WAYS WITH LEFTOVER FISH.

HERE are so many dainty dishes using leftover fish which are both palatable and wholesome. Fish a la Creme—Put two table spoonfuls of butter in a saucepan; when melted add a table spoonful of flour; when well cooked add two egg yolks and a cupful of milk which have been beaten together. Add slowly and stir constantly; when thick and smooth, add a teaspoonful of salt, a few drops of onion juice, a few dashes of paprika and the fish. Fill the ramekins and cover with buttered crumbs. Place in a hot oven for a few minutes, or until the crumbs are a light brown. Garnish with parsley.

Escalloped Fish.—Take three cupfuls of any cooked fish; flake it. Butter a baking dish, sprinkle with bread crumbs, then cover with flaked fish, from which all skin and bones have been removed, then add more crumbs. Cover with a cream sauce to which has been added a tablespoonful of chopped onion, a tablespoonful of Worcester shire sauce, two tablespoonfuls of chopped parsley, two tablespoonfuls of sauce and pepper to taste. Use two cupfuls of white sauce. Bake uncovered for half an hour.

Fish Souffle.—To one cupful of flaked fish add a cupful of cream sauce, three egg yolks beaten light and two cupfuls of rice potatoes. Fold in the beaten egg whites. Brush a baking pan with sweet fat, put in the mixture, rough it on top and bake until a light brown. Serve at once.

Fish Salad.—Mix a cupful each of rice, celery and one-half cupful of mayonnaise and a tablespoonful of chopped onion. Place any leftover cooked fish, like halibut or haddock, in the center, mixed with a half cupful of the mayonnaise and the rice and celery around it. Garnish with tomato jelly cubes or with parsley.

A cupful of flaked cooked fish of any kind added to a cupful of good white sauce, served poured over buttered toast, makes a most nourishing lunch-dish.

Soldiers Overseas To Serve For Y. M. C. A.; Fewer Men Go From U. S.

General Pershing Tells Y. M. C. A. to "Take Their Pick" From Men of A. E. F., Which Cuts Down Recruiting Program in This Country

Atlanta, Ga., Jan. 5.—The offer of General Pershing to release officers and men of the A. E. F. from military duty in order that their services might be utilized by the Y. M. C. A. resulted in the recruiting of a large number of soldiers for "Y" work, and naturally resulted in a decrease in the number of men being sent from this country overseas.

Up until the time General Pershing's offer was made, the Y. M. C. A. had done extensive recruiting for the purpose of sending a large number of workers overseas. But when it was learned that workers could be secured in France—men well fitted for the work because of their familiarity with conditions—the services of many men in the United States were not needed.

While many candidates for service overseas were disappointed over the outcome, the Y. M. C. A. could not have acted otherwise. General Pershing said that the Y. M. C. A. should take any sol-

diers it wanted and as many as it wanted, and by so doing the Association has saved a great deal of money that would have been spent in transporting the workers to France. The soldiers in France know the work of the Y. M. C. A. almost as well as their own, and those who have been so far selected are making excellent workers.

The Y. M. C. A., however, will not discontinue the sending of men to France. Now and then men who are especially qualified for the work overseas will be used, only they will be fewer in number.

Dr. W. W. Alexander, director of personnel for the Southeastern department, points out that the generous offer of General Pershing is only another indication of the high esteem which is held for the Y. M. C. A. by the United States government and by the leader of the American Expeditionary Forces.

ENORMOUS AMOUNT OF SUPPLIES SENT BY Y. M. C. A.

Cost of Sweets and Smokes for One Month Reaches Staggering Figure—Armistice Didn't End Smoking on Any Front

New York, Jan. 5.—Almost \$4,000,000 worth of smokes, sweets, sporting goods, chewing gum and other commodities was shipped to France during the month of November by the Army and Navy Y. M. C. A., for the use of the American Expeditionary Forces. A statement by the National War Council and tends to demonstrate that the demand for supplies of this character has not been reduced by the fact that hostilities have ceased.

In exact figures the value of the supplies shipped to France was \$3,835,908 and each month's quota will approximate this total until the forces overseas have been materially reduced by demobilization.

The demand for tobacco, cigars and cigarettes has not diminished since the armistice was signed, as witness the fact that \$1,351,000 of the total amount went for the purchase of the weed in some form. In the shipments were 464,911 pounds of tobacco, 198,065,320 cigarettes and 99,700 cigars. As for confectionery, there were 213,800 pounds of hard candy, 175,918 pounds of chocolates and 329,280 packages of cough drops, not to mention 537,600 tins of jams and 6,541,300 pounds of sugar. The chewing gum consignments totaled 6,100,000 packages—enough to load every slot machine in the United States.

Y. M. C. A. SECRETARY HONORED FOR BRAVERY

Brooklyn Man is Awarded Croix de Guerre by Commander of Polish Forces

Paris, Dec. 11.—"For heroic and untiring work for the soldiers while under fire," Stanisly Modra, of 2123 Caton avenue, Brooklyn, a Y. M. C. A. secretary, has just received the Croix de Guerre from General Haller, commander-in-chief of the Polish army, and has been mentioned in the official citations. He is the third Y. M. C. A. man thus honored for conspicuous bravery.

Modra has been with the Polish forces continuously since his arrival in France five months ago, and has given many notable exhibitions of gallantry and fidelity to duty. During the last days of the hostilities he served with the First division in the Vosges, in charge of a hut in a narrow valley between the first and second line trenches. From this hut he made trip after trip, carrying supplies to the men at the most advanced posts, and was under fire repeatedly.

When the fighting was at its heaviest Modra and the men associated with him in Y work continued their ministrations to the soldiers, serving cocoa, cakes, when the men were in position to receive them, and cigarettes. This service contributed much to the high morale of the troops and won not only the praise of the officers but the lasting gratitude of the men.

DR. R. O. FLYNN AS "Y" WORKER

Well Known Minister Leaves Pulpit to Take Up Work Overseas

Atlanta, Ga., Jan. 5.—Dr. Richard Orme Flynn, pastor of the North Avenue Presbyterian church, is going to France for the Y. M. C. A.

Dr. Flynn, who is one of the best known ministers in the Southeast, and who has a host of friends throughout this section of the country, will be engaged in special educational work, and will likely be overseas for some time.

SWEET CHOCOLATE CARRIED UNDER FIRE

Chocolate Furnished by Y. M. C. A. Arrives Just When It Is Needed

With the American armies in France, Jan. 5.—Praising the men of Company D, 109th Machine Gun Battalion, 28th Division, Howard R. Keister, a Y. M. C. A. man of Dunnellon, Fla., tells how, when without food, they sent the sweet chocolate which he secured for them to an isolated platoon, which was under severe fire, across the Vesle river at Fismes.

It was during the heavy fighting eastward from Chateau Thierry, that the men of the 109th Machine Gun Battalion got ahead of their supplies, and the sweet chocolate which the Y. M. C. A. managed to get to them, was specially welcome.

The battalion reached the Vesle river on its advance. There the German line held. Men were thrown across the river by various units to keep in contact with the enemy. There was terrific fighting all along the line. A platoon of Company D was hurried over to help in holding the narrow strip that had been taken at great cost by the American soldiers. It was surrounded on three sides by the Boche, who tried every means in his power to dislodge them,—gas, shells, machine gun fire and snipers. It was a difficult matter to get food over to them for men with supplies had to cross the river which was exposed and under heavy fire.

FIGHTING PARSON GETS WAR CROSS

John Clifford Wearing Y. M. C. A. Uniform, Proves Himself Real Hero

New York, Jan. 5.—There have many war heroes, but there is certainly no more conspicuously heroic figure than John H. Clifford, Baptist minister in time of peace, but real fighter in time of war, who has been awarded the Croix de Guerre for extraordinary heroism in action.

John Clifford, as a Y. M. C. A. worker, braved the red wrath of war. He has been in the firing zone as much as the hardest infantryman and was decorated for a most unusual exploit. He was one of three men who braved incessant enemy shell fire while rescuing Col. Albertus W. Catlin, commanding officer of the Sixth regiment of Marines. The trio carried the colonel to safety on a stretcher.

Mr. Clifford went over the top many times and came near being killed on several occasions. He is fifty-one years old and was born at Oxford, England, and has preached the gospel in many parts of the world. When given a chance to serve with the Y. M. C. A. in France, he knew that it was a good thing, and he jumped at it.

PERSHING SENDS MOTT NEW YEAR GREETINGS

Paris, Dec. 26.—Many times during the past year General Pershing has taken occasion to commend the work of the Y. M. C. A. for the soldiers of the A. E. F. and to express his keenest appreciation for the many good deeds done by the "Y" in this country.

On Christmas Day the commander of the American Expeditionary Forces sent the following cablegram to Dr. John R. Mott, head of the National War Work Council:

"With a deep feeling of gratitude for the enormous contribution which the Army Young Men's Christian Association has made to the moral and physical welfare of the American Army, all ranks join me in sending you Christmas greetings and cordial best wishes for the New Year."

"Where are my reading glasses?"

Mischievous daughter has picked Daddy's pocket and watches him gleefully as he searches in vain for his reading glasses.

If Daddy wore KRYPTOK Glasses, he would be freed from the "off-and-on" nuisance of the two-pairs-of-glasses bother, because KRYPTOKS (pronounced Crip-tocks) would give him, in one pair of glasses, the necessary correction for both reading and distance.

And KRYPTOKS give him this convenience without that drawback of other bifocals—the conspicuous age-revealing seam or hump.

KRYPTOK GLASSES K THE INVISIBLE BIFOCALS

are crystal—their surfaces smooth and even. They cannot be distinguished from ordinary lenses. That's why KRYPTOKS are called "the invisible bifocals."

We are competent to meet the optical needs of the most exacting patron. Call at your convenience.
