Artistic Simplicity Characterizes the New Fall Styles in

SUITS, COATS

DRESSES

While the inspirations for the new Fall and Winter fashions come from Paris, full credit for their development is due to American designers. Our own opinion is that this season's styles are more attractive than those of any past season within memory; and our opinion is verified by that of our customers.

There is no scarcity or lack of becoming fashions here. Every favored new style is represented in the extremely interesting display now presented for your approval and which you are urgently requested to inspect.
