At the recent Good Roads Conventtion held in Hendersonville, Mr. W. A. smith announced a subscription of \$500 to the Greenville and Spartanburg highway.

The twelve mile stretch of wretched roads in this county to the Greenville county line, which it is desired to improve, is an effectual barrier to automobile traffic from the South It was the purpose largely, of the convention to devise ways and means

of improving this road. So liberal a contribution from Mr. Smith for the purpose has excited general comment and much public car BALTIMORE, Md.—Returns from Carolina coast on Sunday night and riosity as to the motives actuating yesterday's democratic primary elec- Monday, the Clyde liner Apache, with that gentleman. To a Daily Herald tion in Maryland indicate that State 125 passengers aboard, was saved in man who asked Mr. Smith for an interview on the subject, he said:

will answer your question.

I know, as every sensible man knows, that good roads are the one utes the passengers of the Apache things which will keep any town or

country from being relegated to the servers around their bodies waiting backwoods. The Good Roads sentiment is abroad in the land and those who do not have them can not prosper, and those who expect to get the benefit must expect to contribute to Driving along with a wind, the the burden or they can not be worthy

"I agreed to back the Laurel Park herself helpless at about 1:30 o'clock \$500.00. Hotels to succeed must have Monday afternoon, She was bound guests, and to have the character of south from New York, and had been suests to make hotels prosperous spending several days in the city Atlanta division of the Southern rail- blown past the mouth of the harber must cater to the people that have way, bound for Johnson City, Tenn. to a point off Hunting island.
