MEETING OF THE BOARD OF ALDERMEN.

Several Important Matters Discussed.

The Board of Aldermen met in regular monthly session Monday night with Mayor McMillan presiding and the following members present: N. E. Bunting, W. L. Hawley, T. H. Mantis, J. G. Hollingsworth, D. M. Fairley, N. B. Alexander, R. E. Buckingham, J. A. Pemberton, J. B. Underwood, Jr., B. C. Gorham.

The committee appointed by the Chamber of Commerce, consisting of Messrs. H. McD. Robinson, E. H. Williamson and A. H. Bloom, appeared before the Board and asked that the Board of Aldermen appropriate \$150 to the Chamber of Commerce to help defray the expense of issuing the proposed pamphlet setting forth the advantages of Fayetteville and Cumberland county.

On motion of Alderman Alexander, seconded by Alderman Hollingsworth, the Board voted to allow the Chamber of Commerce the amount asked for.

Mr. J. S. Maulsby appeared before the Board and asked that the ordinance relating to obstructing the sidewalks with chicken coops be enforced. The mayor was instructed to see that same was done.

Alderman Hawley offered the following resolution, which was adopted: That the Board of Aldermen of the city of Fayetteville do hereby request and urge upon the Fayetteville Water Light and Power Company that they have a telephone put in at their water works plant, located at Glenville, at as early a date as possible, the Board believing that such action will better protect the property of the city and its citizens in case of fire.

The Mayor stated that he had \$7,110 on deposit awaiting the action of the light committee.

Alderman Hollingsworth moved, and it was seconded, that this money be turned over to the treasurer and he should keep it as a separate deposit, subject to the call of the light committee with the approval of the Board of Aldermen.

Alderman Pemberton moved that the light committee be instructed to find out the quickest and most feasible plan to light the city and report to the next meeting of the Board of Aldermen, and this motion prevailed.

Alderman Hawley asked in behalf of our former night policeman, Mr. J. W. Maulsby, that the city furnish an attorney to properly present his petition before the Governor, which has been signed by the citizens and aldermen of Fayetteville.

Alderman Underwood moved that the city attorney go to Raleigh to represent Mr. Maulsby, and it was so ordered.

Alderman Alexander moved, and the motion prevailed, that the Mayor and finance committee be instructed to negotiate the sale of the \$8,000 electric light bonds and that the city attorney draft an ordinance providing for the sale of same.

The bond of Mr. J. D. Brown, city tax collector, was presented to the Board, and on motion, it was referred to the Board of Audit and Finance, subject to their and the city attorney's approval.

Sixty-eight coupons, amounting to \$850 that have been paid, were burned.

The annual statement of receipts and disbursements of the city of Fayetteville for the past twelve months was presented by the Board of Audit and Finance; also a statement showing the city's special liabilities for the coming year, which the Board approved. This statement shows that \$816 08 had been expended on our lights for the past year.

Special Meeting of County Commissioners. The county commissioners held a special session Tuesday to receive the tax books from the several township list takers. Capt. A. B. Williams presided and Messrs. J. J. Ballard and W. H. Downing were present.

The following townships handed in their books: Gray's Creek, Rockfish, Pearce's Mill, Quash Hill, Little River, Carter's Creek, Cedar Creek, Flat Hill and Beaver Dam.

The committee appointed by the Chamber of Commerce—Capt. A. B. Williams, F. B. Rose, H. McD. Robinson and E. H. Williamson—appeared before the commissioners and were appropriated \$150 to the Chamber of Commerce to help defray the expense of issuing the proposed pamphlet, setting forth the advantages of Fayetteville and Cumberland county.

To the State Convention. The following Cumberland delegates left Tuesday for Greensboro to attend the State Convention: Messrs. E. J. Hale, Capt. J. H. Currie, Capt. J. D. McNeill, Dr. E. W. Lilly and Messrs. N. A. Sinclair, J. K. Williams, W. D. Gaster, Duncan Shaw, I. A. Murehison, A. D. McGill, G. M. Rose, J. B. Underwood, D. H. Ray, Q. K. Nimocks, W. A. Vanstony and L. B. Hale.

Oak Ridge Institute starts on her second half century September 1st. This school had 239 boarding pupils last year, and claims to be the largest preparatory and fitting school in the South for young men and boys. Young men, and parents with sons to educate, would do well to examine the beautiful catalogue before deciding the matter of patronage the coming year. The school, while not of the cheap John variety, offers the best advantages at reasonable terms.

The Marquis of Salisbury has resigned the premiership of Great Britain and Right Hon. A. J. Balfour, the First Lord of the Treasury and government leader in the House of Commons, has been appointed to succeed him.

WRECK ON THE SEABOARD AIR LINE.

Engineer James Watson Killed.

A telegram was received here Tuesday a. m., stating that Mr. J. R. Watson, engineer on the Seaboard Air Line, was killed in a wreck on that road early to-day. No particulars were stated.

Mr. J. A. King and Mr. and Mrs. Ralph King left on the noon train for Raleigh to attend the funeral.

Mr. Watson, who formerly worked with the C. F. & Y. V. in this city, married Miss Lizzie King, who, with four children—three boys and one girl—survive him. One of these sons, Mr. John Watson, is well-known in Fayetteville, having been employed in the drug store of his uncle, Mr. Ralph King, for several years.

At 3:15 this afternoon we received the following special telegram of the sad accident: Raleigh, N. C., July 15th.

Engineer James Watson, white, running No. 34 north-bound S. A. L. passenger train, was killed in an accident three miles north of Raleigh at 2:25 this morning. A car, loaded with lumber, was allowed to come way yet unaccounted for to roll out of the Johnson street freight yard down a four-mile grade, and Watson's engine ran into it at full speed. Beams of timber crashed into the cab, one striking the engineer in such a way as to break his neck. He died instantly. The engine is badly damaged.

4TH CONGRESSIONAL CONVENTION. The Fourth Congressional District Convention, in session here one hour and thirty minutes, nominated Ed. W. Poy to succeed himself in the 58th congress, and adopted the platform declaring for the return to its old time principles as enumerated by Jefferson, Jackson, Tilden and other good leaders.

Cumberland Summer School. So far, the summer school for the teachers of Cumberland county—presided over by Prof. Cole, superintendent of public instruction, assisted by Prof. J. A. Jones and Mr. Arthur and Mrs. Kate Uley—has been marked by gratifying success, both in the numbers attending and in the interest manifested.

There have already been a day and a half of hard work in arithmetic, grammar, spelling, geography, history and the primary branches, distributed as follows: Prof. Cole, geography; Prof. Jones, arithmetic and grammar; Prof. McArthur, history; Mrs. Uley, primary. This is supplemented by forceful and interesting discussions on pedagogy, etc.

The sessions open with pleasant song and devotional exercises, Rev. S. J. Porter, pastor of the First Baptist church, conducting the services this morning with prayer and reading. There are between eighty and ninety teachers present.

The following were among those who attended: Mrs. Kate Uley, Misses Eliza Williams, Ethel Wicker, Bettie Evans, Alice Gardner, Fayetteville; Miss Nellie Cook, Wilmington; Misses Ethel Hall, Louis Marsh, Alderman; Miss Cora Gainer, Rosin; Miss Mattie E. Sossos, Steadman; Miss Novella Williams, Dunn; Miss Stella Pate, Alderman; Misses Henrietta Holmes, McPherson, Fayetteville; Miss Mary McNeill, Alderman; Miss Gertrude Fisher, Rosin; Mrs. McKinnon, Red Springs; Miss Mattie Bain, Godwin; Miss Annie Thagard, Rosin; Miss Vada Royal, Salem; Miss Bertie Pope, Godwin; Mrs. Florence McDonald, Godwin; Miss Mittie S. Fisher, Roseboro; Mrs. Carrie Nimocks, Fayetteville; Misses Edith Marsh, Marian Marsh, Alderman; Miss Isabel Gordon Nimocks, Fayetteville; Miss B. McIntyre, Godwin; Miss Bessie McIntyre, Godwin; Miss Dora Bryant, Steadman; Miss Stella Bryant, Steadman; Miss Minnie Sossos, Vander; Miss Esphie Aury, Steadman; Miss Lucy Calbreth, Fayetteville.

E. D. Sneed, Cotton; W. R. King, Jr., Clinton; G. W. Goodrich, Hays; Henry E. Thompson, Cotton; J. B. Pope, Steadman; Clay Fork; J. B. Harrell, O'g's; D. R. L. Malver, Fayetteville; E. B. Porter, Cotton; H. L. Averitt, Steadman; T. H. Williams, Dunn; John T. Bledsoe, Corneils; Grant Hall, Dismal; James Vinson, Roseboro; Andrew J. Hall, Clay Fork; V. J. Hall, Clay Fork.

A Suggestion. Mr. Editor: Seeing our city aldermen have appropriated and assigned to the Chamber of Commerce \$150 to help defray the expense of a publication setting forth and being a circular or leaflet, costing \$500 or \$1,000, showing growth and advantages why and wherefore of the city are indicative, I would suggest, and why not an increase of offer, say, \$25 for the best gotten up leaflet to said end, approved by a committee of three leading business men, same to be passed on by numbers, authors to be unknown.

Respectfully submitted, U. A. THOMPSON. City, July 15, 1902.

Cumberland Local. July 14th, 1902. Mrs. Maggie Grady, of Goldboro, arrived at Cumberland Sunday to be the bed side of her father, Mr. Thomas Springs, who is critically sick with fever at his home near Cumberland land. Mr. Springs is a brave old Confederate soldier, and was a member of Co. C, 3d N. C. Regiment, and was shot through both lungs at the battle of Millers Hill. Other cases of sickness are reported, but probably not as serious as the above.

D. J. Parker is at his father's, S. R. Parker, pretty sick, and under the care of Dr. Highsmith, of Hope Mills.

Vacation Days. Vacation time is here and the children are fairly living out of doors. There could be no healthier place for them. You need only to guard against the accidents incidental to most open air sports. No remedy equals Dr. Williams' Pink Pills for pale, thin, weak, nervous, or ailing people.

A Terrible Dakota Storm. By telegraph to the Observer. St. Paul, July 16.—Reports—belated because the telegraph wires are down—announce the destruction of three towns, with great loss of life resulting, from the tornado which swept over northeastern North Dakota last night. Borup, Thompson and Emerald are the cities razed, and thousands of acres of grain are destroyed. The storm came from the Canadian borders, sweeping a cattle train bodily from the tracks. The path of the storm was unusually wide. The exact loss of life and damage are unknown.

CUMBERLAND HONORED.

Meeting of Sixth District Convention in Greensboro.

GREENSBORO, N. C., July 16th. To Observer, Fayetteville, N. C.: The sixth district convention has just been held, Cumberland triumphing in the election of J. B. Underwood, Jr., as a member of the State executive committee, over W. H. Bernard, of New Hanover. There were only five nominations made for the four members to which the district is entitled. D. H. McLean, of Warren, received 287 votes; David Stone Covert, of Columbus, 275 votes; Underwood, of Cumberland, 272 votes; A. W. McLean, of Robeson, 270 votes; W. H. Bernard, of New Hanover, 139 votes. The first four were declared elected.

Cumberland scored another triumph in the election of N. A. Sinclair as platform committee man. On motion of Mr. Sinclair, ex-Judge E. K. Bryan, of New Hanover, was elected vice-president of State convention from sixth district. H. L. Goodwin, of Harnett, on motion of Mr. Sinclair, was elected credential committee man; G. Herbert Smith, of New Hanover, Cumberland voting for him, was elected committeeman on organization.

The caucus of the Cumberland delegation last night was most harmonious. Hon. Geo. M. Rose was made chairman of the delegation, on motion of Major Hale. Mr. Q. K. Nimocks declared that he had no fight against Major Hale, and that he accepted the ruling which the Cumberland county convention, in its wisdom, had adopted in regard to the rule; that his action was acceptable to him, and that he would abide by it.

L. B. HALE. Sooner Promoted. During the very pleasant gathering of the Independent Light Infantry battalion in the Armory on Monday evening, Maj. B. R. Huske, presiding, revealed a scrap of the company's history which is well worth preservation in the memory of its people.

In the early part of April, 1898, after the explosion of the battleship Maine in the harbor of Havana, while things looked ugly, but before hostilities began between this country and Spain, Maj. Huske, then commandant of the Fayetteville Independent Light Infantry, notified the Governor of North Carolina that, while not a part of the State Guard, his command was ready with its services whenever needed.

To this a response was received through the office of the Adjutant General that the services of the company would not be asked. This assurance was repeatedly given until late one Friday night, when a sudden and urgent call for the corps came from Raleigh; and, although taken unprepared, with his tanks, there was such push and energy displayed by both officers and men that, on the following Wednesday, all ready and with a full complement of soldiers, the company was on the train, bound for camp at the State capital.

Friars' Lands Negotiations. By cable to the Observer. Rome, July 16.—Tait informed the Cardinals today that negotiations regarding the Friars' land in the Philippines were over in Rome. He hopes for settlement at the conference with the Apostolic delegates in Manila.

Grain Conditions Fine. By telegraph to the Observer. New York, July 16.—Wall Street today received reports from all the markets of the grain belt, showing the conditions perfect for an unusual harvest. Kansas' estimate is 300,000,000 bushels. There are bright prospects in Iowa, Minnesota, Oklahoma and Nebraska.

Oil Fire in Louisiana. By telegraph to the Observer. Jennings, La., July 16.—The flames in the Jennings oil fields, which lighted up yesterday afternoon, and to which it set fire, are still uncontrolled today, and are one hundred thousand barrels of oil have gone up in smoke. The blaze started in derick well No. 2 of the Jennings Oil Co., and the flames leaped up one hundred feet. Twenty thousand dollars are offered to extinguish the fire. The city is frenzied.

King Edward at Cowes. By cable to the Observer. Cowes, Isle of Wight, July 16.—A bulletin issued at noon says: "His Majesty bore the journey from London to Cowes extremely well, and suffered no inconvenience in the process of moving. He had a good night's rest and his general condition is excellent; he is much gratified at the change of air and scene. The King had his coach wheeled to the open deck for two hours yesterday afternoon." Treves, Laking, Backhart.

A Mine Horror in Utah. By telegraph to the Observer. Salt Lake, Utah, July 16.—A magazine on a twelve foot level of the Daly west mine, Park City, exploded early today while one hundred and fifty men were at work in the mine, which is one of the largest silver producers in Utah. Twenty-four, killed near the entrance, and twenty-one, fatally injured, have been removed. One hundred and five remain inside, whose fate is unknown. The tunnel is full of gas, and it is impossible to penetrate far into the mine. All available physicians have been hurriedly sent to the scene, and bands of volunteer nurses have been organized to treat the wounded.

A Terrible Dakota Storm. By telegraph to the Observer. St. Paul, July 16.—Reports—belated because the telegraph wires are down—announce the destruction of three towns, with great loss of life resulting, from the tornado which swept over northeastern North Dakota last night. Borup, Thompson and Emerald are the cities razed, and thousands of acres of grain are destroyed. The storm came from the Canadian borders, sweeping a cattle train bodily from the tracks. The path of the storm was unusually wide. The exact loss of life and damage are unknown.

Pleasant Meeting.

Monday night there was a very pleasant gathering of the Reserve Corps, Capt. R. G. Haight, and Co. A, of the Independent Light Infantry, Maj. J. G. Hollingsworth commanding— and a meeting partly for business, and partly for social diversion.

Maj. Benj. R. Huske, ex-Commandant, presided, and briefly but clearly explained the object of the meeting, and he was followed in interesting talks by Capt. J. B. Tillinghast, Serjt. John H. Anderson, Rev. I. W. Hughes, Captain, Capt. E. R. McKethan and Mr. H. McD. Robinson.

Capt. J. C. Huske, chairman of the reception committee, did the honors in dispensing refreshments, and the Glee Club of the Corps gave fine vocal and instrumental music. Altogether, it was a very pleasant evening.

Miss Lona Wade, of Florida, is visit at Mrs. Alex. McArthur's on Ramsey at night.

Could Not Lie Down.

Sit Up or Stand, Without Experiencing the Most Excruciating Pain.

Paine's Celery Compound. After the Failures of Physicians, Special Medicines and Electric Battery, Banishes Pain and Tortures and Restores Health.

In the ranks of sick, tortured, and diseased sufferers, many men and women have become hopeless because of the failures of physicians and their medicines.

We would have all such dejected and despairing mortals take comfort this very day. We would impress upon them the blessed truth that Paine's Celery Compound is abundantly able to save and cure even at the eleventh hour. Paine's Celery Compound accomplishes its life-saving work for the old and young when all other medical treatment fails. A multitude of people have furnished strong and incontrovertible testimony in support of the statement that "Paine's Celery Compound makes sick people well." Mr. John W. Boyd, of Misshawkes, Ind., refers to his own case as follows:—

"Last winter I was taken down with a very severe attack of nervous and muscular rheumatism, so bad that I could not lie down, sit up or stand, without the most excruciating pain. I was all the time under the care of two of the best physicians of the place, but I did not improve. I took different humatic cures and used an electric battery a half hour each day for ten days without any relief. Finally I concluded to try Paine's Celery Compound, and to my surprise after using only half of a bottle, I was able to get out, and before I used the whole bottle I went to work and have worked every day since. I have gained 20 pounds in weight and am feeling first rate."

Mill Was Here Before the Town Was. Mill Will Be Here When the Town Ain't. THE OLD RELIABLE MERCHANT MILLS. Headquarters for Bread and Mill Supplies.

EDITOR OBSERVER: I know it rounds strangle for a man to ask his customers to give him a rest and trade elsewhere for a while. But really, the superiority of my goods, and the price at which I have been selling them, has created a demand for "Merchant Mills" products. That is far ahead of my capacity to supply, &c.

In addition, the new crop of wheat is now being harvested, and will require the bulk of the time of the mill, night and day, to accommodate my patrons, many of whom come in wagons 15 to 30 miles to mill in order to get my O. K. FLOUR for their wheat.

This extra demand upon my capacity absolutely compels me to restrict my wholesale trade for a while. In the meantime, I will try and maintain stock enough to supply my regular trade at the mill at the popular prices always to be obtained here.

I'll do my best to supply the best bread making material and high-grade feed stuffs to those who have so generously patronized me for the past 30 years.

Respectfully, JAS. D. McNEILL
