The best way to have a thing done is to do it, the truth of which Hendersonville is about to realize with reference to the building of hotels.

Hendersonville is progressing as never before and there is no better way to keep up with its progress than through its leading local newspaper. Save money by subscribing before the price advances.

Transylvania county is getting in dead earnest for a railroad to connect with southern points. A big mass meeting was held and a committee was appointed to raise funds for a preliminary survey.

Friends of The News who have a custom of subscribing for their friends are reminded that all subscriptions will be payable in advance after next month and that the price will be raised from \$1.00 to \$1.50.

Save a few dollars by subscribing for The News in advance for a few years at the \$1.00 rate. Five-year subscriptions will be permitted for \$5.00. After December 31 all subscriptions will be at the rate of \$1.50 and collectible in advance.

The Marion Progress names J. W. Winborne as the logical man to be elected to the judgeship to fill out the unexpired term of the late Judge Justice. The News has had out a candidate a long time in the person of Major Michael Schenck. Who else has a candidate?

The wholesale houses are now dealing out blank newspaper as though it were sugar—only 500 pounds to the customer. This amount will not go far. And you have to pay 8 cents a pound when it used to be about 5 cents. How much longer could a \$1.00 newspaper that is worthy of its name be expected to survive? Better renew before the advance in subscription rates.

Always pulling for Morganton the News-Herald of that place points out that Morganton would be the most logical place for one of the two hospitals it says the Baptists are going to build in this state as a result of the 75 million campaign. Please don't muddy the waters, Sister Cobb, nor count the chickens before the eggs are hatched. But, of course, we will raise our six millions, and the early bird may get the worm.

The News has been delayed in getting statements to subscribers of The News before its consolidation with the Hustler as to the exact amount due under the then prevailing price of 50 cents a year while the paper was in its pink dress. Statements will within a few days be mailed to those who were in arrears. Subscribers are requested to renew promptly as the price will advance with the beginning of the year 1920.

Republican politics has begun to pick up a little activity. L. L. Jenkins, candidate for congress, has opened offices in Asheville. We observe by our exchanges that he is covering various sections of the district in person. The Franklin Press in an innocent looking item said that he was visiting in Franklin but did not mix him up with politics. It is stated that he was impressed with the Baptist church building in process of erection in Franklin that he made a donation of one thousand dollars. If he is loosening up with the coin like that Hendersonville had ought to invite him to come over and build a hotel. Brownlow Jackson wouldn't care.

NOTICE

Notice to unpaid Taxpayers. Please pay your taxes during the month of December and save the penalty of one per cent for each month which will go on commencing Jan. 1st, 1920 and continue until paid, according to Laws of 1919.

Very respectfully,
A. E. HUDGINS

MORTGAGE SALE

By virtue of the power of sale contained in a certain mortgage deed executed to the undersigned by Wesley Logan and wife, Angeline Logan, on the 6th day of September, 1916, and recorded in Book 46 at page 132 of the Henderson County mortgage records, to secure the indebtedness therein mentioned, default having been made in the payment of both principal and interest—I will sell at the court house door in the City of Hendersonville, at 12 o'clock M., on Saturday the 15th day of December, at public auction, for cash, to the highest bidder, all the following described pieces or parcels of land lying and being in Hendersonville township and designated as follows:

FIRST TRACT: BEGINNING at a stake in a branch known as the school house branch and in the middle of the public road, the beginning corner being 48 poles with the road in a Southerly direction from Nelson's and Liveretts corner; thence with the branch North 57 west 25 3-4 poles to a stake on the south bank of said branch; thence South 33 degrees west 22 poles to a stake; thence south 57 east 17 3-4 poles to a stake on the bank of the public road; thence with the public road to the BEGINNING containing 14 acres and being a part of the lands described in the petition filed in the Special proceedings J. D. Nelson et al vs. Sam J. Finley on file in the Clerk's office Superior Court of Henderson County.

SECOND TRACT: Being all the land described in the deed of J. R. Liverette and wife, M. A. Liverette, to W. C. Logan and dated October 7th, 1913, recorded in Book 85 at page 86 of the records of deeds of Henderson County to which reference is hereby made for a complete description by metes and bounds and which said tract contains nine acres. The first tract herein described being the home place of said W. C. Logan and Angeline Logan, containing their residence, outbuildings, etc.

This sale being made to satisfy said debt, interest and costs. This the 7th day of November, 1919. E. W. EWBANK, Attorney 11-13-4tc.

"Spray for Better Fruit" DRY LIME SULFUR

This material is the Genuine Liquid Lime & Sulphur dried by a patented process, taking out the 50 per cent or more of water on which you have to pay freight.

It is not a substitute such as many preparations put on the market under similar names. A can weighing 100 pounds of Dry Lime Sulfur is equal to a barrel of the Liquid Lime and Sulphur weighing 600 pounds. It dissolves easily in water and is equally as effective as the liquid.

This has been on the market for several years and has been thoroughly tested. We sold a large quantity of it last year and our customers have expressed themselves as being very much pleased with it and thoroughly satisfied as to its effectiveness and economy in use. Two pounds of the Dry Lime Sulfur is equal to a gallon of the liquid.

This material is recommended for use the same as the liquid Lime and Sulphur to control the San Jose Scale, and should be applied any time during the winter or early spring before the buds begin to swell, using 10 to 14 pound to 50 gallons of water. For bad cases of Scale we advise an application in the fall immediately after the leaves disappear and in the early spring before the buds begin to swell.

For orchards that have no scale it is advised to use this preparation in the dormant season to prevent scale and to keep the trees in a healthy condition, as it is a preventative and cure for other forms of fungus disease.

Taking the freight into consideration, you will find this preparation more reasonable than the liquid lime and sulphur and much more convenient to handle.

Write for circular and prices.

NOTICE OF SUIT FOR FORECLOSURE OF TAXES

State of North Carolina Henderson County

It appearing to the Board that the notice heretofore given to the parties whose lands have been sold for taxes for the years 1913, 1914, 1915, 1916, and 1917 that the taxes due and penalties allowed by law must be paid, was not met with the proper response. It is now therefore ordered that the Chairman of the Board of Commissioners and the Attorney for the Board bring suit in the Superior Court for the foreclosure of all taxes due, the cost of sale and the penalties allowed by law. All cases where said taxes cost and penalties are not fully paid on or before Dec. 15th, 1919.

This 8th day of Nov. 1919.
J. N. RUSSELL, Chairman.
S. J. WHITAKER.
