In accordance with the proclamations of the President of the United States and of the Governor of North Carolina and in cheerful compliance with the request of the Governor of North Carolina, I, C. E. Brooks, Mayor, do hereby designate the period beginning Saturday, June 22, and ending Friday, June 28, as War Savings Week for the city of Hendersonville, North Carolina.

I call attention to the fact that every citizen so notified is expected to go to the schoolhouse of his district on Friday, June 28, at 6 p. m., and also to the fact that a record of the attendance and proceedings of the meeting at his schoolhouse is to be made and preserved.

I urge all citizens of Hendersonville, with one accord, to work together to the end that, during the period designated above, the entire quota of War Savings Stamps apportioned to Hendersonville, which is \$29.00 per capita, may be secured in purchases and pledges by Friday, June 28.

## SUFFRAGISTS IN WAR WORK

By MRS. JAMES LEES LAIDLAW, Vice Chairman New York State Woman Suffrage Party.

The New York State Woman Suffrage party, since it finished its great task of carrying New York state for

November 6, 1917, has devoted itself exclusively to war work and various forms of civic and patriotic service. We have recently sent the first woman's hospital unit abroad from the United States. This unit is the "War Baby" of the National Woman Suffrage Association, with which we are affiliated.

We have just held a great naval and military meet at Madison Square Garden, where a large sum was raised for this remarkable unit, which has sailed to do such valuable work in France. Every person in it, even to the plumbers and mechanics, are women, and they volunteered for dangerous service. Other branches of our war service have been an intensive food conservation campaign and the War-Savings Stamps campaign. In all this active patriotic work we feel inspired with the thought of our own chairman, Mrs. Norman deB. Whitehouse, abroad on an important government mission and many others of the rank and file of our women who are engaged in devoted service "over there."

Citizenship Schools. Another interesting branch of our work is the great university extension of citizenship. Schools are being held throughout the state under our Educational Committee.

Another line of work is that of our Intelligence Committee, which lists officials of all political parties and all men in every township and county in the state who have run or are to run for office. It is believed this committee will become extremely intelligent as time goes on, and its intelligence will react on the civic welfare of the state most tellingly.

Our Americanization Committee has issued some very effective and educational literature and is organizing in every center and community where there are foreign groups.

Maintaining Morale. We realize that a great part of a nation's war time efficiency is in keeping life normal and efficient at home. In the last analysis that nation which keeps most nearly steady and normal in its industrial and domestic life will maintain that morale which will win the war for it.

The work of the Rural Problems Committee perhaps is of particular interest in this publication which is being sent out by the National Security League. Very few people in the country have stopped to realize how in our body politic the rural committees are discriminated against in the matter of socializing forces. Our great cities have their amusements, their municipal halls and baths, their community kitchens, their public libraries and lecture courses and innumerable settlements and clubs where people are drawn together and stimulated mentally and spiritually. We feel that some of these advantages should be brought to the country districts.

Any rural woman who wants to be put in touch with our legislative bulletin, with our correspondence courses in civic education or any information in reference to the work of the Woman Suffrage party should write to that organization at 303 Fifth avenue, New York city.

### PASTOR'S AID SOCIETY MEETS.

The regular meeting of the Pastor's Aid society of the First Baptist church was held last Thursday afternoon at the residence of Mrs. F. E. Curtis. The hospital meeting, at the same time, prevented many of the members from attending. Mrs. Curtis entertained the society on the upstairs veranda overlooking the mountains. The work for the summer was outlined and the rest of the time was spent in sewing and chatting. Punch and war cake were served before the society adjourned. The next meeting will be with Mrs. J. F. Brooks on the following Thursday afternoon at 4 o'clock.

### THE MINISTER POUNDED.

At the Baptist parsonage last Friday afternoon, with tact that was delightful, a large number of the members from the First Baptist church dropped around to see Dr. Bomar and family. They remained long enough to shake hands and to greet them for a few moments. Ample supplies were brought for the pantry, including the substantial of flour, meal and ham, and other good things for the table.

Dr. Bomar and family were entertained at the Kentucky Home for supper, together with some of the members of the congregation.

### MOTHER'S CLASS MEETING.

The mother's class of the First Baptist Sunday school hold a prayer service at the different homes every Friday afternoon at 5:30 o'clock. A cordial invitation is extended to attend these services. Last Friday afternoon the ladies met with Mrs. A. H. Burckmeyer. The service was conducted by Mrs. R. N. Pratt. The next meeting, Friday, June 21, will be with Mrs. Wm. C. Powell on Fourth avenue west.

### A BIRTHDAY PICNIC.

Mrs. Frank Randall entertained last Thursday afternoon at Mountain Side Park with a birthday picnic for her daughter, Estelle Nelson. A dozen little friends were taken to the park on a motor truck by Mr. Randall. After luncheon was served the little folks were carried to their homes by Mr. Randall.

## WHAT THE VICTORY OR DEFEAT OF GERMANY MEANS TO EVERY AMERICAN

(Contributed by ALBERT PAYSON TERHUNE, author and globe-trotter, to the National Security League's campaign of Patriotism Through Education.)

Germany's victory would mean all that the alarmists have said—the setback of humanity, democracy, civilization, rights of man, etc. But, to America, it would mean infinitely more.

It would mean our first national defeat; and, thus, would smash our perfect record for victories—a record as old as our nation—a record that means more than the right to brag. Even as a beaten army never wholly regains its old form—even as a beaten ring champion sinks at once into desuetude—so our nation (if its traditions of victory) would suffer far worse deterioration than the mere fact of defeat could inflict.

It would mean that the man who has risked all in his country's struggle for Right could never again feel his former calm certainty that Right must triumph. Thus, the moral tone of the individual, as well as of the nation, would inevitably be lowered.

This country has never embarked in a war of conquest. From 1775 to the present we have fought for Liberty or for Union or for the Oppressed—ever for some sterling principle of right. From childhood we have been taught to believe that the high unselfishness of our war aims has given us the victory. We have seen the decay or destruction of men and nations that have battled for dominion—as Germany is now battling. Should we fall in this, our mightiest war for the Right, the average man must lose forever the simple Faith which has led our dear country from nothingness to its present estate. For that Faith, more than for anything else, our sacrifice is a hundredfold justified.

Albert Payson Terhune.

## Your Country Calls!

Awake, Americans!  
Make this war your war.  
Every man must prove  
Right is Might.  
It means your liberty, if not your life.  
Combat German propaganda here.  
Attack everything un-American!

## Great Wheat Stocks Isolated.

It's the shortage in ships that is putting the Allies and the United States on wheat rations. Great stocks of wheat are isolated in India, and Australia. At great sacrifice in ship space and use the Allies are forced to secure some wheat from Argentina.

On January 1, Australia had stored 100,000,000 bushels of wheat that was ready for export—but there were no ships. Then came the new crop with an exportable surplus of 80,000,000 bushels. Now Australia has approximately 180,000,000 bushels waiting for ships.

India, at the same time, had 70,000,000 bushels of wheat stored for export. During April 50,000,000 bushels more out of the new crop will be added to the pile.

Argentina closed the last shipping season with 11,000,000 bushels of wheat left in the stock available for export. The new crop will add 125,000,000 to the left over.

It is not a problem that the world does not exist in the world—it is entirely a problem of shipping, which has thrown on America the obligation of dividing our stock with the Allies.

### BIG MILITARY BAND

Sam T. Hodges went to Greenville Wednesday and arranged with the authorities at Camp Sevier to have a 0 piece military band here for the arade and night exercises. This promises to be the greatest musical vent in the history of Hendersonville.

# BIG PATRIOTIC EVENT IN THIS CITY FRIDAY

## Brownlow Jackson Outlines The War Savings Campaign

BIG WAR SAVINGS STAMP CAMPAIGN ALL NEXT WEEK.

Great Preparations Being Made; Many Speakers to be Heard.

Preparations are under way for the great War Savings stamps drive which will be here all next week, June 23-29. Arrangements have been made to have every school in every district visited by some speaker during the week. Most of the speakers will be local.

A plan has been worked out so as

will be needed, so the people are urged to divert some of their energy from their own interests and help this great work.

Brownlow Jackson, county chairman of the war savings stamp committee, in conversation with a Hustler reporter, says that all the township chairmen have assured him that they will raise their quota and he expressed the assurance that the full quota would be raised and that Henderson county would go over the top without a hitch.

The quota for Henderson county is \$357,000, of which only 10 per cent has been raised up to the present time. This is a pledge campaign rather than a campaign to secure cash money. The pledges will be taken during the next week and the privilege of paying for the stamps at any time during the year will be given. Under this plan every one will be benefitted and the stamps will be within the reach of all.

BROWNLOW JACKSON

to give every man, woman and child in the county an opportunity to pledge something. Every individual who has an income of any amount will be expected to respond. Only pledges will be taken and these can be paid any time during the year.

Rev. Dr. E. K. Harding, pastor of the Central Methodist Church, Asheville, will deliver an address at the city hall in interest of the drive on Friday night, June 21, at 8:30 o'clock.

Judge J. C. Pritchard, of Asheville, will speak at the city hall Friday night, June 28, at 8:30 o'clock. Rev. Dr. W. F. Powell, also of Asheville, will deliver an address on the same night at the city hall. All these are good speakers and the public is urged to attend all meetings.

The president and governor and the county chairman have requested that all ministers preach a patriotic sermon next Sunday and impress upon the people the full significance of this great undertaking.

At the Methodist church next Sunday afternoon at 4:00 o'clock there will be a union meeting and the public is cordially invited to attend.

It will take a great amount of work all the week and every man is urged to devote as much of his time as possible to this work. All help

Preparations are being made for a great patriotic parade which will be Friday afternoon, June 21, in Hendersonville. This parade will be in interest of the great War Savings stamps drive which will be carried on the entire week of June 23-29. During this time Henderson county is expected to subscribe her quota of War Savings stamps and clear her record.

The parade will form on North Main street at 5:30 p. m. and will start at 6 p. m. sharp, so let those who expect to be in the parade to be on time and save delay. A military band will be on hand and there will be plenty of good music.

Dr. Hardin, of Asheville will be there and will deliver an address at the opera house at 8:30 o'clock. Everybody is urged to attend for his talk should interest every individual.

The Freeze-Bacon Hosiery Mill, Skyland Hosiery Mill, Gray Hosiery Mill and Green River Manufacturing Company have volunteered to lend their employees for use in the parade. All those who have automobiles and are willing to offer them for carrying mothers of soldiers and Confederate Veterans will please send your name to K. G. Morris. All those who can possibly do so are urged to respond.
