

Second Day Horse Show!

Record-breaking Attendance and a Fine Exhibition of beautiful Horses. Said by competent Judges to be the most successful Summer Horse Show Ever Held In the South.

The finest exhibition of horse flesh in the South, a tremendous crowd of people, the quiet and good spirited manner in which every thing was received, and everything that points to a most successful horse show were the dominant features of the first day of the first annual horse show yesterday.

The overhanging clouds and occasional showers did not at least dampen the enthusiasm of the hundreds of horse enthusiasts.

The attendance was enormous. The grand stands were full and hundreds of people were standing around the ring. The space was nearly all occupied.

The horses show promoters were in the highest of good spirit over it's success. D. N. McCullough, secretary of the horse show association of Atlanta, who has several entries in the show said, "This is the finest show I ever saw." The judges F. M. Stewart of Atlanta, and R. A. Flanning, of Augusta, repeatedly spoke of the good qualities of the show, the fine show grounds, etc.

Between four and five o'clock the rain was falling hard and it was feared that the show would have to be abandoned but soon the sun burst from the lowering clouds and the rain ceased.

The lot of fine horses made it a difficult job for the judges to decide which deserved the prizes. In class No. 11 the horses were driven three times and called in each time a few falling from the rank before the judges were able to decide.

Class No. 12, in which ponies were ridden by children, attracted more attention and received greater applause than any other event.

In the list of prizes awarded yesterday that appeared in the Hustler it was stated that Mrs. Lorrillard won the blue ribbon in class No. 5. Later information gives it that it was Mr. Henry's horse, though ridden by Mrs. Lorrillard.

The prizes awarded yesterday that didn't appear in yesterday's Hustler were as follows:

Class No. 12 Ponies ridden by child under 15 years. Buster, owned by Joseph E. Kelley, of Savannah and ridden by Joe Heath, won blue ribbon; Piebald, belonging to Dr. Schwartz, of Atlanta, won red ribbon, and the yellow ribbon was won by Goldie, belonging to Miss Lula Whitaker. Joe Heath received greatest applause for his excellent riding.

Class No. 3. Runabouts, horses to count 65 percent, appointments 35 percent. Sport won blue ribbon, owned by W. S. Ray, Asheville; Jeter won red ribbon owned by H. J. Schwartz, Atlanta. Sunshine belonging to A. B. Bennett won yellow ribbon; 18 entries in this class.

Class No. 8. Five gaited saddle horses. Gallantry, owned by H. J. Schwartz received blue ribbon, Miss Patty, owned by J. O. Lewis, Greenville, won red ribbon; Tom Mac, owned by New York Livery Stables, Asheville, yellow ribbon; won 11 entries in this class.

Class No. 6. Ladies driving. Raven, belonging to P. S. Henry, Asheville, won blue ribbon; Capt. owned by Mrs. H. H. Briggs, Asheville, won red ribbon

Class No. 11. Park horse, Gallantry, owned by H. J. Schwartz won blue ribbon; Lillian, belonging to T. M. Merchant won red ribbon; Jeter, owned by Schwartz won yellow ribbon; 14 entries.

Class No. 4 Hunter's post entries. This was the jumping class, with hurdle three and one-half feet high. Mr. Harris won blue ribbon; W. A. Smith, yellow ribbon and D. F. Hastie won red ribbon.

Lard has been in existence a long time—so has indigestion

Human nature is hard to solve. People who are most particular about adapting the weight of their wearing apparel to the season and its conditions, who never think of going out in a storm without an umbrella and rubbers, who would not sit in a draft for a farm, will day after day eat lard-soaked food and not realize for an instant that it is clogging their whole inner machinery and likely to result in a full-fledged case of indigestion.

Lard is produced from hog-fat, sometimes impure, always indigestible, and there's a good day coming when no one will think of using it for cooking. *Cottolene* is the only rational frying and shortening medium in the world. It is made from refined vegetable oil and choice beef suet—everything about it is digestible and conducive to health.

It is a product of Nature.

It will make pure, palatable, healthful food, and food which anyone can eat and enjoy without the after-pangs of a disordered stomach.

Try *Cottolene* once and you'll never-more be a friend to lard.

Cottolene is Guaranteed We hereby authorize your grocer to refund your money in case you're not pleased after having given COTTOLENE a fair test.

Never Sold in Bulk COTTOLENE is packed in pails with a patent air-tight top, to keep it clean, fresh and wholesome, also to prevent it from absorbing the disagreeable odors of the grocery, such as fish, oil, etc.

Cook Book Free We shall be glad to send any housewife, for a two-cent stamp, our new "PURE FOOD COOK BOOK," edited and compiled by Mrs. Mary J. Lincoln, author of the famous "Boston Cook Book." Address

Get the Most Money Out of Your Lands

by making them yield the biggest possible crops. Grain must get the nourishment that makes it grow out of the soil—and the more plant food there is in the soil, the quicker and bigger and more plentifully the grain will grow. But you must first put the food into the soil by liberally using

Virginia-Carolina Fertilizers

Then a big bumper crop is assured, because these fertilizers contain the necessary elements required by the soil to properly and fully mature the grain. Farmers invariably find that the more Virginia-Carolina Fertilizer they use, the bigger is the crop, and the greater their profit.

Have you gotten the latest Virginia-Carolina Year Book or Almanac, the most useful and valuable book any farmer or grower can read? Get a copy from your fertilizer dealer, or write to our nearest sales office and one will be sent you free.
