CALOMEL SALIVATES AND MAKES YOU SICK

Acts like dynamite on a sluggish liver and you lose a day's work.

There's no reason why a person should take sickening, salivating calomel when a few cents buys a large bottle of Dodson's Liver Tone—a perfect substitute for calomel.

It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can not salivate. Children and grown folks can take Dodson's Liver Tone, because it is perfectly harmless.

Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tone instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tone acts better than horrible calomel your money is waiting for you.

NOTICE OF ELECTION AND BOND ISSUE.

Whereas, there has long been need of a Public Park for the City of Hendersonville, to accommodate the residents as well as the tourists and visitors who come to us by the thousands every year for rest and recreation, and whereas, the city now owns no property suitable for such purpose, and whereas, the present owners of the property on North Main street known as the Noterman property, containing about six and one quarter acres, are willing to convey this property to the city for said purpose at a price which the Commissioners feel should be submitted to the voters for their approval or rejection, the price being much less than the owners would be willing to accept for the property for any other purpose;

Now, therefore, be it resolved by the Board of Commissioners of the City of Hendersonville:

Sec. 1 That for the purpose of providing money with which to purchase said property for the purpose set forth above, that negotiable coupon bonds of the City of Hendersonville be issued in the sum of not to exceed the principal amount of \$23,000.00 said bonds to bear interest not to exceed six per centum per annum and shall mature within a maximum period of Thirty years, being the shortest period in which the debt to be evidenced by said bonds can be finally paid without making it unduly burdensome upon the tax payers of the municipality. Both principal and interest on said bonds to be payable at some bank in the City of New York, N. Y., to be determined by the Governing body of said City of Hendersonville and to be in such form as the Governing body, by resolution, may determine.

Sec. 2 That said bonds are to be issued entirely for the purpose of purchasing the property above referred to, to be used and controlled by the City of Hendersonville as a public park and for such other purposes as, by proper authority, from time to time, may be determined, and shall mature within Thirty years, the shortest period in which the debt evidenced by said bonds can be finally paid without making it unduly burdensome upon the tax payers of the municipality.

Sec. 3. That each year while any of said bonds shall be outstanding a tax shall be levied and collected in accordance with the law sufficient to pay the principal and interest of said bonds as the same shall fall due and payable.

Sec. 4. That statement of the debt of the City of Hendersonville has been filed with the Clerk, pursuant to The Municipal Finance Act of 1917, and is open to public inspection.

Sec. 5. That the assessed valuation of the property subject to taxation by the City of Hendersonville for the years 1916, 1917, and 1918, was for the respective years \$1,924,292—\$1,977,866—\$2,000,120, and that the average assessed valuation of the property subject to taxation by the City of Hendersonville for the three fiscal years in which taxes were last levied, being the years 1916, 1917, 1918, as shown by said statement referred to in the foregoing section is \$1,967,426.

Sec. 6. That the amount of the net debt of the municipality outstanding, authorized and to be authorized, as shown by said statement is, \$129,877.25.

Sec. 7. That this ordinance shall take effect upon its ratification by the qualified voters of the City of Hendersonville at an election to be called and held as provided in the following section.

Sec. 8. That an election is hereby called to be held at the usual polling place at the City Hall in the City of Hendersonville, N. C., on the 11th day of February, 1919, at which time and place the foregoing ordinance shall be submitted to the qualified voters of said city for their approval or rejection as by law provided.

LEMONS WHITEN AND BEAUTIFY THE SKIN

Make this beauty lotion cheaply for your face, neck, arms and hands.

At the cost of a small jar of ordinary cold cream one can prepare a full quart pint of the most wonderful lemon skin softener and complexion beautifier, by squeezing the juice of two fresh lemons into a bottle containing three ounces of orchard white. Care should be taken to strain the juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whitener and beautifier.

Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quart pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It is marvelous to smoothen rough, red hands.

TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your Hair! Get a small bottle of Danderine right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair. Get a small bottle of Knowlton's Danderine from any drug store. You surely can have beautiful hair and lots of it if you will just try a little Danderine. Save your hair! Try it!

If you suffer from backache, dizziness, if you have headaches, dizzy spells; if the kidney secretions are irregular, Don't delay—likely your kidneys are sick.

Hendersonville people recommend Doan's Kidney Pills.

Here's a Hendersonville man's experience: S. J. Collins, Second Ave., says: "I was troubled a great deal with rheumatic pains and kidney trouble. My back would ache severely and my kidneys were all out of order. When I would bend over I could hardly straighten again and I was troubled with dizzy spells and headaches. I tried different remedies but never found anything that gave me relief like Doan's Kidney Pills did. They took away the pains and aches and made me feel better. I always use Doan's whenever I feel this trouble returning." 60c. at all dealers. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

A FAMILY MEDICINE

In Her Mother's Home, Says This Georgia Lady, Regarding Black-Draught, Relief From Headache, Malaria, Chills, Etc.

Ringold, Ga.—Mrs. Chas. Gaston, of this place, writes: "I am a user of Theford's Black-Draught; in fact, it was one of our family medicines. Also in my mother's home, when I was a child. When any of us children complained of headache, usually caused by constipation, she gave us a dose of Black-Draught, which would rectify the trouble. Often in the Spring, we would have malaria and chills, or troubles of this kind, we would take Black-Draught pretty regular until the liver acted well, and we would soon be up and around again. We would not be without it, for it certainly has saved us a lot of doctor bills. Just a dose of Black-Draught when not so well saves a lot of days in bed."

Theford's Black-Draught has been in use for many years in the treatment of stomach, liver and bowel troubles, and the popularity which it now enjoys is proof of its merit. If your liver is not doing its duty, you will suffer from such disagreeable symptoms as headache, biliousness, constipation, indigestion, etc., and unless something is done, serious trouble may result. Theford's Black-Draught has been found a valuable remedy for these troubles. It is purely vegetable, and acts in a prompt and natural way, regulating the liver to its proper functions and cleansing the bowels of impurities. Try it. Insist on Theford's the original and genuine. E 79
