, and the remainder filled with cotton. About 500 bales were burned. A large number of grain bags was destroyed. The building was owned by Z. Metcalf. Loss, \$1,000,000. Government loss \$300,000.

**Northern News!**  
MOBILE, Oct. 31.—A special to the Advertiser from Senatobia, dated the 30th, has news from the Memphis Argus of the 23d and Bulletin of the 28th.  
The Federal accounts about Price are confused. The Federals worsted Price's force, it is reported, largely.  
The Federals admit the evacuation of Independence.  
Price is heading for Kansas, in three columns, Picasanton pushing him with 20,000,000 men. Fighting continues.  
The Federals claim that the telegraph and railroad is working to Atlanta.  
The rebel sharpshooters are troublesome at Petersburg, knocking over the Federals daily. Hunter has resumed command of the 12th army corps. The guerillas are troublesome on all the western rivers. The steamer Empress sunk at Island 24—total loss. A fire occurred at Mobile, which destroyed 100 bales of cotton belonging to the Government.

**European News!**  
Richmond, Oct. 30.—European advices to the 16th says there is a decided improvement in the price of the Confederate Cotton Loan.  
Gladstone, in a speech in Lancashire, expressed regret at the continuance of the American war. He said he was in favor of the Americans being left to settle their own affairs, but expressed a doubt of the ability of the North to subjugate the South.  
It was denied that Capt. Semmes had gone to sea.  
A delegation claiming to represent the loyal Democrats of Tennessee are in Washington for the purpose of presenting to Lincoln a protest against the oath required by Gov. Johnston to be taken before the Presidential election. They had an interview with Lincoln on Saturday, and presented their protest, but complain of having been treated cavalierly by him, he imitating that, in his opinion, the document was prepared in concert with the New York politicians. The committee denied, and retired, after a brief interview, without having accomplished their object or receiving any encouragement that Abe would interfere in the matter.

From the TRANS-MISSISSIPPI.—Mr. Wagner, Government messenger, has just arrived from Shreveport, with the most important dispatches ever brought from the Trans-Mississippi.

Although we can give no particulars of what is passing on the Western bank of the Mississippi, still we are at liberty to assert that the news is of the most encouraging and important nature.

We are pleased to learn that the movements in the Trans-Mississippi are carried on with secrecy, the dispatches are being in cipher, and the "powers that be" as silent as the current of the mighty stream that divides that devoted portion of the Confederacy from their Eastern brethren.

Shelby is near the Arkansas line, capturing forts and destroying Steele's reinforcements and supplies.

Magruder is in Arkansas, operating in the most vigorous manner, and swears, with his usual vehemence, (and he is one of those barking dogs that bites,) that Steele and he cannot live long in the same State.

Let no one be surprised if the Trans-Mississippi, under the splendid generalship of Kirby Smith, should yet act the most signal part in the liberation of our glorious country.—Mobile Ad. & Reg.

ATLANTA.—If reports be true the Yankees in Atlanta are in a very uneasy state of mind, the question troubling them being not how they can hold the city but how they can get out safely. We learn that a gentleman well known in this city, and who left the Gate city on Wednesday last, reports an effective Federal force of only six thousand there when he left.—There were at the same time about two thousand in the hospitals. The lines have been so closely drawn that our cavalry enter the suburbs every night.  
Appeal. 25th.
