

Local News

The circus (?) was here Saturday, and drew a fair crowd.

It is rumored there will shortly be a modern mattress factory erected here.

W. D. Barringer, special salesman for the Stieff piano people was in town last week.

Gov. Glenn's speech at the opening of the Fair will be along purely educational lines.

J. B. Seawell, of the Purity Laundry, has gone to Charlotte for a few days rest. He will visit his brother there.

The deed to the Pleasant Hill Baptist church, made in 1882, 24 years ago, was handed in last Monday at the Court House for record.

John L. Cagle, who had all his front teeth kicked out by a horse recently, is recovering from the effects of the accident.

Between two and three thousand school children are expected at the fair, on the 12th, educational day when Gov. Glenn speaks.

The Poultry House at the Fair Grounds is nearing completion and nice new comfortable coops in which to display fowls will be made for exhibitors.

Some half dozen restaurant booths are about completed at the Fair grounds and parties desirous of securing one had better apply soon at Board of Trade rooms.

C. S. Corpening, of Mills River, was in town Monday. He says the damage to the crops from the excessive rains has been great in that section, and looks for a scarcity of feed stuff this winter.

We draw attention to W. P. Williams' ad. in this issue. Mr. Williams will hereafter be an extensive user of space in this paper, and he will always have something interesting to say.

Sam Cox made a desperate effort to escape Monday, while being taken to the jail. Sam had just been found guilty of carrying concealed weapons, before Justice of the Peace J. D. Dermid, and made a break for liberty but was captured in a few minutes.

The Board of Trade had a highly interesting meeting last Thursday night, which was largely attended. The matters discussed was of greatest interest to the business men of Hendersonville. Announcement of the great lake project was made, and methods of getting good roads discussed.

The Tryon Hosiery Co. have purchased 25 acres of land from P. H. Walker, at Flat Rock, near the depot, and will soon start to erect a 600 machine knitting mill there. Their Tryon mill has a capacity of 800 machines, but the output is ordinarily but 600, owing to the lack of labor. It is expected that this difficulty will not exist here, as there is now unemployed labor at Flat Rock, and many families who have moved South will be glad to come back if the chance for employment is offered them. The mill is expected to be in operation by the first of the year.

The big auction sale of the Claude Brown Co. last Thursday, was entirely successful. A large crowd of buyers were present from out-of-town, and everything was about cleaned out. The wagons were not reached, and will be sold this Saturday. The Claude Brown Company have had a remarkably successful season, this year, so successful in fact that the capacity of the barns will be doubled next year, when the buildings will cover the entire tract of land. Mr. Brown will go West this winter, buying new stock, and next spring the great barns will be ready for a still greater business.

J. C. Connell, of Pleasant Hill, has sold 100 acres of his fine land in that section for \$4000. Mr. Connell is one of the most progressive farmers of Henderson county.

Our fair is being advertised as never before and is bound to be the biggest occasion ever on the Park and Amusement grounds or any where in this old country.

Rev. L. Fitz-James Hindry, rector of Trinity Episcopal church, St. Augustine, Fla., is spending his vacation in Flat Rock. He is accompanied by his family.

A. J. Bethea, of the Darlington (S. C.) Press, is in town, a guest of Mrs. A. F. P. King. Mr. Bethea is very favorably impressed with this city and predicts a bright future for it.

All teachers will be furnished with tickets admitting all students who are attending schools free, on educational day when Governor Glenn will make his address.

The October number of the Asheville Magazine is at hand, and is the best number yet of this really fine magazine. It contains an excellent article on the "Utilization of Western North Carolina Timbers."

Don't forget that Gov. Aycock will speak at Hendersonville on Tuesday, Oct. 16th, at 11 o'clock. This will be an opportunity to hear one of the finest speakers in the South, and there will be an immense crowd to greet him.

Ledford Price, a Hendersonville young man had his leg crushed, Monday, by a freight train, near the depot. The young man was a new employee of the Southern, and slipped and fell. Dr. Waldrop took him to Asheville on the evening train.

Mrs. S. E. Caldwell, jr., daughter of City Tax Collector Smith, whose health has been very poor the past few years, is now in an Asheville hospital. Her many friends will be glad to learn that she is improving rapidly there and will be home before very long.

The display of millinery at Mrs. Posey's store is calculated to set the average feminine heart in a flutter. The styles are unusually attractive this fall, and most everybody in town is looking at them.

The democrats of Polk county have a ticket nominated which will sweep them to victory, this fall. The next sheriff will be F. L. Weaver, register, Frank M. Burgess; the next member of the legislature E. B. Cloud; clerk of court, J. P. Arledge; treasurer, J. R. Foster; commissioners, W. M. Barnett, P. D. Williams, C. W. Williams.

Dr. R. B. Grinnan will attend the Presbyterian Synod this fall, at Statesville. While there he will make an effort to have next year's meeting held in this city. The synod has held its sessions west of the Blue Ridge mountains but twice in ninety years, and Dr. Grinnan knows of no better place than Hendersonville in which to meet next year.

John Wheatley, white, got on the southbound train Saturday night, at this station, drunk and armed. Created a disturbance on the train, and Capt. Brunson, the popular conductor, took the gun away, and left the fellow in the smoking car in charge of several passengers. He broke away and locked himself in the toilet room. On arrival of the train at Spartanburg he climbed through the window, and in the fight which followed Capt. Brunson was shot in the hand, Burke Smith, a young white man, was probably fatally injured, Willie Thomas, the train news boy, was shot in the arm. Wheatley is employed at one of the mills in Spartanburg. He was captured early Sunday morning at Inman and taken to Spartanburg.

On Saturday, Sept. 29th, the Hart Millinery Store will have their fall and winter display of hats. This is an occasion long looked forward to by the ladies of Hendersonville, and we understand there is an unusual display to be made this year.

Fruitland Institute opened this year with a very good attendance. The excellent teaching force, headed by the lady principal, Miss Martha Hill is securing excellent results. Miss Carrie B. Morgan has a fine class in the music department. The health of the student body is excellent. Through the gifts of generous outside friends, a fine new organ will soon be installed in the chapel. Liberal donations have also been made to the new building fund of the college, and Prof. Posey, who has put in a hard summer's work in the interests of the institute, is to be congratulated upon the interest he has aroused amongst the young people of the country around, and upon his success in getting the friends of the Institute to contribute so liberally to the great work it is carrying on. Elsewhere is an announcement of a new departure in its work, namely courses in stenography, bookkeeping, etc., which will be of interest to all.

"Bealewood" Sold.

"Bealewood" the beautiful residence of the late Mr. J. D. Beale, has recently been sold to Mr. and Mrs. Wm. Hewitt, of the Blue Ridge Inn. The property comprises about 10 acres, including a beautiful grove and a handsome residence. We understand it is Mr. Hewitt's intention to erect several cottages on the property, sufficient to care for 60 or 70 people who wish for that seclusion and privacy which the ordinary summer hotel does not afford. "Bealewood" is most delightfully situated; next to Mr. Caldwell Robertson's residence, commands a magnificent view and close to Main street. The property has 400 feet frontage on Fleming ave., and it is said that about 8 lots, 50 by 200 feet each, will be placed on the market in the near future. As there are electric lights, city water and good sewer connections, it is not likely these lots will remain long unsold. We congratulate the popular host of the Blue Ridge Inn and his charming wife upon their acquisition of this really valuable piece of property, and believe the proposed improvements will redound to the benefit of Hendersonville, in whose future Mr. Hewitt has an abiding faith.

Aycock Appointment Changed.

Raleigh, N. C., Sept. 20th, 1906.
Mr. M. L. Shipman, Ch'mn.
Hendersonville, N. C.

My dear Sir:
I have made an appointment for Governor Aycock to speak at Hendersonville Tuesday, Oct. 16th at 11 o'clock. I fix the hour at eleven because most leave on the 12:50 train for Asheville in order to make his appointment at Waynesville that night. I will not send posters for this appointment, but hope you will get them out and give the Governor a good crowd. The Governor had to change his appointments, as at first contemplated.
Very truly yours,
F. W. SIMMONS,
Chairman.

Select School.

Miss McCollough will open a school for a limited number of pupils Monday, October 1st.
For further information apply to her at the Kentucky Home.

Postoffice Improvements.

The government has leased the present postoffice quarters for ten years more. Many improvements will be made. That part in the rear now occupied by Burckmyer Bros. will be utilized by the postoffice, adding greatly to the space now occupied. The stamp, general delivery, and money order windows will be placed all together on one side. There will be at least 400 boxes for rent, so all who wish may rent one. The additional space inside will permit of more clerks being used in distributing mail, so all mail will be in the boxes within a short time after being received. The general delivery window will open at 8 in the morning and close sharp at 6 in the evening. As there will be sufficient boxes for all, it will not be necessary to keep the window open after that hour. Mr. Brownlow Jackson has, so far, gotten everything he has asked for in the way of improvements at the office, and he thinks this is the best yet, and will contribute greatly to the convenience of the thousands of Uncle Sam's patrons.

Letter to R. J. Francis.

Dear Sir: There's twice as much horse in one horse—it may be a mare—as there is in two or three others together.
So with paints too. If a painter can do your job with 10 gallons Devco for \$50; it'll take 12 1/2 or 20 of other paints; and the cost of a job is about \$5 a gallon, whatever the paint may be.
There are paints adulterated three-quarters—only one quart of paint in a gallon—he's got to paint four gallons of rubbish to get one gallon of paint. The worst horse you've got is as good as that paint, and he'll go as far.
The less-gallons paint is the paint, as the most-horse horse is the horse.
Yours truly,
F. W. DEVCO & CO
New York.

Hendersonville—The Lake City of the Mountains!

A great lake for Hendersonville! A lake stretching from the long bridge, near the Asheville road, back for many miles, covering thousands of acres of bottom land. A lake which will make Toxaway's famed body of water look like thirteen cents, both in size and natural beauty, and a lake which will oblige the Southern Railway to mention Hendersonville in its advertising and also to sell round trip tickets to the Lake City of the Mountains.

No, gentle reader, this is no pipe dream. Its just a mere outline of what's coming—that is, it's coming if the citizens of this town want their real estate doubled and trebled in value. If they want to see, not one but many new hotels built here. If they want this city known as THE resort of the South. If they want the thousands now going annually to Toxaway to stop here. If they want unlimited facilities for boating, fishing and bething, and many other good things.

Of course, nothing worth having comes without some sacrifice and some effort. This project will call for both, in wholesale lots, of which, later.

The first step has been taken, in having Major Strong, the noted engineer, come to Hendersonville and find out just how high a dam must be constructed at the long bridge in order to give three feet of water at Mud Creek church. The money has already been subscribed for that purpose. With this data at hand, the next step will be to secure options on all lands abutting on the proposed lake.

It must be understood at the start that the only returns the company will get will be thro' the increased value of the land touching the lake. The power developed at the bridge will be small. The fishing and boating privileges will be but a trifle. The cost of the enterprise will be enormous, and it will be outside capital, largely, which will build it. Therefore, it is necessary to obtain options on all the land wanted, and if these options can be secured at a fair price, there is every reason to believe the lake will be a fact in the near future. The land will be paid for either in cash, at its present value, or in stock in the company and the company will look for its returns on the increased value of the land touching the lake. The immediate results of such an enterprise coming to a successful issue, would be to increase the value of all real estate in Hendersonville. The ultimate result would be to make this city without a competitor as a resort city.

It is believed that the dam can be built, and Mud Creek converted into a beautiful lake, without encountering any great engineering difficulties. The lake would be of great size, extending to Bat Cave, and its natural beauty would be great, superior, in fact to that sheet of water which has made Toxaway famous.

Ladies, read this catalogue of charms.

Bright eyes, glowing cheeks, red lips, a smooth skin without a blemish, in short, perfect health. For sale with every package Hollister's Rocky Mountain Tea, 35 cents, at Justus Pharmacy.

Race Track for Hendersonville.

There is much talk of organizing a company to build a modern race track in this city. The men back of it do not want their names mentioned yet, but it is understood that they mean business. It is claimed a strictly up-to-date race track would be a paying investment from the start, and that it would contribute greatly to the pleasure of the thousands who visit Hendersonville. While it is too early as yet to state definitely just where the track will be located, it will be in some easily accessible place, and will have a handsome grand stand. The promoters seem to be very enthusiastic, and claim there will be no lack of capital to carry the scheme through.

Preferred Locals.

FOR SALE 80 acres fine land. One-half cleared, one-half timber. No buildings. Half mile from Horse Shoe R. R. station. A bargain. Apply to M. J. ALLEN, Horse Shoe, N. C.

Fall and Winter Display of Pattern Hats and Ready-To-Wear Hats.

No detective agency can compare in inquisitiveness and suspicion with the "family next door."

In these days of rush and hurry courtesy is often forgotten. In the mad, pell mell rush of our life little things are done to offend that we rather remained undone. A hastily eaten meal and its resultant headache may cause us social or financial loss. The wise man or woman is the one who relieves little ills of this sort by a little dose of Kodol For Dyspepsia. It digests what you eat and puts your stomach back into shape. Sold by F. V. Hunter.

It's all right to trade your money for experience if you can persuade the experience to trade back.

A bath cleanses the skin and rids the pores of refuse. A bath makes for better fellowship and citizenship. Not only should the outside of the body be cleansed, but occasional use of a laxative or cathartic opens the bowels and clears the system of effete matter. Best for this are DeWitt's Little Early Risers. Pleasant little pills that do not gripe or sicken. Sold by F. V. Hunter.

A Scientific Wonder.
The cures that stand to its credit make Bucklen's Arnica Salve a scientific wonder. It cured E. R. Mulford, lecturer for the Patrons of Husbandry, Waynesboro, Pa., of a distressing case of Piles. It heals the worst Burns, Sores, Boils, Ulcers, Cuts, Wounds, Chilblains and Salt Rheum. Only 25c at Justus Pharmacy.

You can lead a jackass to water, but you can't make him drink it—unfiltered.

It arouses energy, develops and stimulates nervous life, arouses the courage of youth. It makes you young again. That's what Hollister's Rocky Mountain Tea will do. 35 cents, Tea or Tablets, at Justus Pharmacy.

New chair needed in women's colleges—"Art of Making Men Propose." When two strong men come to blows, even if they are well matched, it is not a pleasing sight, but if the man who gets the worst of it will use DeWitt's Witch Hazel Salve, he will look better and feel better in short order. Be sure you get DeWitt's. Good for everything a salve is used for, including piles. Sold by F. V. Hunter.
