# THANKFUL TO MRS. PINKHAN

Letters Proving Positively there is No Medicine for Woman's Ills Equal to Lydia E. Pinkham's Vegetable Compound.

(ALL LETTERS ARE PUBLISHED BY SPECIAL PERMISSION.)

"I cannot say enough in regard to Lydia E. Pinkham's Vegetable Compound. It has done me more good than all the doctors. I have been troubled with female weakness in its worst form for about ten years. I had leucorrhoes

and was so weak that I could not do my housework. I also had falling of the womb and inflammation of the womb and ovaries, and at menstrual periods I suffered terribly. At times my back would ache very hard. I could not lift anything or do any heavy work; was not able to stand on my feet long at a time. My husband spent hundreds of dollars for doctors but they did me no good. My husband's sister wrote what the Vegetable Compound had done for her, and wanted me to try it, but I did not then think it would do me any good. After a time, I concluded to try it, and I can truly say it does all that is claimed for it. Ten bottles of the Vegetable Comand seven packages of Sanative Wash have made a new woman of me, I have had no womb trouble since taking the fifth bottle. I weigh more than I have in years; can do all my own housework, sleep well, have a good appetite, and now feel that life is worth living. I owe all to Lydia E. Pinkham's Vegetable Compound. I feel that it has saved my life and would not be without it for anything. I am always glad to recommend it to all my sex, for I know if they will follow Mrs. Pinkham's directions, they will be cured."

Gratefully yours, Mrs. Annie Thom.son, South Hot Springs, Ark.

CHANGE OF LIFE.

"I was taken sick five years ago with 'The Grippe,' and had a relapse and was given up by the doctor and my friends. Change of Life began to work on me. I flowed very badly until a year ago, then my stomach

and lungs got so bad, I suffered terribly; the blood went up in my lungs and stomach, and I vomited it up. I could not eat scarcely anything. I cannot tell what I suffered with my head. My husband got me a bottle of Lydia E. Pinkham's Vegetable Compound, and before I had taken half of it I began to improve, and to-day I am another woman. Mrs. Pinkham's medicine has saved my

life. I cannot praise it enough."

M. A. DENSON, Millport, N.Y.

PROFUSE PERIODS.

"I commenced taking Lydia E. Pinkham's Vegetable Compound about 3 months ago, and cannot express the wonderful good it has done me. Menstruations were so profuse as to leave me very weak for some time after.

Was also troubled with leucorrhoea, tired feeling, bearing down sensation, pain across the back and thighs. I felt as though there was a heavy weight in my stomach all the time. I have taken two bottles of the medicine, and now have better health than I have had for four years."

MRS. LIZZIE DICKSON HODGE, Avalon, Ohio.

The Rio de Janeiro was three days overdue from Hong Kong, via Honohulu, when she arrived off the Heads and the dense fog prevailing at the time induced Pilot Jordon to bring her to anchor until he could see his way clear through the gateway. She laid to until about 4:30 o'clock, when the atmosphere cleared, and she was started under a slow bell toward Point Bonita, All went well until 5:40 o'clock, when she struck. Most of the passengers were below at the time and it is believed that many of them were drowned in their berths.

The first news of the disaster reached here at 7:30 o'clock, and soon afterward a boat load of rescued passengers and petty officers arrived at the mail dock.

Tugs were immediately dispatched to render any services that might be needed, but no living persons were afloat when they reached the wreck. A number of drwning people were rescued by Italian fishermen and the bodies of two white women, three Chinese and a Japanese were brought

in by the tug. LATER. So far as can be ascertained from re-liable data 128 lives were lost in the wreck of the Pacific mail steamer City of Rio de Janeiro.
