**THE REPORTER'S DICTIONARY, BASED ON PHONOGRAPHY.**  
IN PRESS and shortly to be published, a book with the above title, prepared by the subscriber, who has had nearly 20 years practice in Phonographic writing, having been at one time employed as an official reporter of the United States Senate, and who has been for the last seventeen months, and is now, reporter of the Atlanta Intelligencer.  
The Dictionary will contain indications, by means of a simple nomenclature, for writing with Phonographic letters, about 20,000 words of the English language, of ninety-nine one-hundredths of those in common use—the remaining words being easily written after these are learned.  
In the Introduction to the Dictionary, simple instruction will be given for beginners of the study of Phonography, with lithographed illustrations, prepared by one of the best artists in the Confederacy. The object of the publication is to make a STANDARD for Confederate Reporters, and to render it possible for the much coveted and beautiful art of Reporting, to be learned even without the aid of a teacher.  
As the work will be expensive, new type having been procured expressly for it, only a small edition will be issued. Those who desire copies are requested to send to the author their orders at once, (to be recorded,) accompanied with the price of the same, which will be five dollars per copy. The book in paper cover, and suitable for use, will be sent to all subscribers, by mail, without additional expense.

## CLAIMS OF Deceased Officers and Soldiers.

WILSON, N. C., June 20th, 1864.  
THE UNDERSIGNED has been appointed a Commissioner to investigate, collect and pay over to the parties entitled thereto, all claims for bounty, arrears of pay and allowances, due to the representatives of deceased officers and soldiers from this State.  
The parties entitled are: first, the widow of the deceased, if any, if she be no widow then, secondly, the child or children, if there be such, if there be neither widow nor children then, thirdly, the father, if there be neither widow, child, children or father then, fourthly, the mother of the deceased, and in default of all of these then, fifthly, the executor or administrator of the deceased.  
The claimant or claimants must furnish his, her or their affidavit, and that of one disinterested witness as to the relationship, and in all cases, where the claimant is not the widow, the affidavit must negative the existence of a claimant or claimants of a higher order. The duties of the Commissioner whose the affidavit is subscribed must certify to the credibility of the witness, and Clerk of the County Court must certify, under the seal of the Court, that he is a Justice of the Peace.  
If the claimant or claimants be a child or children of the deceased, and he, she or they be minors, the claim must be propounded by his, her or their guardian, and the fact of his being guardian must be certified to, under seal of the County Court Clerk.  
When the claim is made by an executor or administrator, the fact of the executorship or administratorship must be certified to, under seal of the County Court Clerk.  
All of these papers should be sent in duplicate.  
Any person directly interested will be furnished upon application to me, with a proper form of these papers in full; a copy of which, for the greater convenience of parties, will be forwarded as soon as may be practicable to each County Court Clerk.  
This commission is intended to facilitate the collection of these claims, and save the claimants all expense.  
Parties interested may materially aid me in the investigation of their claims, if at the time of forwarding their paper to me, they will inform me of the date of the death of the deceased, where he died, whether or not they or any one for them, have received the personal effects which descended with him at the time of his death, and whether or not the deceased (if a non-commissioned officer or private) had ever received the State's bounty.  
It is very desirable that all claims should be forwarded at as early a day as may be practicable. In all cases, give the claimants' Post Office and County in full.

JNO. A. STANLY,  
Commissioner.

## TO THE FRIENDS OF THE SOLDIER THROUGHOUT THE CONFEDERACY

QUARTERMASTER GENERAL DEPARTMENT, RAILROAD BUREAU, RICHMOND, Feb. 20th, 1864.  
THE friends and relatives of soldiers in the Army of Northern Virginia are hereby notified that an arrangement has this day been effected with the SOUTHERN EXPRESS COMPANY, to carry all packages of food and wearing apparel to Richmond, Va.  
To secure the advantages thus obtained through the express company, the following instructions must be observed:  
Packages must not contain more than one hundred pounds; be well secured, and plainly marked, and sent at the expense of the shipper to either of the Soldiers' Relief Associations, which are located as follows:  
In North Carolina, at Raleigh; in South Carolina, at Columbia; in Georgia, at Augusta; in Alabama, at Montgomery; or at any other point at which one of these Associations have an office.  
The Agents of these Associations will there take charge of them, and ship daily, by Southern Express Company, to the proper Agents of the respective States at Richmond, who will see them distributed to the proper individual owners.  
To meet the wishes of the soldiers, and to give them a certain and speedy communication with home the Southern Express Company has agreed to give this freight preference over everything else; and in order that no obstacle may occur to the success of so laudable an enterprise, the several Railroad Companies are hereby requested to render to the Express Company such facilities as will enable it to make this arrangement a complete success.  
As the Southern Express Company assumes all responsibility of the transportation of those packages, the Relief Associations are requested to withdraw their Agents who have heretofore acted as traveling messengers. If the Relief Association will establish agencies in the rear of their armies, they may enjoy the same privileges hereby secured to the Army of Northern Virginia.

## TELEGRAPHIC

Reported by the Press Association, 1864  
Entered according to Act of Congress in the year 1863, by J. S. Thrasher, in the Clerk's office of the District Court of the Confederate States, for the Northern District of Georgia.

**European News!**  
RICHMOND, Nov. 6.—European advices to the 23d have been received. The Bazaar in Liverpool, in aid of the Southern prisoners of war, proved a great success. Four days receipts amounted to 10,000 pounds sterling. About nine thousand additional subscriptions have been made.  
A strike among the Colliers of South Stafford was becoming alarming. Serious collisions with the police had occurred.  
The depression on account of the financial and commercial crisis showed little or no improvement. Failures are daily announced.  
The Emperor and Empress of Russia passed through Marcellus on the 1st, en route for Neice. It was considered certain that an interview would take place at Neice between Alexander and Napoleon.  
Bunch, ex Consul to Charleston, has been gazetted as Consul to Cuba.

**NORTHERN NEWS.**  
MOBILE, Nov. 5th, via Senatobia, 4.—Memphis papers of the 2nd say nothing about Price. The Chicago Times of the 29th, says the previous dispatches claiming a victory over Price, were bogus, gotten up for election purposes. It says the Shenandoah Valley is thrown in the shade by Missouri telegrams.  
Nothing important from other points. Guerrillas operations continue on the Mississippi.

RICHMOND, Nov. 5.—The Baltimore 'American' says the Tallahassee captured and settled 5 vessels off Block Island. Nothing from Hood or Sherman.  
RICHMOND, Nov. 6.—New York papers of the 4th received. Much excitement at Ogdensburg, N. Y., regarding an expected rebel raid from Canada. Business was suspended and citizens preparing for defence.  
A large number of armed men, supposed to be rebels, are on an Island in the St. Lawrence river, below Ogdensburg.  
A suspicious steamer, having on board about 50 men, passed along the river close to shore in the afternoon. It is reported that the Tallahassee entered the Delaware Breakwater, fired and destroyed several vessels at anchor there, and afterwards burned Lewis, Del., and robbed the people of a large amount of property. Four vessels were sent in pursuit of the Tallahassee.

Affairs in the Shenandoah Valley remain quiet.  
Dix has issued an order instructing the Provost Marshals to use the necessary precaution to prevent rebel deserters from voting on Tuesday, but no military force must be stationed at or in the vicinity of the polling place.  
Butler has arrived at New York with orders to report to Dix for duty.

**FROM SAVANNAH.**  
SAVANNAH, Ga., Nov. 6.—Nothing important by truce to-day, and no late papers. Our prisoners have not yet arrived at Hilton Head.  
There will be another flag on Tuesday, when it is supposed the exchange will take place.

**From Lee's Army!**  
PETERSBURG, Nov. 6.—Gen. Gracie captured a Yankee picket line last night. A number of prisoners were taken.  
The Yankee batteries opened and kept up a heavy fire all night. All quiet to day.

DESERTED CAMPS.—Reliable scouts from the enemy's rear state that the troops who were advanced to the Boydton Plank road Thursday afternoon, deserted their camps, leaving many valuables in them, and to guard to protect them. Numbers of citizens and negroes, hearing of the tempting bait left unguarded, availed themselves of the opportunity offered to secure full supplies of coffee, sugar, bacon and crackers. Large quantities were taken and carried off before the enemy returned.

## Miscellaneous Items.

The hat manufactory in Montgomery, Ala., is getting on finely. It is now turning out weekly some thousand good substantial hats for the Government, and will increase its facilities so as to double the number shortly.  
Col. Thomas H. Seymour, of Connecticut, has taken the stump for McClellan and Pendleton. He is a thorough politician.

Henry Winter Davis has been overwhelmed by the unconditional in the third Congressional District, and Charles S. Phelps has been nominated.  
Northern papers report Ex President Buchanan, and Mr. Mason, the Confederate agent, both at the Regent Hotel, London, England at the latest dates.  
Eighteen ministers of the Gospel were elected to the Legislature in the late election in Vermont.  
Mrs. Greenlow was drowned in consequence of having six hundred pounds sterling in gold tied to her person.  
The Presbyterian Synod of Ala., have inaugurated a plan for the support and education of the children of deceased and disabled soldiers.

We learn from the Fredell Express that one murderer, Elbert Reed, and two horse-thieves, Robert Cummings and B. F. Howard escaped from jail in Statesville, on the night of the 28th ult.  
A mutual and benevolent Association has been formed in Raleigh, to purchase for the people.
