CLIP THIS AND PIN ON WIFE'S DRESSER

Cincinnati man tells how to shrivel up corns or calluses so they lift off with fingers.

Ouch ! ! ! ! ! This kind of rough talk will be heard less here in town if people troubled with corns will follow the simple advice of this Cincinnati authority, who claims that a few drops of a drug called freezone when applied to a tender, aching corn or hardened callus stops soreness at once, and soon the corn or callus dries up and lifts right off without pain.

He says freezone dries immediately and never inflames or even irritates the surrounding skin. A small bottle of freezone will cost very little at any drug store, but will positively remove every hard or soft corn or callus from one's feet. Millions of American women will welcome this announcement since the inauguration of the high heels. If your druggist doesn't have freezone tell him to order a small bottle for you.

IF YOUR CHILD IS CROSS, FEVERISH, CONSTIPATED

Look, Mother! If tongue is coated, cleanse little bowels with "California Syrup of Figs."

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again.

Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure.

Ask your druggist for a bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups.

LEMONS WHITEN AND BEAUTIFY THE SKIN

Make this beauty lotion cheaply for your face, neck, arms and hands.

At the cost of a small jar of ordinary cold cream one can prepare a full quarter pint of the most wonderful lemon skin softener and complexion beautifier, by squeezing the juice of two fresh lemons into a bottle containing three ounces of orchard white. Care should be taken to strain the juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whitener and beautifier.

Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quarter pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It is marvelous to smoothen rough, red hands.

Hendersonville To Provide Ambulance

(By H. F. Stewart.)

Friends and donors to the Hendersonville Red Cross ambulance fund will be interested to learn that Hendersonville will send an ambulance to the front. Through the good offices and enthusiastic interest of Miss Sally B. Miles, of New Orleans and Flat Rock, the Hendersonville chapter is glad to announce that the funds necessary to purchase and equip an ambulance are practically available. Miss Miles has raised her donation to \$800, and others have given in smaller sums, ranging from \$62 down, Fassifern school heading the list of these smaller donors, with Mr. and Mrs. C. A. Hobbs coming in a close second with \$60, and a few others have given sums of \$25, \$10 and \$5, and there are a few other pledges of like amounts yet to come in, and these not as yet paid, or others who may wish to share in raising this ambulance will please see or phone Mr. F. E. Curtis, the chairman of the ambulance committee, or any officer of the Red Cross most convenient. Make checks payable to American Red Cross Ambulance Fund or to Mr. Curtis as chairman.

It is hoped that in a very short time the additional amount necessary to purchase and equip the ambulance ready for service at the front will be available. Hendersonville will be proud that she is to be credited with an ambulance in addition to the other good Red Cross work having been done and still being accomplished. We have not fallen below our allotted quota in any war cause yet, so come across good people and let's oversubscribe the ambulance also. Hold up the tradition we have set: "Over the Top in all things—Good."

SHAW'S CREEK PEOPLE ARE BUSY WITH PATRIOTIC WORK.

On Wednesday, April 14, the ladies of Shaw's Creek district met and organized a War Savings club known as "Camp Shaw's Creek." This is a division of the county organization whose general is Mrs. E. W. Ewbank. The officers bear military titles and are as follows:

Major, Mary Gallamore.
Company A—Captain, Jemima Rymer; lieutenants, Gertrude Bly, Helen M. Bly, and Miller.

Company B—Captain, Florence Jordan; lieutenants, Norment, Sargent, Green and McCrary.
Company C—Captain, Jennie Garren; lieutenants, Grover, Sprecher and Anders.

Company D—Captain, Belle Corriher; lieutenants, Guice, Bruce, Edney and Hyde.

Through this organization twelve War Savings certificates have been sold, 50 Thrift Stamps and three Liberty bonds; and quite a number of Thrift Stamp cards have been given to families who will fill them as soon as possible.

Nor has the work of the club been limited to the selling of War Savings and Thrift stamps. We have four quilt tops ready for quilting and we are now planning to give a play in order to get the cotton for them. These quilts are to be used in hospitals and ships where there is a shortage of blankets. We have made six Red Cross shirts and expect to help the National League make bandages as soon as the material arrives.

The Agricultural club of our district has ordered a community canning outfit, so the ladies are planting war gardens and will can vegetables and fruits and purchase War Savings Stamps with the proceeds.
