

# Western North Carolina Times--Supplement.

HENDERSONVILLE, N. C., FRIDAY, MARCH 1, 1901.

## OBITUARY.

### In Loving Remembrance of Florence S. Shipman.

Florence S. Johnson was born June 12, 1880 and died February 2, 1901, at the age of 20 years 7 months and 21 days. She was converted and united herself with the Baptist church in girlhood. In April, 1896, she was married to H. F. Shipman. To this union were born two children.

The husband and both children preceded her to the spirit world. Maggie Pearl, the eldest, was called home to God February 28, 1900. Six months later the father died. The assurance which he gave the last few days of his life, should bring peace to every surviving friend. Just one month from the day the father was called home, death again visited the home, and plucked the infant son, Willie Ross, just leaving the sorrow stricken mother who followed shortly to meet her loved ones to await the resurrection.

The remains of all were interred in Pleasant Grove cemetery, in the presence of a large throng of mourning relatives and friends, the services being appropriately conducted by Rev. J. J. Gray.

Mrs. Shipman died of that dreaded disease, consumption. Her sufferings were severe, but amid it all she gave constant and undoubted evidence of the presence of the grace of the precious, ever-living Christ. Her death was not unexpected, though it came as a severe blow to her bereaved parents, Mr. and Mrs. H. K. Johnson, and the brothers and sisters who remain to mourn their loss. She said she was not afraid to die and that she would soon be better off, and that Jesus had come for her. She called the family to the bedside and bade them all good bye, and asked them to meet her in Heaven, and died praising the Lord.

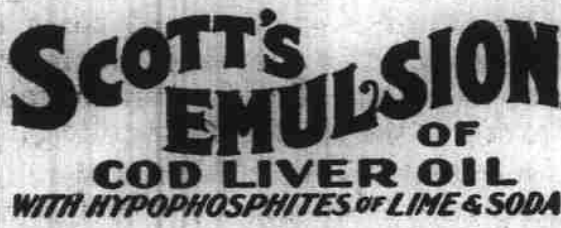

We cannot understand why the lives of this young family should all be taken so early, we can only bow in submissive resignation to the will of the all wise and loving Heavenly Father.

May the dear brothers and sisters, follow on until at last you shall all meet in Heaven's pure world above, where parting will be no more. God's grace is all-sufficient.

F. E. M.

## It's Easy To Take

Thin, pale, anæmic girls need a fatty food to enrich their blood, give color to their cheeks and restore their health and strength. It is safe to say that they nearly all reject fat with their food.

is exactly what they require; it not only gives them the important element (cod-liver oil) in a palatable and easily digested form, but also the hypophosphites which are so valuable in nervous disorders that usually accompany anæmia.

SCOTT'S EMULSION is a fatty food that is more easily digested than any other form of fat. A certain amount of flesh is necessary for health. You can get it in this way.

We have known persons to gain a pound a day while taking it.

SCOTT & BOWNE, Chemists, New York.

## A Protest.

Editors TIMES:—Your paper being well known and widely circulated in the county, it might be productive of good results to say a few words relative to firing the woods, fences, fields, barns, etc., of one's neighbors.

It is time this pernicious practice of setting fire out in the woods was stopped and all good citizens should use their influence to stop it and bring the offenders to justice. In nearly every community there are some few people who seem to take a delight in burning and destroying other people's property. We citizens of Henderson county ought to have arrived at that state of civilization where such behavior is impossible, where no member of a community will condone or overlook an offence which endangers the property and in some cases the lives of his neighbors.

In order to inform those who do not know the law and remind those who know, and are not willing to obey it, that portion of the Code of North Carolina relative to the above, is here quoted, which reads as follows:

"Sec. 52. No person shall set fire to any woods, except it be his own property; nor in that case, without first giving notice in writing to all persons owning lands adjoining to the woodlands intended to be fired, at least two days before the time of firing such woods, and also take effectual care to extinguish such fire before it shall reach any vacant or patented lands near to or adjoining the lands fired.

Sec. 53. Every person willfully offending against the preceding section shall, for every such offense, forfeit and pay to any person who shall sue for the same, fifty dollars, and be liable to any one injured in an action, and shall moreover be guilty of a misdemeanor.

READER.

It is not so much what the newspapers say, as what neighbor says to neighbor, or friend to friend that has brought Chamberlain's Colic, Cholera and Diarrhoea Remedy into such general use. It is as natural for people to express their gratitude after using this remedy as it is for water to flow down hill. It is the one remedy that can always be depended upon, whether a baby be sick with cholera infantum or a man with cholera morbus. It is pleasant, safe and reliable. Have you a bottle of it in your home? For sale by W. H. Justus.

## BLANTYRE BUBBLES.

Marriage bells rang merrily at Mr. and Mrs. H. K. Johnson's on February 15, when Elisha Osteen married their eldest daughter Miss Rhoda, Rev. Robert Hamilton, uncle of the groom officiating. Immediately after the ceremony they led the way to the dining room where all that were present partook of the wedding dinner.

Mr. and Mrs. Osteen with a number of friends went to the groom's home, where an elegant supper was awaiting them.

The bride and groom are both well known and highly respected young people. We wish them a long, happy and prosperous life.

Blantyre seems to be on a boom now. Three new dwellings have been put up since last fall, and Charles F. Baldwin has a new saw and grist mill, both in running order.

W. H. and Neuel Pickelsimer are here from Greenville, S. C., on a visit.

Miss Flora Hamilton spent last week visiting at Osteen, returning last Sunday.

A number of our young people attended a singing school at Pine Grove, the school being conducted by Prof. Wilkie.

## Eczema, Itching Humors, Pimples. Treatment Free.

Does your Skin itch and burn? Distressing Eruptions on the Skin so you feel ashamed to be seen in company? Do Scabs and Scales form on the Skin, Hair or Scalp? Have you Eczema? Skin Sore and Cracked? B. sold at drug stores \$1. Trial treatment sent free and prepaid by writing to BLOOD BALM CO., Atlanta, Ga. Describe your trouble and free medical advice given. Over 3000 testimonials of cures by B. B. B.

## A Valuable Invention.

John L. Taylor, of this county, but who has recently made his home in Bozeman, Mont., has invented and secured a patent for a sickle head for reapers and mowers, which will doubtless soon be in universal use by farmers. All who have used a reaper or mower know how easily a sickle is broken by coming in contact with a stick or root, or if not broken, the violent jerk which follows. Mr. Taylor's invention is intended to prevent both the break and the jerk, and if the machine works as well as the model exhibited by him in this office it is a success. When attached to the sickle these obstructions do not endanger any part of the machine, which continues to work smoothly until the clog is removed. He informs us he has one in use in Montana, and it has proven a success in every way.

Mr. Taylor has been on a visit to his old home for several weeks, and will leave for the West in a few days.

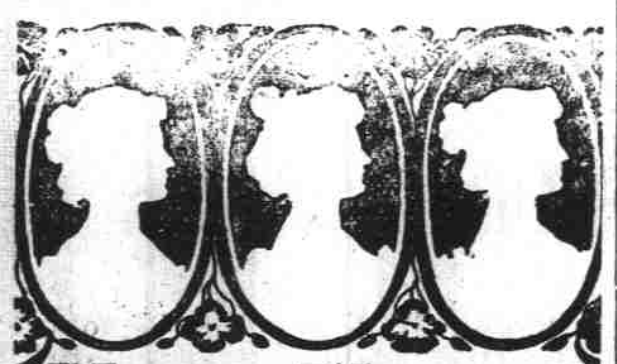

## Bright Boys Started in Business.

The publishers of the famous big illustrated weekly newspaper, PENNSYLVANIA GRIT, are now placing representatives at every post office in North Carolina and they desire to secure the services of capable hustling agents in each of the following towns of Henderson county: Fletcher, Hendersonville, and in such other towns as are not already supplied. The work is profitable and pleasant. A portion of Saturday only is required. Over 5,000 agents are doing splendidly. No money whatever is required. Everything is furnished free. Stationery, rubber stamp, ink and pad, advertising matter, sample copies, etc. Papers are shipped to be paid for at the end of each month. Those not sold are not charged for. Write to Grit Publishing Co., Williamsport, Pa., and mention the TIMES.

## Died

Henry Edwin Markham at Tryon, February 25, of heart failure, at the age of 65 years. Mr. Markham came originally from Michigan, but had been a resident of Tryon for the last 20 years. He was a much respected citizen, and had served for years as a warden of the church of the Holy Cross, in which church his funeral services were held on the 27th. Dr. E. E. Edwards, officiating, Rev. C. Ferris, the Rec or of the church, being sick and unable to attend. Mrs. Markham the widow, was the only relative present.

It appears that in the United Kingdom there are 60,000 postmen, and in the course of a year close upon 3,600,000,000 letters, post cards, parcels, circulars, boxes and newspapers are delivered.

## Young Women

The entry into womanhood is a critical time for a girl. Little menstrual disorders started at that time soon grow into fatal complications. That female troubles are filling graveyards proves this. Wine of Cardui establishes a painless and natural menstrual flow. When once this important function is started right, a healthy life will usually follow. Many women, young and old, owe their lives to Wine of Cardui. There is nothing like it to give women freedom from pain and to fit young women for every duty of life. \$1.00 bottles at druggists.

Miss Della M. Strayer, Tully, Kan. "I have suffered untold pain at menstrual periods for a long time, was nervous, had no appetite, and lost interest in everything, in fact was miserable. I have taken four bottles of Wine of Cardui, with Thedford's Black-Draught, when needed, and to-day I am entirely cured. I cannot express the thanks I feel for what you have done for me."

For advice in cases requiring special directions, address, giving symptoms, the Ladies' Advisory Department, The Chattanooga Medicine Company, Chattanooga, Tenn.

## UPWARD JOTTINGS.

We are sorry to note the death of John H. Justice, who died the latter part of last week at the ripe old age of 85 years. He was getting very feeble and took the grippe and his constitution was too weak to bear it. Uncle John was liked by all who knew him, and will be missed in the vicinity of Dana and the Ridge country in general. He had a large circle of friends and was well known the county over.

W. L. Justus, of Upward, is working as agent for D. S. Pace in the fertilizer business.

J. P. Jones, one of the boys who has been at Asheville for sometime working at the carpenter trade, is at Upward again and will work at Saluda for awhile.

N. S. Staton has been adding some nice rooms to his house.

A company of young ladies from Dana was at Upward Saturday night. Misses Flora Marshall, Lula Pace, Annie Pace and others formed the company.

The people all over this section are sick, and the grippe is the cause of it all. JA. HU.

## Twice Proven.

From the Vindicator, Rutherfordton, N. C.

The editor of the Vindicator has had occasion to test the efficacy of Chamberlain's Pain Balm twice with the most remarkable results in each case. First, with rheumatism in the shoulder from which he suffered excruciating pain for ten days, which was relieved with two applications of Pain Balm, rubbing the parts afflicted and realizing entire relief in a short time. Second in rheumatism in thigh joint, almost prostrating him with severe pain, which was relieved by two applications, rubbing with the liniment on retiring at night, and getting up free from pain. For sale by W. J. Justus

## Inauguration of New Fast Train.

Asheville, N. C., Feb. 18, 1901. Effective February 17, a new fast train handling Jersey City-Jacksonville, through sleeping car and postal cars, will leave Charlotte, N. C. 9:50 p. m., passing Chester 10:55 p. m., Columbia 12:20 a. m., Hardeville 3:40 a. m. (eastern time) Savannah 3:30 a. m. (central time) arriving at Jacksonville 7:20 a. m.

This train connects at Charlotte with fast mail train No. 35 from New York to Jacksonville. Train No. 35 is still operated from New York to Jacksonville as heretofore. This new train quickens the time between New York and Jacksonville two hours.

Reduced rates offered by the Southern Railway for the following occasions:

Account, Presidential Inauguration ceremonies, Washington, D. C., March 4, 1901. Tickets on sale March 1, 2, 3, with final limit March 9. Rate of one first class fare for the round trip. Rate from Asheville to Washington, D. C., and return \$14.95.

For Military Companies and Brass Bands in uniform, 25 or more people on one ticket, a rate of \$9.55 per capita, will be granted from Asheville, for the round trip.

For full information call on ticket agents of the Southern Railway or address F. R. Darby, C. P. & T. A., Asheville, N. C.

## Notice to Public.

I have this day sold my Hardware Store to S. H. Hilliard who will conduct the business at the same stand. I wish to return sincere thanks to the public for the liberal patronage extended to me for 49 years and respectfully ask a continuance of the same to my successor.

I will still continue in the harness business, and expect to keep in stock a good supply of hand-made harness, and be ready to do repair work. All who have accounts with me are hereby requested to call and settle the same as early as possible.

Jan. 1, 1901. M. T. JUSTUS.

Last year 79,963 men were employed in the fishing industry in Canada, the value of their catch being about \$22,000,000.

A fibre company of Lockport, N. Y., is preparing to manufacture gun stocks of fibre with a view to lightening the weight of the present rifle.
