The Board of County Commis ers, who were in session most all day venterday, at a late hour yesterday afernoon, awarded the contract for the ebuilding of the Clarendon Bridge, to the Owego Bridge Co., of Owego,

Their bid as flied, which was published in yesterday's Observer, was \$36,000, with one sidewalk; \$39,500 with two sidewalks.

This was the lowest bid. After some discussion, the Board decided that the sidewalks were not absolutely necessary, and asked the Owego's representative, Mr. Mosley, to submit a bid without the sidewalks, and with lattice-work sides, instead of gas pipe railings.

He then altered his bid to \$33,288, and it was accepted. The bids as sub-

mitted were: CAROLINA ENGINEERING CO. With one sidewalk,\$37,000 With two sidewalks, 41,000 PENNSYLVANIA BRIDGE CO.

On motion it was ordered that an engineer be employed until abutments are built and longer if Committee desires, and that the Chairman and H. Lutterloh be and are hereby appointed a committee with power to act.

It was ordered that a note due the National Bank, on Feb. 4th, for \$2,000 be renewed, and also the note due Feb. 4th, to the Fourth National Bank

It appearing to the Board that it is a public necessity, it is therefore ordered that the Chairman and Clerk of this Board and are hereby author ized to execute a note for \$3,700 to the Owego Bridge Co., bearing interest at 6 per cent., to run for 4 months balance due on Nunnaly Bridge.
