Chairman Frank McNeill Here on Complaint of the Truckers.

The local truckers have had great trouble ever since the season opened in making their shipments north. The express company does not leave near enough cars here to be loaded and as No. 80, the northbound midday train will stop here only 8 minutes, hundreds of baskets of lettuce and other truck, are frequently left be hind. In consequence of this state of affairs, the Truckers' Association telphoned Hon. Franklin McNeill, chair man of the Corporation Commission, to come to Fayetteville at once. They received a reply at noon from Mr. Mc-Neill saying that he would arrive in Fayetteville on the 4:30 o'clock train this afternoon. We hope that Chairman McNeill will find a way to put a stop to this most unsatisfactory and almost ruipous state of affairs.

Superintendent J. A. Jones Honored. Prof. J. A. Jones, superintendent of the Fayetteville graded schools, has been elected instructor in mathe matics in the Inter-State Normal and Socialogical Congress, to be held in Norfolk this summer in connection with the Jamestown Exposition.

His many many friends of this city and of North Carolina as well will be glad to learn of this merited compliment to Prof. Jones, who has taught mathematics in our State summer schools for five years-in the A. & M. summer school, Raleigh, and in the University summer school. Last year when these schools were incorporated into one school known as the North Carolina State Summer School, Prof. Jones was given the chair of mathe matics.
