### CALOMEL DYNAMITES A SLUGGISH LIVER

Crashes into sour bile, making you sick and you lose a day's work.

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It is harmless, pleasant and safe to give to children; they like it.

### LIFT YOUR CORNS OFF WITH FINGERS

Tells how to loosen a tender corn or callus so it lifts out without pain.

You reckless men and women who are pestered with corns and who have at least once a week invited an awful death from lockjaw or blood poison are now told by a Cincinnati authority to use a drug called freezone, which the moment a few drops are applied to any corn or callus the soreness is relieved and soon the entire corn or callus, root and all, lifts off with the fingers.

Freezone dries the moment it is applied, and simply shrivels the corn or callus without inflaming or even irritating the surrounding tissue of skin. A small bottle of freezone will cost very little at any of the drug stores, but will positively rid one's feet of every hard or soft corn or hardened callus. If your druggist hasn't any freezone he can get it at any wholesale drug house for you.

### IF YOUR CHILD IS CROSS, FEVERISH, CONSTIPATED

Look, Mother! If tongue is coated, cleanse little bowels with "California Syrup of Figs."

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again.

Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure.

Ask your druggist for a bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups.

### TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your Hair! Get a small bottle of Danderine right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a small bottle of Knowlton's Danderine from any drug store. You surely can have beautiful hair and lots of it if you will just try a little Danderine. Save your hair! Try it!

## "IMPERIAL GERMANY" WHAT IT IS

By DR. TALCOTT WILLIAMS, Director of the Columbia University School of Journalism.

Based on the principle, immoral in ethics, tyrannical in operation, and perilous to all liberty, that certain men are born to rule, the "Imperial German Government" has for a generation been the foe of liberty and the enemy of freedom.

Talcott Williams.

In 1908, when the revolutionary Turkish government was for freedom, Germany opposed it; when it became tyrannical Germany made this government its ally. The German government harassed France not merely because it was its ancient enemy, but because its success as a republic made the French people perilous to princes. The German government plotted to restore the Manchu Emperor and the Russian Czar to their thrones.

### "Secret Enemy."

Because the American people by its prosperity and power made liberty desired by all the world the German government has been its secret enemy. Thirty years ago it plotted against our treaty rights in Samoa; it sent its fleet to worry and threaten Dewey at Manila in 1898; it offered to England, which refused, to overturn the Monroe Doctrine in Mexico. It has in fifteen years threatened Venezuela, Mexico, Hayti and other American states. When we were maintaining peace under great provocation, it proposed to Mexico and Japan to attack us, both refusing. It betrayed international faith in the dispatches sent through the Swedish Minister. It filled our land with spies, sought unavailingly to embroil us with those of German birth resident in this country, slaughtered our citizens on the high seas, contrary to all law, national and international, human and divine.

### "Bore Much."

We waited long, we bore much, and we are now sending our sons to the war declared against the "Imperial German Government" because the record of thirty years shows that neither liberty nor democratic institutions are safe the world over while that government is powerful. We wisely prefer, after what Belgium suffered, to fight Germany "somewhere in France" rather than in New York harbor; on the Somme, rather than on the Hudson. In one or the other we should have had to fight. In 1776 we sent our sons to fight for American liberty, and we won it. In 1812 we fought for the freedom of the sea, and we won that. In 1861 we sent our sons to fight for the liberty of the slave, and we won that. Today we send our sons out to fight for the liberty of humanity, and we shall win that.

## AN APPEAL TO ALL PATRIOTIC WOMEN

Mrs. Thomas J. Preston, Jr., (Formerly Mrs. Grover Cleveland) Urges Women of Nation to Stand Firm.

"We can win if America can be held steadfast and unswerving, and the women of America can hold her steadfast. Against all temptations to compromise the women of America should stand firm and united," says Mrs. Thomas J. Preston, Jr. (formerly Mrs. Grover Cleveland), in a message to the women of America, made public through the National Security League.

Mrs. T. J. Preston, Jr.

Mrs. Preston is active in the Security League work. She was the first woman to become a member of the League's National Executive Committee, and is secretary of the League's Committee on Patriotism Through Education.

Mrs. Preston's message to the women of the country reads in full:

### "Proclaim Liberty."

"Proclaim Liberty throughout ALL THE LAND unto all the inhabitants thereof."

"These words were written about 1400 years before Christ, as part of the Law of Holiness in the Book of Leviticus. Our fathers inscribed them upon the Liberty Bell which called our mighty nation into life.

"Today 'all the inhabitants' enjoy liberty, the Jew and the Gentile, the rich and the poor, the native and the alien-born, the weak and the strong. The old Liberty Bell is silent, for its voice has been heard 'throughout all the land.'

"But Liberty is not safe. It is menaced along the battle fronts of many nations, our own among them, and America requires a new motto for her old Bell: 'Proclaim liberty throughout ALL LANDS unto all the inhabitants thereof.' Until liberty is safe in all lands, it can not be safe in our own. Hence the task to which America has reverently and unselfishly dedicated herself.

### "Make Motto Real."

"The Fathers of this Republic, men of many races, with a common love of liberty, wrought into law our ancient motto, thus giving liberty a chance to enlighten the world.

"Today we, their descendants, are called upon to make real the new motto, and thus to give liberty the undisputed right to bless the world.

"This can be done but only after heroic struggle and self-sacrifice. A premature peace would mean failure. It would be only less disastrous than complete defeat. Against all temptations to compromise the women of America should stand firm and united.

### "Peace and Safety."

"Victory means peace and safety for our children; defeat means humiliation and practical servitude for them; while a negotiated peace, with the military machine of Prussia unbroken, means that everything in their lives must be subordinated to the task of preparing for another war with Germany. We can win now if America can be held steadfast and unswerving, and the women of America can hold her steadfast."

## HEARING GOOD THINGS OF HENDERSON COUNTY AND HER PEOPLE.

(By Thos. J. Rickman.)

It was the very great pleasure of this writer to meet with 5,000 other North Carolinians at the Chimney Rock Fourth of July celebration, and one of the first pleasing sights to see on arriving was the Hendersonville boys with their uniforms, guns and regalia. The right Honorable David Lloyd George, the present premier of Great Britain, has recently said that wherever he goes he hears nothing but good of the American boys. He now comes forth with the astonishing statement and says if Germany and her allies want to know what the terms of peace offered by all the thirty or more nations fighting for democracy and freedom are, they have but to listen to Woodrow Wilson, the head of the greatest democracy on earth. Yes, in plain language, it is now understood by all the world, the terms of peace when it comes is to be named by the president of the United States. Not a nation in Europe, Asia, South America, or the islands of the seas but that says America shall name the identical terms of peace.

It is the greatest honor, as well as the greatest responsibility that could ever be placed on a nation, but our glorious Constitution, our greatest of all peoples of earth, our flag of forty-eight stars, representing 48 of the most noble states that now exists or ever did exist, presided over by the cleanest, brainiest man that ever ruled a country, is equal to any task.

A large part of the good citizens of Henderson county are honest-hearted republicans in their politics, and naturally they would be glad if their party was in power during this terrible world war. Let this writer give them some consolation and food for developing thought.

Take up history and we find that he whom we call the father of our country, George Washington, was neither a republican nor a democrat, for neither of these parties had been formed then, but came into existence as our government and nation grew and expanded. First was the democratic party, said to have been formed by Thomas Jefferson, a greater statesman than whom had never lived up to his time.

of the Civil war, over the curse of slavery, and here is where republican party glory begins. We in the South did not know it then, but under the providence of God a greater and more glorious man than either Washington or Jefferson, came forth, a republican, Abraham Lincoln, the then greatest man on earth. As the Indiana poet, just after the battle of Bull Run, called him, "Father Abraham"—"We are coming Father Abraham, fifty thousand strong." They came many fifty thousand strong, at the father's call and they cleaned us up, in the South and set us right, just as America will set Germany and the world right now soon.

The American Revolution opened the occasion in the world's history for Washington to become great, the great issues arising under the young American democracy, furnished the opportunity for Thomas Jefferson to become great, but the issues of the Civil war called for a still greater and in Abraham Lincoln, through the republican party, arose the noblest and purest ruler ever known to the governments of earth.

Now Henderson county republican friend, do you not see that this world catastrophe, in which we are engaged, reaches out and affects all the nations on the globe and who shall be so wonderfully wise and good as to become a leader, whom all the peoples of earth (except the Huns and cohorts) will lend a listening ear and a willingness to follow?

Not England, with all her noble statesmen and world leaders; not France, with her brilliant heroes and wise rulers. To whom are the downtrodden of kingdoms to look for counsel and advice, if the kings of Europe and Asia will not do?

Mr. Wilson's name is today in every newspaper of any importance on the face of this planet. England refers the Hun to Mr. Wilson, France refers Austria, as well as Germany, Turkey and Bulgaria to Mr. Wilson; so of Italy, of Japan, China and ruined Russia, when she tries to

speak at all. Not a single republican in South America, or other part of the world, but what says, Mr. Kaiser know the terms of peace this world will accept, ask Mr. Wilson, he has the heart, he has the wisdom, he has the goodness, he is our spokesman, grandest democracy that ever existed. Wilson, the American president will name the terms of peace and other nation wishes to give him advice as to what the terms shall be for all humanity trusts America and its great president.

Mr. Wilson was elected through the democratic party and no wonder republicans zealously wish their own party had put forth this greatest and best man, who is to speak the words for all crowns, kingdoms and peoples. Surely, we democrats are proud of Mr. Wilson, as you republicans are of the glorious Lincoln.

Mr. Wilson will speak the terms of peace and will name the terms of peace and other nation wishes to give him advice as to what the terms shall be for all humanity trusts America and its great president.
