GOVERNOR CRAIG TAKES ACTION

Allows Hiwassee Valley Railroad Use of State Convicts.
Asheville, (Special).—Following a lengthy conference with some of the officers and directors of the Hiwassee Valley Railroad, which is constructing a line from Andrews, by way of Marble and Hazel, to Hiwassee, Ga., Governor Locke Craig agreed to furnish 50 State convicts to carry on the work, the State to take stock in the road in return for the leasing of the convicts. It is agreed that the workmen are to be clothed and fed by the State and the contract provides that the road shall be 35 miles long, standard gauge, and a common carrier. The maximum grade will be two per cent, and the maximum curve will be 10 degrees. From Andrews, it will follow Valley river to Marble, thence it will cross the Peachtree country to the Hiwassee river at the Clay county line. From there it will follow the river to Hazel and Hiwassee. The new road will develop a large section of Cherokee county, all of Clay and a part of Rayburn county, Ga. Along the line are over 200,000 acres of virgin forests and many rich mineral deposits.

CANTON POST OFFICE FIGHT.

Lucky Man Receiving Congratulations of His Friends.

Canton, June 19.—D. J. Kerr today received the information that his appointment to the position of postmaster here had been confirmed by the senate. Arrangements for the necessary bonds were immediately made and it is expected here that the new postmaster will receive his commission during the first of next week.

The confirmation of Kerr's appointment marks the close of a bitter and strenuous fight that has been waged for the postmastership at Canton. Petitions, personal letters, affidavits, charges and counter charges have been sent from this place to Washington, in large numbers within the past few months. Every day, almost, marked new developments in the race and feeling ran high for a long time.

Mr. Kerr has received the congratulations of a large number of his friends and next week he will probably take the office that has been held for several years by C. F. Smathers.

PRESCRIPTION

For a Long Life.

This is the prescription for a long life given by an old gentleman in Connecticut, who is ninety-nine years old and still well and cheerful, "Live temperately, be slow to anger, don't worry, take plenty of exercise in the fresh air, and, above all, keep cheerful."

Should the system get run down—digestive organs weak—the blood thin and sluggish, take Vinol, which is a delicious combination of the medicine—body-building properties of cods' livers, with the useless grease eliminated and tonic iron added. We regard Vinol as one of the greatest body-builders and strength-creators in the world for aged people.

Mrs. Mary Ivey, of Columbus, Ga., says: "If people only knew the good Vinol does old people, you would be unable to supply the demand; it is the finest tonic and strength-creator I ever used."

We wish every feeble old person in this vicinity would try Vinol on our agreement to return their money if it fails to give satisfaction.
