CONGRESSIONAL.

RICHMOND, Nov. 18.—In the Senate Mr. Orr's resolution was adopted, requesting the committee on Foreign Affairs to report the facts, as far as can be obtained, relative to the lawless seizure of the Confederate steamer Florida, in the Bay of Bahia, and to report the results of their investigations.

CAPTURE OF STEAMERS, MILITARY STORES, &c.

LYNCHBURG, Nov. 17.—The Virginian has special intelligence that Lt. Colonel Welcher, on the 5th inst., captured and burned two armed United States steamers, the "Barnum" and "Fawn," with a quantity of small arms, on Buffalo Shoals, off Big Sandy river.

NORTHERN NEWS.

RICHMOND, Nov. 18.—The Baltimore American of the afternoon of the 16th, has been received. Gold 136 1/2 in New York.

A telegram from Nashville says Hood's army is still encamped in the vicinity of Florence, with one corps, on the north side of the river. The condition of the roads prevent active military operations, and the rebel army remains comparatively quiet.

The Nashville Whig says Judge Wright of Ga., recently a member of the Richmond Congress, has passed through Nashville to Washington to see what can be done towards bringing about peace.

Butler, in a speech at New York, on Monday evening, said the Government might now proffer the olive branch to the rebels, tendering amnesty to them and their leaders until the eighth of January. If they held out he would favor an unsparring prosecution of the war.

McClellan's resignation has been accepted. Sheridan has been appointed to the position of Gen. Egan, of the army of the Potomac, who was severely wounded by a sharpshooter on Sunday night.

Liverpool dates are to the 5th. The bank of France has reduced its rate of discount to 7 per cent. Spain has sent its ultimatum to Peru, that if full satisfaction be not given, the Spanish squadron will seize the Republic and destroy its fleet.

RICHMOND, Nov. 18.—Baltimore papers of yesterday received. Considerable excitement prevails at Hagerstown, on the Pa. border, from an apprehended raid. Bermuda advices say the Chicamauga arrived with a five fathom hole, for repairs, on the 7th.

She had destroyed a bark and two schooners in addition to those previously reported. The trial of the St. Alban raiders has been postponed to the 14th of December. A later arrival from Europe brings confirmation of the departure of Semmes from the Bay of Finichall on an armed vessel, called "New Alabama."

FROM GEORGIA. ENEMY'S MOVEMENTS. MACON, Nov. 18.—The excitement in town has somewhat subsided. No definite intelligence of the whereabouts of the enemy; supposed in the neighborhood of Griffin burning everything in their road. They will meet a warm reception if they attempt to come here.

FROM THE FRONT.

There was some little activity on the extreme right yesterday morning, but as the day advanced, the usual quiet was restored. Cannonading was quite brisk for a while, which led to the supposition, in the city that skirmishing, if not actual fighting, was in progress. These reports were groundless, however, as the Yankees neither advanced, nor showed any disposition to do so.

The Yankee sharpshooters on our right are daily practising with their long range rifles. This is done under orders from Headquarters, that in the time of battle they may prove effective in picking off our officers and gunners. At times the practising of these fellows sounds like the brisk reports of a skirmish.

The Yankee pickets reported yesterday morning, that Best Butler had been killed in a street fight in New York. They repeated it with such emphasis that there may be some truth in their statement. No event would be more pleasing to Southern ears than the death of this inhuman monster, who has done more to bring obloquy upon civilization and Christianity, than any other member of his race. The cruelties he has practiced, the murders he has perpetrated, the suffering he has caused, and the abuses of every description he has favored, would weigh down the conscience of any mortal man, not supported by the arch fiend.

We are inclined, however, to doubt the report, mainly for the reason that a man born to be hung will die no other death. We fear it is but on a level with that other rumor waited here on the winds and whispered in the ears of the credulous, that Gen. McClellan, at the head of ten thousand men, was marching on Washington.

Matters still remain quiet on the Petersburg lines, but it is our opinion, should this fair weather continue, that Grant will make yet another effort to reach the South-side railroad, before he gives over the job. He will not escape so easily the next time.—Pet. Express.
