The Presbyterian Sunday School will give a picnic at Laurel Park Thursday afternoon to which all members of the church and the Presbyterian visitors in town are cordially invited. Autos and carriages will be at the church to convey the people to and fro. Supper will be served in picnic style at Basin spring. Plans are being made for everybody to enjoy this outing.

The Victory service at the Methodist church last Sunday morning was well attended. The soldiers sat in a body in the middle tier. The anthems by the choir were particularly good and the tenor solo, "Oh, Dry Those Tears," by A. W. Hunnicut was a treat for music lovers. Red roses, white hydrangeas and blue larkspur made an effective decoration representing as they did the national colors.

Among the guests at Mrs. J. M. Waldrop's on Fifth avenue are the following who have spent other summers here. Mrs. Emma Draper and daughter, Mrs. H. R. Savage of Wilmington, N. C., Mr. and Mrs. Douglas McKay and aunt, Miss Mary Walker, of Columbia, S. On Friday, June 6, 100 wounded soldiers, a few nurses and physicians from Camp Wadsworth arrived at 10:55 and were taken in cars by the people of Hendersonville to Chimney Rock where courtesies were extended to them by Dr. L. B. Morse and an excellent dinner served them by the Board of Trade. They returned to camp that afternoon at 4:30 o'clock.

#### A REALLY GOOD SHOW

"The Roseland Maids," at the opera house all of this week, are presenting a most excellent show—one of the best ever here.

Downard and Downard present an act well worth seeing. The Roseland Quartette are harmony singers, who know what harmony is, and their songs are sweet to hear. Dainty Elsie Wiggins is dainty in appearance and dainty in her singing. The other acts on the program measure well up to a high standard.

The show is certainly worth seeing and will be here all this week with an entire change of program every night.

#### CARD OF THANKS

We are deeply appreciative of all kindness shown us and all sympathy conveyed to us during our recent bereavement, occasioned by the death of our father.

"Build now." Goodrich is quick to echo the word and pass it along.

Just as Goodrich for years spread the message of building roads—new roads, good roads, better roads.

The Goodrich Guide Post pointing the way at cross-roads everywhere in our land, marks the Goodrich interest in roads.

But Goodrich Tires are built to meet the conditions of all roads, rough or smooth, paved or unpaved.

Whatever kind of going, the Goodrich SAFETY-TREAD with its interlocking safety bars lay down more rubber, more wear, and more safety on the road.

The Goodrich extra wide tread, fortifying the sidewall, is your best defense when you must ride deep wagon tracks.

Build roads, good roads. They help you get out all the service value Goodrich puts into tires.
