

Look It Literally.  
It is told of the late Chancery Shaffer, who bears the same relation to New York's "anecdotes" that Sydney Smith does to London's, that he employed in his law office a stunted youth of very tractable temperament.  
One day Mr. Shaffer returned from lunch in a lively mood and, by token of the madder he had consumed, summoned Billy into his private office.  
"Boy," he said carelessly, "go over to the special term and see what in— they're doing up there."  
The late Judge Brady was presiding over the trial of an action involving many interesting questions of substantive law; hence the courtroom was empty save for the litigants, their counsel and the necessary witnesses. Judge Brady's kindness toward women and children was proverbial, and when Billy stood against the railing of the inclosure, his face barely reaching the bar, the judge noticed him immediately. He interrupted the arguments of counsel and turned to Billy: "Well, my lad," he said in suave, judicial accents, "what can I do for you?"  
"I'm from Mr. Shaffer's office," Billy replied, "and he wants to know what in— you're up to over here."—Success Magazine.

From Out the Grave.  
In the little village of Towin, Hertfordshire, England, there are five large trees growing out of a single grave, and thereby hangs a curious story. On the slab that marks the grave was carved the inscription:  
"Here lieth inter'd the body of the Right Honorable Lady Anne Grimstone, wife of Sir Samuel Grimstone, Bart., of Gohambury, in Hertfordshire, daughter of the late Right Honorable the Earl of Thanet, who departed this life Nov. 22, 1718, in the sixtieth year of her age."  
The village story says that Lady Grimstone, persisting in a lifelong denial of the existence of a God, on her deathbed declared in answer to the exhortations of her friends that if in the other world she found that there was indeed a God five trees would grow out of her grave. The woman died and was buried. Shortly after the interment the five little shoots began to appear, growing constantly until they split the masonry and wrecked the railing about the tomb.—New York Tribune.

Animal Peculiarities.  
A herd of wild Asian buffaloes will charge any foe, even a tiger, to save the life of one of their number that has been wounded. Elephants, baboons and other animals will do the same thing in a wild state.  
On the other hand, monkeys have been known to fall upon one of their number that is ill and drown him, possibly as an act of mercy. Similarly wolves destroy one of the pack that becomes helpless.  
If an otter is trapped, his brother otters will run around him all night, showing the utmost concern.  
A writer in the London Spectator states that he has seen sparrows in groups discussing and lamenting when one of their number had fallen into a trap. Next day, when a robin was caught, the sparrows paid no attention. He adds that he had seen a big pig try to help a smaller one through a hole in the fence piling by pulling at its head.

Chinese Music.  
The Chinese have eight instruments for making their ritual music—the bell, the flute, the drum, the sonorous stone, the fire, the plume, the shield and the ax. The last three make no music, but are used as decoration or emblems in the musical ceremonies and are enumerated as musical instruments. In every ceremony there are always two instruments of each kind, sometimes as many as four or six, never an odd number, in order to emphasize the quality of the Chinese people. For instance, one drum announces the beginning of the music, and its mate strikes the last note; one bell calls, and its counterpart answers.

Why He Felt Happy.  
"Vernon told me this morning," related the lady with the cold blue eye, "that he passed the tree where two years ago he carved your initials and his own and encircled them with a heart. He says he felt so glad he almost danced for joy."  
"Ah," said the tall brunette anxiously, "then he must still love me, after all! Did he tell you why he felt so happy?"  
"Yes, dear. He said some men were cutting the tree down!"

A Is China.  
Mamma—Come now, son, and take your medicine like a good little boy. You know in China all the children take medicine when well to keep them from being sick.

DeWitt's Little Early Risers don't sicken or gripe. Small Pills, easy to take. Sold by Armfield & Greenwood.  
"Regular as the Sun"  
is an expression as old as the race. No doubt the rising and setting of the sun is the most regular performance in the universe, unless it is the action of the liver and bowels when regulated with Dr. King's New Life Pills. Guaranteed by B. E. Sedberry's Son, Druggist, 25c.  
Warning.  
If you have kidney and bladder trouble and do not use Foley's Kidney Cure, you will have only yourself to blame for results, as it positively cures all forms of kidney and bladder disease. McDuflie Drug Store (O. O. Souder, Prop.).  
Kidney complaint kills more people than any other disease. This is due to the disease being so insidious that it gets a good hold on the system before it is recognized. Foley's Kidney Cure will prevent the development of fatal disease if taken in time. McDuflie Drug Store (O. O. Souder, Prop.).

Ortolan Laxative Fruit Syrup is sold under a positive guarantee to cure constipation, sick headache, stomach trouble, or any form of indigestion. If it fails, the manufacturers refund your money. What more can any one do. McDuflie Drug Store (O. O. Souder, Prop.).  
"We never repent of eating too little," was one of the ten rules of life of Thomas Jefferson, president of the United States, and the rule applies to every one without exception during this hot weather, because it is hard for food, even in small quantities, to be digested when the blood is at high temperature. At this season we should eat sparingly and properly. We should also help the stomach as much as possible by the use of a little Kodol for indigestion and dyspepsia, which will rest the stomach by digesting the food itself. Sold by Armfield & Greenwood.  
Men Past Sixty in Danger.  
More than half of mankind over 60 years of age suffer from kidney and bladder disorders, usually enlargement of prostate glands. This is both painful and dangerous, and Foley's Kidney Cure should be taken at the first sign of danger, as it corrects irregularities and has cured many old men of this disease. Mr. Rodney Burnett, Rockport, Mo., writes: I suffered with enlarged prostate gland and kidney trouble for years and after taking two bottles of Foley's Kidney Cure I feel better than I have for twenty years, although I am now 91 years old." McDuflie Drug Store (O. O. Souder, Prop.).  
Don't accept a cough cure that you may be told is just as good as Kennedy's Laxative Cough Syrup, because it isn't just as good—there is quite a difference. Kennedy's Laxative Cough Syrup acts gently upon the bowels and restores the whole system of coughs and colds. Sold by Armfield & Greenwood.  
Hay Fever and Summer Colds  
Victims of hay fever will experience great benefit by taking Foley's Honey and Tar, as it stops difficult breathing immediately and heals the inflamed air passages, and even if it should fail to cure you it will give instant relief. The genuine is in a yellow package. McDuflie Drug Store (O. O. Souder, Prop.).  
Ten Years in Bed.  
"For ten years I was confined to my bed with disease of my kidneys," writes R. A. Gray, J. P., of Oakville, Ind. "It was so severe that I could not move part of the time. I consulted the very best medical skill available, but could get no relief until Foley's Kidney Cure was recommended to me. It has been a Godsend to me." McDuflie Drug Store (O. O. Souder, Prop.).  
Endorsed by the County.  
"The most popular remedy in Otego County, and the best friend of my family," writes Wm. M. Diets, editor and publisher of Otego Journal, Gilbertsville, N. Y. "Dr. King's New Discovery. It has proved to be an infallible cure for coughs and colds, making short work of the worst of them. We always keep a bottle in the house. I believe it to be the most valuable prescription known for Lung and Throat diseases." Guaranteed to never disappoint the taker, by B. E. Sedberry's Son Drug Store. Price 50c and \$1.00. Trial bottle free.

The Limit of Life.  
The most eminent medical scientists are unanimous in the conclusion that the generally accepted limitation of human life is many years below the attainment possible with the advanced knowledge of which the race is now possessed. The critical period that determines its duration, seems to be between 50 and 60; the proper care of the body during this decade cannot be too strongly urged; carelessness then being fatal to longevity. Nature's best helper after 50 is Electric Bitters, the scientific tonic medicine that revitalizes every organ of the body. Guaranteed by B. E. Sedberry's Son, Druggist, 50c.

Let me mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my book on either Dyspepsia, The Heart, or the Kidneys. Address me, Dr. Shoop, Racine, Wis. Troubles of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak Stomach nerves—the inside nerves—means stomach weakness, always. And the Heart and Kidneys as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for bloating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write for my free book now.
