PHYSICIANS OF WESTERN CAROLINA WILL MEET IN THIS CITY THURSDAY

Addresses by Dr. L. B. McBrayer, of Sanatorium, secretary of State Medical society, and Dr. J. W. Long, Greensboro, will feature the annual convention of the Tenth District Medical Society at Hendersonville next Thursday, October 12.

Two meetings will be held, in the afternoon at 2 o'clock, and in the evening at 8 o'clock. The physicians of the tenth district will be the guests of Hendersonville chapter. A banquet will be held at 6 o'clock.

Mayor Mack Rhodes, Hendersonville, will deliver the address of welcome at the initial session, with response by Dr. Thompson Frazer, Asheville. Dr. Guy S. Kirby, Marion, president of the society, will give his annual report following the preliminary speeches. The minutes of the last meeting will be read by Dr. W. J. Hunnicutt, Asheville, secretary.

Addresses will be made by Dr. A. C. McCall, Asheville, on Salivary Glands in Relation to the Nose and Throat Specialist; Use of X-Ray and High Frequency Currents in Treatment of Malignant and Many Benign Conditions, Dr. W. P. Whittington, Asheville; report of cases, Dr. Guy Dixon, Hendersonville, and Dr. I. B. McBrayer.

The evening session will be featured by election of officers. Addresses will be delivered by Dr. R. R. Ivey, Asheville, on Some Aspects of Duodenal Ulcer; Illustrated Lecture on Radiographic and Clinical Study of the Lungs of Children, Drs. J. D. MacRae and Thompson Frazer, Asheville; report of cases, Dr. J. S. Brown, Hendersonville; and Dr. J. W. Long, Greensboro, president of State Medical society.

Officers of the district society are: counselor, Dr. Eugene B. Glenn, Asheville; president, Dr. Guy S. Kirby, Marion; vice presidents, Drs. J. R. McCracken, Waynesville; W. B. Adams, Murphy; W. R. Kirk, Hendersonville; Dan Bryan, Bryson City; and Dr. A. F. Toole, Asheville, secretary.—Asheville Times.

KIWANIS CLUB ELECTS DISTRICT DELEGATION OF 2

The Kiwanis Club Thursday elected P. L. Wright and L. J. Penney as delegates to the Asheville district conference to be held Oct. 17 and 18. Miss Nancy Bomar will be the club's sponsor, and Prof. A. W. Honeycutt is on the program for a song or two.

The Kiwanians, taking note of the golf enthusiasm which is enveloping the city, put up a handsome loving cup to go to the member of the Hendersonville Golf club winning the annual fall tournament.

Next Thursday the Kiwanians will be the guests of the Gilbert H. White Company at the in-take being constructed in connection with the new water system development.

PROMOTION AND RALLY DAY WITH PRESBYTERIANS

The Sunday school of the Presbyterian church is planning an interesting inspirational service for Rally Day next Sunday. The theme of the entire service will be the ministry of the Bible. This theme will be developed by each of the several departments of the school, each department through chosen representatives portraying its need and use of the Bible. Each group will also contribute to the musical program. The church will be decorated by Mrs. Everett's class of girls. Sunday is also promotion day, and the school is making an effort to bring the enrollment up to 200 at that time.

GRAND JURY HAS NOT COMPLETED ITS WORK

The grand jury will probably complete its work this week. It had not finished its work incident to passing upon bills presented to it Friday morning.

The grand jury found time to visit the county farm yesterday afternoon and will visit the other county institutions before adjournment.

In view of the unusually large number of bills to be passed upon the work has been much heavier than usual.

PARENT-TEACHER BODY TO ENDORSE WORK OF NURSE

Probably the most interesting in every particular was the Parent-Teacher meeting on Tuesday night. Questions of vital importance to the young people of the city schools were discussed and more or less definite steps taken. The usual routine of business was carried out, with reports from committees on school lunch, chautauqua, recreation and programs. Due appreciation was expressed publicly to these committees for their earnest endeavors and results obtained.

The appointment of new committees was taken up, one of the most important was that of the committee to meet with the school trustees of the city to express co-operation in every good thing in behalf of the boys and girls. An adequate high school building was discussed at length with viewpoints of teachers and parents made known. An adequate school building was thoroughly explained—the advance ideas and advantages of the departmental work taken care of.

Father Swanman made a most appropriate address illustrated by describing an angle of vision circumscribed rigidly on one side by religion, on another by politics and another by the selfishness of one's own particular child. The narrowed vision as set against the broadened angle which becomes an entire circle unbounded by angles, away from politics, narrowed religion, and a system for the children of all the people. Very timely, suggestive and helpful this message from a member of the clergy to those who have the everyday school training of the young American citizens in hand.

Miss Pearl Weaver, the county health nurse, was present and upon request, spoke of her work in the health crusade. No estimate can be placed on the work throughout the communities that she is bringing to pass. Resolutions of appreciation will be drawn up, placed on record, and given to the local and Asheville papers, on the work of the Red Cross leader in this county, Miss Weaver, who was recently elected president of the State Nurse's association.

The treasurer had on this occasion a mite box, for the free will contributions. It is hoped at later meetings this will become a Mite-Y box. No dues or taxes are compulsory but this little contribution demonstrated the interest growing, as was also shown by the applications for seven new memberships. Any person interested in the forward movement of the school system is eligible to membership. The list is not restricted except as to interest.

At the adjournment Mrs. Parsons, chairman of the school lunch committee, served those attending a delicious cup of hot coffee with sandwiches.

Publicity Committee,
Parent-Teachers Association.

You Write the Head To This Story; We Dare Not

Comes A. H. Hawkins, the jeweler, and says he caught 143 fish in the Savannah river. Mr. Hawkins' father, mother, wife, sister of Morristown, and brother, C. C. Hawkins of Canton, were in Savannah with Mr. A. H., the party having motored down to the Georgia city for the week, returning Thursday. The fisherman, despite all the folk in his party, does not offer any of them as witnesses to the above mentioned 143.

The reporter then ventured up the street to the store of Brenner-Penny. Says Mr. W. F.: "We caught a mile or two of fish at Wilmington."

Overcome and overwhelmed, the reporter sought W. F. Wetmur. "All the Fords made couldn't transport our catch back to Hendersonville," said Mr. W. F.

The reporter, simple-minded he admits, thought he had better not seek out the other fishermen. He let it go at that, and turned in his copy, marking the incidents, respectively, as numbers 3,456,781, 2 and 3.

The more sales you expose yourself to, the more you will get.

VENIRE OF 100 SUMMONED FOR MAXWELL JURY

Hubert Maxwell, who is charged with the murder of George W. Garren, was arraigned in court this week and he entered a plea of not guilty.

A special venire of 100 Henderson county men has been drawn and Sheriff Grant and his deputies have been ordered to summon them for appearance at 10 o'clock next Tuesday morning.

Cases of minor importance continue to occupy the time of the court. The following cases have been disposed of since the report given in The News Wednesday:

In the case in which J. H. Stepp, Minnie Stepp and H. G. Stepp were charged with an assault, J. H. Stepp was found guilty and fined \$50, while the other two defendants were found not guilty.

Cobert Lyda entered a plea of guilty on the charge of larceny, admitting the taking of a can of gasoline. Prayer for judgment was continued and the defendant was placed under a bond of \$200.

Zan and Merida Lyda were found guilty of an assault with a deadly weapon.

Hattie Green Spears was found to be not guilty of retailing.

Wayne Beard was found guilty of transporting in one case and not guilty in another.

Vol Stroup was found guilty of carrying a concealed weapon and also of disturbing a religious meeting. He was given six months on the road for the disturbance of worship and three months for carrying a weapon.

Judgment was suspended on payment of the cost in the case of Cleveland Anders, charged with cruelty to animals.

Ambrose Green plead guilty of carrying a concealed weapon and was fined \$50 and costs.

J. F. STEPP URGES BUILDING OF SECONDARY ROADS AS BEST MEANS OF RURAL DEVELOPMENT IN COUNTY

Editor of The News:

A few days ago I had an invitation by M. Allard Case, superintendent of roads for Henderson county, to accompany him to inspect the work on the new road being built from Hendersonville to Sugar Loaf mountain. We traveled on the Edneyville road for two and one-half miles, leaving said road at Moore's Mill. We then traveled over the old Ridge road leading to Edneyville, to the old Blue Ridge postoffice. I was surprised to find the grade of road being built across this beautiful section of country. The road has been graded down and widened and is now being sanded. When finished it will be one of the best roads in the country, being a road upon which any automobile can exceed the speed limit.

We are delighted to see one of our most beautiful sections of country being opened up by such a grand road. Leaving this road at a point near the old Blue Ridge postoffice we turned to the left up on the Sugar Loaf road. This road leads across a beautiful farming and fruit growing section that has been hidden from the view of our tourists, not even one-tenth of our own people knowing of

First Lyceum Number Proved Very Popular; Next Program Oct. 17

The opening number of the lyceum course, "The Lewis Concert Party," was well attended and universally enjoyed. Sam Lewis, a distinguished Welsh tenor, has been in concert and oratoria work for eleven years. He is one of the most popular ballad singers in America, and his voice possesses a never-to-be-forgotten richness that goes home to the heart of every hearer.

With Mr. Lewis appeared Marie Colliton, pianist; Linn Schuler, violinist, and Nell Adams, reader.

Miss Colliton is a graduate of music department of South Dakota State college, and has taken post graduate work with Jeanne Boyd, of Chicago.

Linn Schuler, violinist, is a pupil of Frank Mach, of Omaha, a graduate of Bush Conservatory, of Chicago, and artist-pupil of Richard Czerwonky.

Nell Adams, reader, is a graduate of Lyceum Arts Conservatory of Chicago. She was formerly with Elias Day Players, and has been very successful in the portrayal of comedy roles.

"Cappy Ricks" will be the next number, which will appear on October 17.

SUBJECTS OF SERMONS AT BAPTIST CHURCH SUNDAY

"What Value Does My Church Place on Me?" will be the subject of the sermon at 11 a. m. in the First Baptist church by Dr. Bomar. At 12 o'clock, immediately after preaching services, there will be a most important business meeting.

The subject of the sermon at night is "Religion for the Rank and File."

LaPLAZA HOTEL CLOSED

The LaPlaza hotel closed this week and Frank Wren, the proprietor, has gone to St. Petersburg, Fla., to operate his hotel there under the same name. He expects to open his local hostelry the first of next April.

GOLF MATCHES NARROW DOWN IN CUP FIGHT

A spurt of golf enthusiasm has enveloped the Stoney Mountain course these last few days, the event being the annual fall tournament. Semi-finals are being played today, and the finals will likely be reached by Saturday.

The enthusiasts are working hard for the Kiwanis cup and the other valuable prizes. The cup will become the property of the club member who wins it three times.

Players in the semi-finals are: W. F. Edwards and W. P. Whitmire; A. R. Hanson and Leslie Walden; W. Griffith and D. P. Dinwiddie; C. F. Bland and J. Mack Rhodes, and Mrs. D. H. Roberts and Dr. H. I. Hodges.

Buddy Richardson on Thursday was eliminated by A. R. Hanson, 2 up; Chas. Weiching lost to Frank Edwards, in 11 holes, 1 up; Mrs. W. R. Kirk was defeated by Mrs. Roberts, 1 up; Dr. Griffith beat R. P. Freeze, 4 up; Boone Arledge lost to Dinwiddie, 4 up; L. J. Penney gave the honors to Dr. Hodges, 4 up; Dr. R. E. Sample lost to Walden, 3 up; Whitmire beat Roberts, 5 up; Dr. W. B. Wilson lost his match, 3 up, to C. F. Bland.

Carrol P. Rogers defaulted to His Honor, J. Mack Rhodes.

W. P. Whitmire made the low medal score of 44.

The tournament has been by far the best ever held in Hendersonville, and club officials are elated over the interest shown.

Rymer Community Club To Resurrect Itself On Next Wednesday Night

The Rymer Community Club will be resurrected on next Wednesday night at the Rymer school house.

H. A. Corriher, who was president of the former organization, which developed into a high state of efficiency and service during the war, has called the community together for next Wednesday night and he is anxious that any one who is interested in the community welfare be present.

Mr. Corriher has a strong conviction that the success of the farming communities of the county lie to a great extent in the community organization working hand in hand with the county agent.

Just as soon as the organization is perfected it will probably be the policy of the club to invite outside speakers to address the people on various topics of vital interest to them.

The rattler was over Mr. Jordan's garage for two months, having been left there by an acquaintance, who failed to return and claim the reptile, which after this period of enforced fasting, though too warm to be hibernating, showed considerable pluck and fighting spirit.

RATTLER FASTS FOR TWO MONTHS DURING SUMMER

Guy Jordan has been experimenting with a big eleven-year-old rattler by seeing how long he would live in summer without eating or drinking.

The rattler was over Mr. Jordan's garage for two months, having been left there by an acquaintance, who failed to return and claim the reptile, which after this period of enforced fasting, though too warm to be hibernating, showed considerable pluck and fighting spirit.

"A market is no bigger than the advertiser's imagination."

SHELTON HOOTS PREFERRED DEATH TO COURT TRIAL

Shelton Hoots, aged 22 years, who took strychnine last Wednesday rather than face a jury on the charge of blockading, died at the Patton Memorial hospital a few hours after taking the poison.

Hoots declared that he was innocent of making liquor under the charge brought against him and for which he was recently arrested but admitted that he was guilty of transporting. Despite this fact he determined not to face the court, the grand jury of which had not up to that time found a true bill against him.

Hoots purchased from a local drug store a sufficient quantity of poison to kill about a dozen persons and while no one saw him take it, a portion of the quantity purchased was found on his person and while frantically ill and taken to the office of Dr. Guy E. Dixon he is said to have admitted taking it. Every measure possible was resorted to relieve his system of the poison but to no avail and the end came shortly after he was taken to the hospital.

Late in the afternoon an autopsy was performed by Coroner B. F. Cliff. The contents of the stomach were shipped to Raleigh for a detailed analysis and until this is received the jury of six men will not render a decision. The jury which witnessed the autopsy at Shepherd's undertaking parlors was composed of the following: A. L. Beck, W. B. Penny, M. A. Case, T. E. McCall, Vick H. Justice and L. C. Garren.

Shelton Hoots was the son of Andy Hoots.

The body was taken to Mt. Moriah Baptist church at Edneyville for interment at 1 o'clock Thursday by the Shepherd undertaking establishment.

FIRST WOMAN U. S. SENATOR IS NAMED IN GA.

Atlanta, Ga., Oct. 6.—Gov. Hardwick has announced himself a candidate for the unexpired term of the late United States Senator Thomas E. Watson, and simultaneously announced his appointment of Mrs. William H. Felton to the ad interim vacancy, after Mrs. Watson, the late senator's widow, had declined to accept the appointment.

The governor, in announcing Mrs. Felton's appointment, made it clear that she will serve until the election of a permanent successor to Senator Watson in the general elections of November. The special primary of October 17 will designate the party nominee.

Mrs. Felton, in a telegraphic communication to the governor, has accepted the place, expressing her gratitude and declaring that Georgia now stands alone in the honor of being represented in the United States senate by a woman.

Former Senator Hoke Smith has declined to run for the short term.

WIDE PUBLICITY GUARANTEED FOR HENDERSONVILLE

Hendersonville and vicinity will receive wide publicity this winter as a result of a contract entered into with the Philadelphia Record by Frank A. Ewbank, chairman of the advertising committee of the Chamber of Commerce.

The Record will contain an advertisement of the Chamber of Commerce for thirty days, beginning in December. In addition to this the resort edition or travel bureau department of the Record with a circulation of 32,000, will carry a striking advertisement of the local organization.

This same contract was entered into a year ago and the results were the most gratifying of any advertising ever done by the Chamber of Commerce, says Mr. Ewbank. Three hundred inquiries about Hendersonville were received direct from prospective visitors or through the Record bureau and in addition 500 names of persons who had made inquiry at the bureau were also furnished Hendersonville in order that such might be followed up with literature of this section.
