TWO IMPORTANT

CASES SETTLED.

Oil Milis Submit and Are Fined. Two cases that have attracted State wide attention, were settled in the Federal Court in Wilmington Saturday. These were the cases against the Laurinburg Oil Company, of Laurinburg, and the Lumberton Cotton Oil and Ginning Company, of Lumberton, Both of the cases having been called for trial Saturday, submissions entered, and after a heavy fine had been imposed on each corporation the cases were nol prossed.

The fine against the Laurinburg company amounted to \$10,000. In the ndictments against that company there were eight counts, the maximum penalty in each count having been \$5,000. A nol pros was entered as to the officers and directors of this company, who are as follows: J. A. Jones, president and treasurer and Messrs. John F. McNair, A. L. James, A. D. McKinnon and Jas. L. McNair. The company was represented by former Congressman G. B. Patterson.

A fine of \$5.000 was put on the Lumberton company and a nol pros entered as to the officers and directors, except as to the manager and superintendent, Mr. R. E. L. Corel, whose case was continued and a capias issued. The officers of this corporation are W. J. Prevatt, president; R. E. L. Corel, superintendent and manager; G. M. Whitfield, treasurer; and Messrs. J. G. McMillan, R. D. Caldwell, G. B. Mc-Leod, R. H. Caldwell, W. H. McAllister, Thos. Kinlaw and A. A. James. This company was represented by McLean, McLean and McCormick.

The charges against both these companies were for violations of Section 10 of the Interstate Commerce Commission act which prohibits and penalizes the obtaining of transportation at less compensation than that laid down in the tariffs of railroads.

The indictments grew out of the obtaining of transportation by false report of weight, at a less compensation than that in force on the roads.

Young White Man Arrested for Theft. A good-looking, well-dressed young white man, named C. C. Holland, who stated his occupation as telegraph operator, and assistant station agent for the Aberdeen and Rockfish Railroad at Raeford, was arrested in Favetteville this afternoon, on a warrant charging him with stealing a watch, pistol and razor from Mr. Clarence L. Pember ton. When taken to Police Headquarters he admitted taking the watch and razor, but said he knew nothing of the pistol.

He was bound over to the Crimina lCourt in the sum of \$100, which he has so far failed to give.

Early in April Mr. Pemberton left his grip in the station at Raeford for a few hours. When next he looked into it he found that a handsome gold watch, which had belonged to his grandfather, a pistol and a razor, had been taken from it. He made every effort to discover the thief, but with

At noon to-day a young man called at Prior's jewelry store and tried to swap a gold watch for another one. Mr. Jack Tillinghast, who walted on him at once recognized the watch, and when the young man left without making a trade, he notified Mr. ton. A warrant was sworn out and shortly afterward Chief of Police Benton found the man and carried him to Beasley's jewelry store, where he had taken the watch for the purpose of having the initials on it changed.

The boy, for he is hardly 21 years of age, at once admitted his identity and acknowledged the theft. He has been at Raeford but a few months and previous to that was employed in the A & R. station at Hope Mills.

He says his father is a physician in Clarkton, Va., and that his mother is

THE STATE CHAIRMANSHIP.

To the Editor of the Observer: The editorial article, "The State Chairmanship," in your issue of Sat-urday, 11th inst., must have afforded great satisfaction to all Den apropos and clearly expressed it was. It will appear that the greatest difficulty that will arise in the selection of a new chairman will be in making the choice from out of the "embarass nent of riches" available from the ranks of the party. For instance, "what" (to employ the language of the street) "is the matter with" Hon. C. Buxton, of Winston-Salem; or Hon. Jahn D. Bellamy, of Wilmington; or Hon. James S. Manning, of Durnam; or Hon. E. W. Pou, of Smithfield; or, last, but not least, our own Captain James D. McNeill, of Fay-

etteville? Any one of these gentlemen would ioubtless make an efficient head of the party organization, and the names of many others will likely occur to you and your readers. JOHN R. MYROVER.

THE APPROACHING REUNION. Those Who Expect to

Attend. It is expected that Favetteville and

Cumberland county will send a large number of veterans to the reunion which is to be held in Richmond, this year than ever before. In view of this fact the following will be of interest:

Headquarters Third Brigade North Carolina Division, United Confederate Veterans. Wilmington, N. C., May 9, 1907.

Gneral Orders-No. 12: 1. At the reunion in New Orleans last year, "Old" Richmond won the prize of having the annual reunion of the Confederate Veterans, which will be held May 30th to June 3rd, in clusive. She bids you come with open arms and homes, with as much zeal as in 1861, when in 1861 you went armed to defend her.

2. Veterana who are unable to pay board will be entertained free by the hospitable citizens of Richmond, and should send their names to Captain D. A. Brown, Jr., Richmond, Va.

3. The railroads have made the rate of one cent per mile, good until June 11th. There will be ample facilities for visiting the Jamestown Exposition at cheap rates. Tickets reading to Richmond and return account the Reunion will be good returning from Norfolk

4. It is earnestly desired that every Camp in this Brigade send its full nota of delegates, and in fact tha every member of the Camps attend if it is possible to do so. The close proximity of Richmond to our good old State, the small cost of attending, as well as the happy time in meeting your old comrades in arms, should OVER SHOES in be sufficient incentive to stimulate ev evy true soldier to attend the Reunion

5. The attention of the Camps is called to the fact that it is necessary to remit the per capita tax to Adjutant General Mickle, New Orleans, so as to have recognition.

Women Pay More.

Why Insurance Companies Discriminate Against the Gentle Sex.

If one is to believe the medical examiners the reason a woman pays more for the privilege of life insurance is that she is more commonly a victim of indigestion and stomach troubles and the fatal ailments that spring It is not the acute attacks of dis-

ease that influence the insurance examiners alone, but the constant feelaminers alone, but the constant feelings of weakness, headache, indigestion and stomach trouble. These things, physicians say, kill more people than many of the serious diseases. For curative power in all stomach troubles nothing else is as safe yet effective, nothing else can be so thoroughly relied upon to relieve all troubles of indigestion as Mi-o-na. It is unlike any remedy heretofore known; it is not a mere digestive tablet; it it is not a mere digestive tablet; it strengthens and restores to natural action the stomach and bowels and makes a complete cure in even the worse form of stomach troubles.
