**YES! LIFT A CORN OFF WITHOUT PAIN!**

Cincinnati authority tells how to dry up a corn or callus so it lifts off with fingers.

You corn-pestered men and women need suffer no longer. Wear the shoes that nearly killed you before, says this Cincinnati authority, because a few drops of freezeone applied directly on a tender, adding corn or callus, stops soreness at once and soon the corn or hardened callus loosens so it can be lifted off, root and all, without pain. A small bottle of freezeone cost very little at any drug store, but will positively take off every hard or soft corn or callus. This should be tried as it is inexpensive and is said not to irritate the surrounding skin.

If your druggist hasn't any freezeone tell him to get a small bottle for you from his wholesale drug house. It is fine stuff and acts like a charm every time.

**GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD**

Delicious "Fruit Laxative" can't harm tender little Stomach, liver and bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold; give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its bowels without griping, and you have a well, playful child again. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

**SAYS LEMON JUICE WILL REMOVE FRECKLES**

Girls! Make this cheap beauty lotion to clear and whiten your skin.

Squeeze the juice of two lemons into a bottle containing three ounces of orchard white, shake well, and you have a quarter pint of the best freckle and complexion beautifier, at a very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of orchard white for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles and blemishes disappear and how clear, soft and white the skin becomes. Yes! It is harmless.

**COULD HARDLY STAND ALONE**

Terrible Suffering From Headache, Sideache, Backache, and Weakness, Relieved by Cardui, Says This Texas Lady.

Gonzales, Tex.—Mrs. Minnie Philpot, of this place, writes: "Five years ago I was taken with a pain in my left side. It was right under my left rib. It would commence with an aching and extend up into my left shoulder and on down into my back. By that time the pain would be so severe I would have to take to bed, and suffered usually about three days. . . I suffered this way for three years, and got to be a mere skeleton and was so weak I could hardly stand alone. Was not able to go anywhere and had to let my house work go. . . I suffered awful with a pain in my back and I had the headache all the time. I just was unable to do a thing. My life was a misery, my stomach got in an awful condition, and I from taking so much medicine, I suffered so much pain. I had just about given up all hopes of my getting anything to help me.

One day a Birthday Almanac was thrown in my yard. After reading its testimonials I decided to try Cardui, and am so thankful that I did for I began to improve when on the second bottle. . . I am now a woman and feeling fine and the pain has been permanent for it has been two years since my awful bad health. I always praise and recommend Cardui. Try Cardui today. B 78

### On Floor of the Ocean.

It is believed that to an enormous extent the bed of the ocean is covered with lava and pumice stone. Still more remarkable is it to find the floor of the ocean covered in many parts with the dust of meteorites. These bodies whirl about in the heavens like miniature comets, and are for the most part broken into innumerable fragments.
