**GIVE "SYRUP OF FIGS"
TO CONSTIPATED CHILD**

Delicious "Fruit Laxative" can't harm
tender little stomach, liver
and bowels.

Look at the tongue, mother! If
coated, your little one's stomach, liver
and bowels need cleansing at once.
When peevish, cross, listless, doesn't
sleep, eat or act naturally, or is feverish,
stomach sour, breath bad; has
sore throat, diarrhoea, full of cold, give
a teaspoonful of "California Syrup of
Figs," and in a few hours all the foul,
constipated waste, undigested food
and sour bile gently moves out of its
little bowels without griping, and you
have a well, playful child again. Ask
your druggist for a 50-cent bottle of
"California Syrup of Figs," which con-
tains full directions for babies, chil-
dren of all ages and for grown-ups.

JACKSON, MISS., MAN

Tells How To Cure Chronic Cough
Jackson, Miss.—"I am a carpenter,
and the Grippe left me with a chronic
cough, run-down, worn out and weak.
I took all kinds of cough syrups without
help. I read about Vinol and decided to
try it. Before I had taken a bottle I
felt better, and after taking two bottles
my cough is entirely cured, and I have
gained new vim and energy."—JOHN L.
DENNIS.

**SOUR, ACID STOMACHS,
GASES OR INDIGESTION**

"Pape's Diapepsin" neutralizes exces-
sive acid in stomach, relieving
dyspepsia, heartburn and
distress at once.

Time! In five minutes all stom-
ach distress, due to acidity, will go.
No indigestion, heartburn, sourness or
belching of gas or eructations of undi-
gested food, no dizziness, bloating, foul
breath or headache.

Pape's Diapepsin is noted for its
speed in regulating upset stomachs.
It is the surest, quickest stomach sweet-
ener in the whole world, and besides it
is harmless. Put an end to stomach
distress at once by getting a large fifty-
cent case of Pape's Diapepsin from any
drug store. You realize in five minutes
how needless it is to suffer from indi-
gestion, dyspepsia or any stomach dis-
order caused by fermentation due to
excessive acids in stomach.

**CALOMEL DYNAMITES
A SLUGGISH LIVER**

Crashes into sour bile, making
you sick and you lose
a day's work.

Calomel salivates! It's mercury.
Calomel acts like dynamite on a
sluggish liver. When calomel comes
into contact with sour bile it crashes
into it, causing cramping and nausea.

If you feel bilious, headachy, con-
stipated and all knocked out, just go
to your druggist and get a 50 cent
bottle of Dodson's Liver Tone, which
is a harmless vegetable substitute for
dangerous calomel. Take a spoonful
and if it doesn't start your liver and
straighten you up better, and quicker,
than nasty calomel and without mak-
ing you sick, you just go back and
get your money.

If you take calomel today you'll be
sick and nauseated tomorrow; be-
sides, it may salivate you, while if
you take Dodson's Liver Tone you
will wake up feeling great, full of
ambition and ready for work or play.
It is harmless, pleasant and safe to
give to children; they like it.

BUCKLE-AND-TONGUE.

Making buckle and tongue meet is a
common Crackerism in the South.
What this means for the average fam-
ily of five in North Carolina and
Georgia was investigated by the Fed-
eral authorities several years ago
when the cost of living was far lower
than it is today.

It was found at that time that
\$408.26 a year with good management
would furnish an average family with
the bare necessities of life—food
enough for working efficiency, clothing
enough to keep warm in winter, to
keep clean and avoid rags, and a min-
imum of light and fuel; but allowed no
margin for car fare, insurance, or
funeral expenses.

A little higher standard of living
called for an average family income
of \$708.87 a year. With care this sum
would allow abundant and varied food,
individual taste in clothing, with
changes for Sundays and holidays,
sufficient room space, and a small sum
over for health, insurance, and mod-
erate recreation.

Where Prosperity Pinches.
In this year of our Lord 1917 the
cost of food, fuel and clothing has
reached a maximum level. The index
figures of The Annalist show that the
cost of 24 staple food stuffs has a lit-
tle more than doubled during the last
twenty years.

A minimum standard of living in
North Carolina now calls for some
\$705 a year, and a fair standard of
living for a family income of \$1239.
Incomes of this sort will enable wage
earners and salaried people to make
buckle-and-tongue meet barely or
comfortably.

If a man's yearly income now-a-days
is smaller than these totals, his fam-
ily must go without the bare neces-
sities of life, they must get along with
fewer home comforts, and forego all
luxuries; or his children must leave
school and go to work years too early;
while his daughters and wife must
become breadwinners outside the
shelter of the home, as nearly exactly
a fourth of the white girls and women
ten years old and over were doing in
North Carolina in 1910.

With these hard facts of existence
in mind, consider the average annual
salaries of our rural white school
teachers, 235; of the white public
school teachers in our city systems,
\$454; of Baptist preachers outside
cities of 25,000 inhabitants \$473. Meth-
odist preachers \$858; and along with these
the maximum possible incomes of in-
dustrial workers, which in 1915 ranged
from \$469 for motor car mechanics to
\$1408 for plumbers.

No humbug! Any corn, whether hard,
soft or between the toes, will loosen
right up and lift out, without a particle
of pain or soreness.

This drug is called freezezone and is a
compound of ether discovered by a Cin-
cinnati man.

Ask at any drug store for a small
bottle of freezezone, which will cost but
a trifle, but is sufficient to rid one's
feet of every corn or callus.

**WHAT FARMERS FOUND OUT
ABOUT WAGONS**
IN certain sections of North Carolina wagons are subjected to
unusual service.
Over almost roadless mountains, with heavy loads, up steep ascents and down
the sides of steep declivities these wagons are going daily.
They withstand in this section more use, abuse and strain in a year than
most wagons do in a lifetime.
No mediocre parts will suffice. "The margin of strength must be good
and ample."
Right here, in this rough section is where our Long Sleeve Steel
Skein proved itself practically unbreakable, and the only Skein con-
sistent with Geo. E. Nissen stability.
And farmers in this section will hardly have any but Geo. E. Nissen
Wagons with long sleeve Steel Skeins.
The tough materials from which they are made, the ample
generosity in every part, and the use of wrought iron where
many makers employ malleable or casting—makes them with-
stand the hardest usage. They are literally the foes of wear.
We make every part of these Geo. E. Nissen Wagons in our
own shops. We know the materials in every part. It is impos-
sible for a Wagon materially better to be made.
You may never put your wagon to such strenuous service,
but wouldn't you like to have a Wagon that resists
wear like this Wagon does—the wagon that "stands
up." Ask your dealer to show you the famous
Geo. E. Nissen Wagon as built for this par-
ticular section and for your particular work.
