DEATH OF MR. ALEX SESSOMS. One of Pioneer Naval Stores Men of the South. Mr. Alexander Sessoms, one of the pioneer naval stores men of the south, and a man of large means, died in the Highsmith hospital, this city, last Thursday at 2:30 o'clock, aged 77 years. The remains were taken to Stedman, his old home, Friday morning and the funeral was held Saturday.

Mr. Sessoms had been very ill in Waycross, Ga., his adopted home, and came to see his brother, Mr. David Sessoms, at Stedman, in order to see of the change would do him good. He grew alarmingly worse Monday and was brought to the Highsmith hospital that day in a desperate condition, suffering from a complication of diseases.

With him when death came were his son, Mr. Alex Sessoms Jr., of New Mexico, and his sister, Mrs. Cooper, of Jacksonville, Fla. The deceased was twice married, his first wife being Miss Ballard, a sister of Mr. B. P. Ballard, of Savannah, and his second wife, who resides in New Mexico, on account of her health, was Miss Lou Cogdell, of Sampson county. He was a brother of the late Mr. Kelly Sessoms and Mr. David Sessoms, of Stedman, and an uncle of Messrs. Jeff, Ed., Frank and John Sessoms, and of Mr. Alex Sessoms, of Bonifay, Fla.

Mr. Sessoms was one of the best known naval stores men in the south, having left Cumberland forty years ago to follow the turpentine and timber business, which was then turning in that direction. He accumulated a great fortune and made many friends. He has vast property interests scattered over the south and has a million-acre cotton ranch in New Mexico.

GODWIN RE-NOMINATED BY IM-MENSE MAJORITY.

He Carried All the Counties But One. Raleigh, N. C., Sept. 16, 4 p. m.—Robeson gives 17, out of 23 precincts, Godwin 1,787, Clark 447, Columbus, all but two precincts, gives Godwin 1,253, Clark 372. Bladen, no figures—Clark's majority about 250, Brunswick, no figures—Godwin big majority, Godwin's total majority, over 4,000.

Friday's news from the several counties in the District only adds to the majority given Godwin over Clark, as published in the morning papers. Robeson county gives Godwin a majority of 1,800, and Harnett 950. The result in the other counties is not materially changed, except Cumberland, which gives Godwin 400 instead of 300 majority.

Robeson was the banner county, as will be seen from the following from Friday's Lumberton Republican: "Up to 12 o'clock tonight returns indicated a majority of about 1,800 in Robeson for Godwin. The vote in the precincts received were as follows, first figures being Godwin votes, second Clark: Black Swamp 91, Blue Springs 99, 28; Lumberton, 253, 134; Lamber Bridge, 114, 22; Maxton, 39, 106; Parkton, 75, 22; Pembroke, 123, 15; Red Springs, 140, 49; Raft Swamp, 67, 60; Saddle Tree, 98; St. Pauls, 97, 21; Thompson No. 1, 222, 21; Thompson No. 2, 86, 8; White House No. 1, 183, 8; White House No. 2, 97, 16. Godwin's majorities in the following townships are estimated as follows: Alfordville 65, Burnt Swamp 65, Britt's 25, Howellville 75, Orrum 20, Sterling's 60, Smith's 60, Wishart's 50."

Friday afternoon Mr. J. C. Clifton, manager of Mr. Godwin's campaign, claims that Mr. Godwin had carried the entire district by a majority of not less than 5,000. Brunswick county gives Mr. Godwin a majority of 500, while Bladen is claimed for Mr. Clark by 200 majority.

The Vote in the District. Wilmington, Sept. 15.—Hannibal L. Godwin, of Harnett county, was nominated for congress in the sixth district today in the special primary, over Oscar L. Clark, of Bladen county, by a majority of about four thousand. Every county in the district having gone for Godwin, except Bladen, which probably went for Clark by a majority of about two hundred and fifty, but complete returns could not be obtained tonight. The victory of Congressman Godwin is overwhelming, and is far greater than expected by his most earnest supporters.

Robeson gave by far the largest majority, incomplete returns indicating that Godwin received a majority of fifteen hundred and the vote received by Clark was very small. In New Hanover Godwin's majority is 470. In Harnett Godwin's majority is about nine hundred. Columbus gave Godwin a majority of about eight hundred and fifty. Cumberland gave Godwin a majority of about three hundred. Brunswick will give Godwin a majority of in neighborhood of five hundred, although only a few townships were heard from tonight. In Smithville township, Southport, Godwin received one hundred and sixty-six votes and Clark one vote.

What attitude will be pursued by many leading Democrats is hard to tell and it is freely predicted that the Democratic vote in the approaching election will be one of the largest in years.

Robeson Heavy for Godwin. Lumberton, N. C., Sept. 15.—Incomplete returns from seven of the twenty-three townships in Robeson give H. L. Godwin a majority of 1,249 over O. L. Clark in the primary election here today. Godwin receiving 1,787 votes and Clark 447.

The remaining townships to be heard from are very small and will not change the vote materially. The primary passed off very quietly here, only three men being challenged. Complete returns may change the majority of Godwin slightly, but there is no doubt but that his majority will be a safe one. In previous primary Godwin received seventy-six per cent. of the total vote.

Harnett Goes for Godwin. Lillington, Sept. 16.—Godwin carries Harnett by a large majority, the complete returns give Godwin nine hundred and fifty, Clark one hundred and fifty, and five.

GODWIN CARRIES CUMBERLAND BY BIG MAJORITY.

Very Heavy Vote Cast. Hannibal L. Godwin carried Cumberland county in last week's Congressional primary over Oscar L. Clark by a large majority. The vote cast was a heavy one, surprisingly so, considering the fact that the polls were open only six hours instead of 12 hours, as is the custom.

The result in Cumberland and throughout the District is a complete vindication of the primary system, and will be an object lesson to the whole State. Instead of the bitterness predicted by some, the best of feelings prevailed.

Godwin carried all four of the Cross Creek (Fayetteville) precincts, and all but five of the twenty-three in the county. The vote by precincts was as follows:

Table with 3 columns: Precincts, Godwin, Clark. Rows include Blue's Sand Hills, Black River, Cross Creek No. 1, etc.

Hope Mills No. 1, 18 55 40

Table with 3 columns: Precincts, Godwin, Clark. Rows include Hope Mills No. 2, Cedar Creek, Gray's Creek, etc.

THE VOTE OF CUMBERLAND IN CONGRESSIONAL PRIMARY.

As Officially Announced by the Board of Canvassers. The Board of Canvassers, consisting of the Registrars of the Congressional primary held throughout the county, met at the court house Saturday with County Chairman R. H. Dye Esq., and organized by electing Hon. W. L. Williams chairman, and Mr. Archie Brown secretary.

All of the twenty-three precincts were represented, and as each was called, the Registrar handed in the official returns, signed by himself and the two poll-holders, and they were tabulated, and then the whole was signed by each of the twenty-three Registrars.

Clark men and Godwin men were in the best of humor, and all agreed in various neat little speeches that the primary had been absolutely free from bitterness, and had strengthened the Democratic party wonderfully. Several of the speeches were of a high order, and displayed a lofty party spirit. It was delightful to a Democrat to be present at such a meeting.

While all this was going on in the Commissioners' room, Iredell Meares was making a speech to the Republican County Convention in session in the Superior Court Room above. His speech fell very flat, and but for the occasional playing of a brass band, secured for the occasion, it would have been as if a funeral was in progress.

The result of the canvass of the returns, as given below, shows that Hon. H. L. Godwin received 953 votes and Hon. O. L. Clark 541, giving Godwin a majority of 412 votes out of a total of 1494. This is a surprisingly heavy vote, in view of the fact that the Democratic vote in the last election was only 1,900, and then the polls were open 12 hours instead of 6, as was the case in this primary election. Furthermore, no speeches were made and the vote was only on the Congressional nomination, whereas, when the 1900 votes was cast, all the county nominees were being voted for, and personally interested in getting out a large vote.

There is no shadow of a doubt but that Mr. Godwin will get a much larger vote in Cumberland than he did two years ago.

Table with 3 columns: Precincts, Godwin, Clark. Rows include Black River, Blue's Sand Hills, Bullard's Mill, etc.

CONGRESSMAN GODWIN.

As a result of the primary in the Sixth District, Hon. Hannibal L. Godwin, of Harnett, is the Democratic nominee for Congress in that district. This nomination is given him by a very large majority in the primary, that was fairly and honestly conducted. It settles the honest differences of opinion between the Democrats of that district and will secure him the solid support of the tried and true Democracy of the Cape Fear.

Mr. Godwin has served two terms in Congress. He has been active in every effort to serve his constituents, has kept in close touch with them and with their wants, and has left no stone unturned to represent their interests. The vote he received shows that he has won their favor and that the people of the district approve his zeal and desire to truly serve every constituent. He will make an active and winning campaign.

All together now for such big majorities as will bury Butlerism and send ten Democrats to Congress from North Carolina to overthrow Cannonism in American public life! Godwin's Statement. A special from Dunn Saturday said: "Your reporter saw Congressman H. L. Godwin today and asked him what he had to say in regard to the returns from the Congressional primary yesterday. He said: 'I believe my majority will be around five thousand and I feel profoundly grateful to all my friends in the district for their loyal support. The contest has been sharp, but without bitterness, and I have no feeling in my heart against any man on the other side. It will be my purpose to make a vigorous campaign and try to roll up a large majority for our party. But, above all, do not fall to say in your papers that I am deeply gratified at the faithful work of my friends.'"

GODWIN'S OVERWHELMING MA-JORITY.

The vote of the primary in the Sixth Congressional District on Thursday was officially canvassed by the boards in the various counties of the district Saturday and show Mr. Godwin's majority over Mr. Clark to be 4,502. The vote in the various counties as officially reported is as follows:

Table with 3 columns: Counties, Godwin, Clark. Rows include Harnett, Bladen, New Hanover, Brunswick, Columbus, Cumberland, Robeson.

Republican County Convention in Ses-sion.

The Republican convention for the nomination (really ratification of a slate selected by a few leaders last night) assembled last Saturday and was called to order by Chairman C. C. McClellan.

Many familiar faces were missing; there was no enthusiasm, whatever. It was like somebody had thrown a wet blanket over the assemblage. They must have heard from the splendid Democratic vote rolled up in the Sixth District primary, Mr. Godwin's majority alone being enough to overcome the total Republican vote in the district, and it is possible they had also heard from Maine, Vermont and other elections.

RESOLUTIONS OF RESPECT

Passed by Cross Creek Lodge, No. 4, I. O. O. F., in Honor of Bro. F. Murray, Deceased.

In the noontide of life and the active vigor of manhood, Brother F. Murray was, without fear or warning, on the 25th day of August, 1910, in the 58th year of life, called hence to receive the reward he had merited by a life of faithful service in the discharge of his duty to God and man.

The shock to his many friends and the community, caused by the news of his sudden death, was attested by expressions of regret and ministrations of service to the deceased and family. Brother Murray had been for ten years an honored and active member of Cross Creek Lodge, and while in this city, for the last thirty-four years, was a faithful and efficient employee of the Atlantic Coast Line Railway Co., which position he had ably filled for the last thirty-five years, during which the company has not had in their service one who performed his duty with greater satisfaction to all than Captain Murray.

In the death of this worthy brother, Cross Creek Lodge has sustained a severe loss and cherishes a fond recollection of his pleasant association with all relations as a brother; his family, a loving and genial father and husband; the community, a valuable and honored citizen, and he who was in need of sympathy, a true friend.

Resolved, That the lodge express our fraternal sympathy for the family in this the trying hour of affliction and commend them for consolation to the Father of all Creation, who takes no pleasure in the afflictions of any, but doeth all things well.

Resolved, That the usual badge of mourning be worn for thirty days and the virtue of true manhood be emulated by those who survive him.

Fraternally, J. M. LAMB, D. GASTER, W. J. BOONE, Committee. Death of Mr. John M. Julian. John M. Julian, editor of the Salisbury Evening Post died at his home at Salisbury at 5 o'clock Friday afternoon.

Great News For Fayetteville

Corporation Commission Declares For Union Depot. The following telegram received Friday afternoon from Major J. Hale, Chairman of the "new passenger station" committee, will cause great rejoicing in Fayetteville:

Raleigh, N. C., Sept 16 The North Carolina Corporation Commission today declared in favor of a new union station for Fayetteville.

THE NEW UNION STATION FOR FAYETTEVILLE.

To Be Erected A Little North of the Present Structure. Friday afternoon's Observer contained a telegram conveying the bare statement that the Corporation Commission had declared for a new union station for Fayetteville.

Last Saturday's Raleigh News and Observer gives a full account of the hearing, as follows: Fayetteville is to have a modern union passenger depot. That is the net result of a conference held here yesterday in which there took part before the North Carolina Corporation Commission representatives of Fayetteville and representatives of the Atlantic Coast Line.

There are two ways in which the union passenger depot is to come: first, by the railroad as the result of his expressed opinion of the Corporation Commission; or, second, by an order of the Commission putting into effect its declaration of yesterday that it was of the opinion that the Atlantic Coast Line should build a new passenger depot instead of remodeling the present structure.

At the conference yesterday, there were present as representatives of the Chamber of Commerce and citizens of Fayetteville, Maj. E. J. Hale, Mr. Q. K. Nimocks, Dr. H. W. Lilly, Mr. R. H. McDuffie, Mr. T. G. McAllister, Mr. C. C. McAllister, and Mr. Thomas E. Badger, while the Atlantic Coast Line was represented by Mr. George B. Elliott, of Wilmington, assistant general counsel, and Mr. W. F. Newell of Rocky Mount, general superintendent. There was present, also, Mr. John A. Mills, president of the Raleigh and Southport Railway. These parties and the Commission talked over matters at length, the views of the citizens and the railroads being presented and discussed.

For the railroad, Mr. Elliott spoke of the plans it had for remodeling the present station and that as the final cost of the changes which the road proposed to make the amount would be in the neighborhood of some \$22,000. He expressed the view that by this means there would be given to Fayetteville satisfactory and adequate passenger depot facilities.

For the committee, there were remarks by Maj. Hale, Mr. Q. K. Nimocks, Dr. H. W. Lilly Mr. C. C. McAllister and others. In these it was set forth that the present depot is inadequate and entirely unsatisfactory, the general surroundings ill arranged, and that with actual physical connection, the Atlantic Coast Line and the Raleigh and Southport each has inadequate depots at distances apart. The plan for a remodeling of the Atlantic Coast Line depot was held not to be at all satisfactory, that the location did not suit and that what is needed in Fayetteville is a new and modern depot on the line of those constructed by the Atlantic Coast Line at Goldsboro and at Florence, S. C.; that the Atlantic Coast Line had practically two roads coming in, the main line and the former Cape Fear and Yadkin Valley, while the Raleigh and Southport had a separate line. The committee set out the needs of Fayetteville and urged upon the Commission the absolute need of a new and modern union passenger station.

At the close of the conference, Chairman Franklin McNeill stated that without a full consultation as to all the matters he would state that the Commission was of the opinion that the Atlantic Coast Line should erect a new passenger station to the north of the present station, with umbrella shed taking in the present location of the depot, and that there should be trackage arrangements by which the Raleigh and Southport railroad could use this as a union passenger station. In reply to Mr. Elliott, he stated that with the Atlantic Coast Line owning the location, it would seem best not to require the Raleigh and Southport to be a party in the erection of the building, but to enter the station on a rental basis.

The conclusion of the conference is that two weeks is granted the A. C. Line to see if it will not construct such a new and modern union depot north of its present depot as will prove satisfactory to Fayetteville, and that if there is not such an agreement reached that then the Corporation Commission will make an order requiring that railroad to erect such a station in Fayetteville.
