

Garren's Blood Purifier and Tonic

The Greatest of all Tonics

And Stands Today Without a Rival

As a remedy for Indigestion and Stomach Troubles and Various other Ailments Brought on by an Impoverished and Impure State of the Blood.

It is purely a vegetable preparation, compounded of roots and herbs of the most approved medical value, gathered out of the mountains of Western North Carolina where their curative properties are in the best state, and is carefully compounded until the drug in each ingredient is fully extracted from the root or herb; hence in scrofula and scrofulous affections, blood poison, skin diseases, such as pimples, blotches, boils, sores and chronic ulcers, it is a wonderful curative agent. For gout and rheumatism, neuralgia, sciatica, kidney troubles, pain in the back and bowels, it can be used with assurity of getting better results than from any other blood medicine. It is mild and gentle in its action, and does not shock the system like strong mineral medicines that are commonly used. It is suited to all ages and conditions, and for this reason is truly a family remedy. We have always been careful to advance no claims for our preparation that could not be substantiated by live proof from those who have used it. The people in every walk of life voluntarily give their testimonies where they have been rescued from chronic state of ill health by the use of Garren's Remedy. Such being its history it is a satisfaction to the Garren Medicine Company to point to this record and state that its restoring powers only wait a trial to return to health the many thousands that are today dragging out a miserable existence. The testimonies we give in which the parties testify they were cured of indigestion, rheumatism, general debility and all blood troubles, were those who had tried many other remedies and had been under the treatment of the best physicians without getting any relief.

When the stomach is involved by fullness after eating this remedy has no equal. In indigestion and dyspepsia it can be taken with confidence that a healthy condition will soon be formed and eating will be a pleasure rather than a discomfort.

Constipation will soon yield in taking this remedy.

~~These testimonials were made before the manufacture of Garren's Tonic was discontinued through lack of materials owing to war conditions.~~

Placed on market again in April, 1919, under guarantee of satisfaction.

NINE YEARS AN INVALID
Cured by Garren's Blood Purifier and Tonic, Says Mrs. R. P. Wright.
Garren Medicine Company,
Hendersonville, N. C.

Gentlemen:
I have been an invalid for nine years, spending the greater part of my time in bed. During that time I suffered with indigestion, rheumatism, nervous and sick headache, side pleurisy, kidney and bladder troubles, and nearly all other diseases that flesh is heir to. I was treated by the very best physicians that could be procured, without giving me any permanent relief. I went from bad to worse under their daily treatment until I got to the point where I could not turn myself in bed. The doctors said they had done all they could do and told me that I could try anything else that I thought would give me any relief. I then tried all the different patent medicines that I thought would do me any good, but got no relief until I tried a bottle of Garren's Blood Purifier and Tonic. Before I had taken half a bottle I found to my great surprise and satisfaction that I was rapidly gaining in strength and flesh every day, and by the time I had finished the first bottle I was able to get up and walk about, and continued to improve until I can now eat and drink anything I like without suffering the least pain or inconvenience whatever. I feel like I have a new lease on life. No one can appreciate this medicine as I can. I am now able to do my house work. It has been a God send to me. I have also used it in my family with the best results.

Gentlemen:

About three years ago I was taken with a severe case of rheumatism and indigestion which caused much pain and suffering. The best doctors treated me for months without giving me any relief. After making a

complete failure of my case they told me the nerves and muscles of my legs were so diseased that I could never be cured. One of my legs at this time had perished away to half its natural size; I then took all the guaranteed remedies that I could hear of without getting the slightest relief. I was finally persuaded by my wife to try a bottle of Garren's Blood Purifier and Tonic, and the results were really wonderful. Before I had taken a fifty cent bottle my indigestion was gone and I could eat and sleep well. The pains went away and I improved so rapidly that in less than sixty days I was completely cured. And best of all, it has been twelve months since I have felt any of my old symptoms. Now I can do all kinds of heavy lifting without ever feeling any inconvenience from my rheumatism. I am a strong and healthy man and tip the scales at 180 pounds.

Gentlemen:

It is with pleasure that I testify to the merits of Garren's Blood Purifier and Tonic. I had suffered with indigestion for several years, and had tried various remedies, also had treatment from prominent physicians, but nothing gave me relief until I tried Garren's remedy. I gladly recommend it to all.

To whom it may concern:

I am glad to say that I sold more of Garren's Tonic than all the other similar preparations in my stock combined. It almost universally gives satisfaction to every one who tries it. Often cures chronic troubles of long standing. I believe it is a meritorious article and I recommend it both to dealers and patients.

Dear Sirs:

In reply to your question as to results obtained by me from use of your Blood Purifier and Tonic, it affords me great pleasure to say that I have derived most decided benefit from its use; especially in the relief from nervous indigestion. I used this medicine during a severe attack of nervous indigestion, covering a period of over two weeks. As soon as I began the use of your Tonic I obtained relief and one bottle completely cured me. Ever since this I have kept your medicine on hand, and can unhesitatingly say that one dose will give me instant relief from an attack of indigestion.

Yours truly,
R. M. OATES.

Gentlemen:

I can endorse and recommend Garren's Blood Purifier and Tonic after using the medicine for indigestion and nervousness. I believe that for the purpose of improving the digestion, removing biliousness, and strengthening the nerves, Garren's Blood Purifier and Tonic is as effective a remedy as can be used, and for improving the appetite I have never found a remedy to equal it.

Very respectfully,
R. H. STATON.

Garren Medicine Co.:

I have sold Garren's Blood Purifier and Tonic with a guarantee with each bottle that if the party taking same was not benefited money would be refunded, and I have yet my first bottle to be returned. I have, in that time, sold more of Garren's Tonic than of any patent medicine, and I can recommend it to any one who needs a general tonic.

Gentlemen:

I have been a sufferer of stomach troubles for fifteen years, a greater part of the time I have had dyspepsia so bad that my stomach would not retain food for five minutes. I would have to leave the table immediately after finishing my meals. I tried several of the best doctors and different kinds of patent medicines, but all to no effect. I then secured a bottle of Garren's Blood Purifier and Tonic which immediately gave me relief. I used two bottles over a year ago and I still continue to eat and drink what I please without suffering any trouble with my stomach whatever. I would advise all suffering from indigestion or dyspepsia to give this medicine a fair trial.
