**GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD**

Delicious "Fruit Laxative" can't harm tender little stomach, liver and bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

**HANDS, ARMS, LIMBS ASLEEP**

And Was Run-Down, Weak and Nervous, Says Florida Lady. Five Bottles of Cardui Made Her Well.

Kathleen, Fla.—Mrs. Dallas Prine, of this place, says: "After the birth of my last child...I got very much run-down and weakened, so much that I could hardly do anything at all. I was so awfully nervous that I could scarcely endure the least noise. My condition was getting worse all the time... I knew I must have some relief or I would soon be in the bed and in a serious condition for I felt so badly and was so nervous and weak I could hardly live. My husband asked Dr. Cardui about my taking Cardui. He said, 'It's a good medicine, and good for that trouble', so he got me 5 bottles...After about the second bottle I felt greatly improved...before taking it my limbs and hands and arms would go to sleep. After taking it, however, this poor circulation disappeared. My strength came back to me and I was soon on the road to health. After the use of about 5 bottles, I could do all my house-work and attend to my six children besides." You can feel safe in giving Cardui a thorough trial for your troubles. It contains no harmful or habit-forming drugs, but is composed of mild, vegetable, medicinal ingredients with no bad after-effects. Thousands of women have voluntarily written, telling of the good Cardui has done them. It should help you, too. Try it.

**A Calendar Party Is Jolly at New Year's**

A CALENDAR party makes a novel and informal entertainment for the evening of New Year's day or any night during holiday week. It is a very pretty idea to make the invitations look as much like the first page of one of the single leaf calendars as possible. Paste on a sheet of white note paper a leaflet from the calendar bearing the date on which the party is to be held. Below this write:

This is an invitation party To my little calendar party. Next Monday night at eight o'clock Bring all the wits you have in stock. Be sure to come whatever the weather; We'll have a jolly time together. When the guests have arrived announce to the assembled company that they have been entered as contestants in a calendar race. To prepare for it take one of the single leaf calendars which you can buy anywhere for a few cents. This contains 365 leaves, or one for every day in the year. Tear the leaflets from the cover and hide them all over the house or apartment, in the living room, hall or spare bedroom or wherever you want your guests to go. At a given signal, the blowing of a whistle or the ringing of a bell, everybody starts on a search for the leaflets. This can be continued for as long or as short a time as desired. The first prize should be given to the person who has collected the greatest number of days represented by the calendar leaves. This can be an ornamental calendar of some sort. The second prize should go to the person who has the most calendar leaves for any one month, but it is forbidden for players to swap leaves to accomplish this. A little diary makes a good second prize.

There should be special prizes for the people who find the dates of the most holidays—Christmas, New Year's, Washington's birthday, Lincoln's birthday, Memorial day, Fourth of July, Labor day (the first Monday in September) and Thanksgiving day (the last Thursday in November). A different prize should be given to the holder of each holiday date and should be something appropriate to the occasion. For instance, the prize for finding December 25 should be a tiny figure of Santa Claus or a small stocking made of tulle or net and filled with tiny candies. New Year's day prize could have a small red blotter decorated with the figure of Father Time cut from a card.

After the prizes have been awarded there is usually time before supper for the date game. To play this it is necessary for the hostess to prepare in advance a number of slips on which certain well-known historic dates have been written—for example, 1492, 1098, 1776, 1914, etc. These, of course, stand for the discovery of America by Columbus, the battle of Hastings (Norman conquest of England), the Declaration of Independence of the American colonies and the beginning of the great world war. Each player draws a slip, reads it aloud, and whoever first names the event that makes it famous receives the slip.—New York World.

**A Song for the New Year.** A song for the New Year! Exultant its hours. The dust of defeat hath not sullied its flowers, But fancy hath dipped them in roseal dew, And brought them, all blooming in beauty, to you! A song for the New Year! A clarion strong; Achievement through service, refreshment through song! No mountain too mighty for faith to remove; No labor too lowly, transfigured by love! A song for the New Year! A message of joy; May never a discord its music alloy! But, growing in sweetness and melody clear, May it ever inspirit and strengthen and cheer! —Ernest Neal Lyon in Reader.

**HENDERSON COUNTY WELL SUPPLIED WITH PORKERS AND IMPORTED BREEDERS.**

The second shipment of hogs from Kentucky to J. Mack Rhodes, R. C. Clarke and Brownlow Jackson was received last week and found a ready market at 20 cents a pound. The biggest purchaser was J. O. Bell of Tuxedo, who took 53 of the 150 pigs, having taken 23 from the first shipment.

Many of the hogs were purchased for breeding purposes, but the majority were purchased for killing after fattening.

The firm of Houston & Son has also been buying hogs, which have arrived in three shipments, making a total of about 75, and they found a ready market.

The firm of Byers Brothers purchased about 30 hogs and these have also found a ready market.

It is believed that the local market is fairly well stocked at the present time and that the number of imported porkers will make an appreciable increase in the local meat supply.

**GERMANY'S PURPORTED PEACE.**

Washington, Dec. 20.—What purports to be an outline of the Kaiser's much-advertised "Christmas peace terms" has reached here through the same neutral diplomatic channels which earlier in the week received information from abroad that a new peace offer was coming.

In the main, the terms as described, follow the lines of those said to have been written by Foreign Minister von Kuehlmann last summer. At that time they were denounced as having been written purely for political purposes. The so-called terms are said to leave the disposition of Alsace-Lorraine to a plebiscite of the inhabitants.

Agreeing to pay Germany for her lost African colonies and money to be used for the rehabilitation of Belgium, Serbia, Rumania and Northern France. Russian provinces bordering the Baltic, the Black Sea and Prussia to become independent, under a German plan.

Poland to be called an independent state under Austrian suzerainty. Disarmament, freedom of the seas, and commerce to be left to the peace conference.

Washington, Dec. 24.—Germany's newest peace propaganda, viewed as a forerunner to an offensive in the west unless a German-made peace is accepted by the allies and the United States "should not for a moment induce us to slacken our preparations for war," says Secretary Baker today in his weekly review of the military situation.

**URIC ACID IN MEAT CLOGS THE KIDNEYS**

Take a glass of Salts if your Back hurts or Bladder bothers you—Drink more water.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush out the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink.
