

Do you know that one pound of LUZIANNE COFFEE will go as far as two pounds of ordinary Coffee and then taste twice as good?

Buy a pound can from any grocer. Use only half as much as other Coffee, and your grocer will refund your money, without a question, if you are not pleased in every respect, after having used entire contents of can.

If your grocer don't handle LUZIANNE COFFEE any wholesale grocer in Hendersonville will tell you where you can get it.

Support the Ball Club.

The Hendersonville Base Ball Club is deserving of better support than it is receiving from the town.

The boys are playing ball. Some of them are putting up an article equal to any Southern Leagues' product.

They make not one cent out of the games, themselves. All they want is to make expenses.

Certainly they are entitled to that much.

They are all young men working for their daily bread, and every time they play ball it means a certain financial sacrifice to them.

They have been to considerable expense also for their uniforms and necessary outfits.

They have games scheduled with Asheville, for next Tuesday and Asheville says she will send over the best they have. With Gaffney on Friday, another good team. Then Spartanburg wants to play, and Cowpens, and Canton, and Campobella, and Murphy the champions of this part of the state, and Whittier, and Brevard and Waynesville and Mars Hill. All rattling good teams who will give good exhibitions of the national game.

But it takes SOME money to pay their expenses.

You can't run a church without money, as you know,

The boys are ENTITLED to YOUR support. Go out next Tuesday and give it to them!

They are doing much to make this city attractive to visitors, and it's Your DUTY to help them in every way possible.

Tuesday is the first game. Make it a point to buy a ticket, only 25c, and go out and yell. You'll see a good game, depend upon it.

Ammonia Used to Overcome Jailbird at Chattanooga, Tenn.

Chattanooga, Tenn., July 14.—Dave Edwards, convicted of murder, and who is considered the most desperate prisoner ever in the Hamilton county jail, went on a rampage Sunday and attacked a fellow prisoner, J. C. Duncan, also convicted of murder.

A fierce fight ensued, in which Edwards was badly beaten. When the officers tried to place Edwards in the dungeon he barricaded himself in his cell, and ammonia was used, but to no avail, as Edwards had covered himself with a mattress.

Finally a stream of water from a 3-inch hose was turned on the prisoner, and he was nearly drowned. He cried "enough," and the door of the cell was opened. Edwards came out and made a rush for Chief Deputy Frawley, striking him with a "billy" which he had made of the straps and buckles from his cot. He missed the deputy and struck a negro prisoner in the face. He was finally floored by a blow on the head with a pair of handcuffs and overpowered.

HUSBAND'S FATAL MISTAKE.

Thought His Wife Was a Burglar and Shot Her.

Philadelphia, July 14.—Mistaking his bride of less than a year for a burglar, William A. Thomas, aged twenty-three years, shot and probably fatally wounded her at their home in the upper section of the city.

Hearing a noise in the bathroom of the dwelling, Thomas seized a revolver and began an investigation. As he reached the second story of the house Mrs. Thomas emerged from the bath room and her husband discharged the revolver, the bullet striking her in the abdomen.

Thomas says he believed his wife to have been in another part of the house. He was placed under arrest pending an investigation.

Baby Born on Street Car.

Chicago, July 14.—Street car traffic in Washington street was brought to a standstill for half an hour Monday when Mrs. John Ruloff, a passenger on an Armitage avenue car, while passing the city hall, gave birth to a girl baby. The woman was on the way to a hospital accompanied by a nurse. Dr. I. G. Rawlins, a physician attached to the city health department, was called and later mother and child were taken in a police ambulance to the hospital.
