

N. CAROLINIANS AMONG THOSE KILLED

The Knickerbocker theater disaster resulted in the deaths of more than a hundred people. Four of the victims were North Carolina connections.

Lambert gave Asheboro, N. C., as her home. Miss Helen Wilkins Dorth, in the art division of the department of agriculture, was born in North Carolina, but entered the government service from Pennsylvania. Her mother lived at Berryville, Va. She was born May 21, 1876, and had been in Washington for a number of years. She is said to be a sister of Col. "Bill" Dorth, of Goldsboro. Joseph W. Beal, one of the musicians in the Knickerbocker orchestra, was a son of Benjamin J. Beal, well known telegraph operator, whose home was in eastern North Carolina. The young fellow was married four days, before he lost his life. Archie Bell, an employee of the war department, is said to be from High Point. He was with Miss Lambert.

A thorough investigation of the Knickerbocker collapse will be made by the courts and Congress. All Washington is wrought up over the calamity. Many people are highly indignant, and charge the District of Columbia authorities with slowness in enforcing the laws for safety.

SAGE TEA KEEPS YOUR HAIR DARK

When Mixed with Sulphur It Brings Back Its Beautiful Lustre at Once.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

SOUTHERN RAILWAY SYSTEM

Mardi Gras, New Orleans and Mobile

EXCURSION FARES

J. H. WOOD,
Division Passenger Agent,
42 Haywood Street
Asheville, North Carolina
1-27-5t.

SPRAY ORCHARDS ADVISES EXPERT

The year 1922 will be an unusually important year for the fruit industry of Western North Carolina and the owners of orchards and farmers with a few trees should by all means give their trees the dormant spray during the winter season, according to a communication sent by W. W. Magill, horticulture extensionist, to the boards of trade and others.

Mr. Magill says: "Successful fruit growers of the mountain counties are pushing their orchard pruning and spraying every day. With a prospect for a bumper fruit crop, these men realize this year will be a very important time to develop clean and perfect fruit. During a year when everyone has apples on every tree, the man who has apples well colored, free from worms, scab and blotch will be able to sell at his own price, while the man with a poor grade of fruit will be begging for someone to buy his fruit at 50 cents per bushel.

During the bad days of winter the growers are advised to inspect their spray outfit and accessories. Many spray pumps have been observed lately, which were never washed out when the spraying was finished last season, and in these cases it will no doubt be necessary to buy new nozzles, cut-offs and other attachments. It is also advised that all men who have not bought their spray material, give this immediate attention so as not to be delayed in their spraying on account of waiting for material to arrive. The department of agriculture at Raleigh will be glad to answer any inquiries concerning the material or time of application.

BARACA-PHILATHEAS TO PLAN FOR STATE CONVENTION

The Baraca-Philathea state secretary, Mrs. N. Buckner, of Asheville, has issued a call for a meeting of the Baracas and Philatheas of Hendersonville for Friday, Feb. 10th, at 7:30 p. m., at the Presbyterian church. At this time plans will be made to entertain the one thousand or more delegates which are expected to attend the Baraca-Philathea state convention which convenes in Hendersonville June, 15-18, inclusive. All members of these classes in Hendersonville are urged to be present at this call meeting and assist in arranging details.

ANNEXATION MILLS RIVER TOWNSHIP TO BUNCOMBE

(Asheville Citizen)
Discussion regarding the circulation of a petition in Mills River township, Henderson county, to determine the will of the masses in reference to the possible annexation of that township to Buncombe county, has been going on for some time, according to reports.

It is said that Mills River and Hendersonville are the only two democratic townships in Henderson county, which gives a republican majority and which has a republican county government. Complaint in the township, it is said, is based principally upon the alleged neglect of the roads. This, some of the Mills River people are reported as saying, is due to the fact that the township is not represented in the county's list of office-holders.

Mills River is one of the richest townships in Henderson county and those seen here in regard to the possible annexation of the township to Buncombe entertain an opinion that this county would welcome the fertile farming lands as a part of the county of Buncombe. It is known, however, that the taking away of a township from one county and its annexation to another is generally looked upon with disfavor by the general assembly, and the fate of such proposals reaching the attention of the state's solons is well known.

DR. AND MRS. MOREY ENTERTAIN WITH PARTY

Dr. and Mrs. Morey entertained one evening last week with a rook party in honor of their friend, Mr. Wm. Porter, of Oteen. The following guests attended: Cecil Rhodes, Mack, Andrew and Bert Colt, Cameron Shipp and Misses Phyllis Leighley, Margaret Francis, Marie and Aileen Wilkins, Martha Erkman and Martha Goodrich. No prizes were given. Cream and cake were served.

INJURED IN AUTO WRECK

Manning Reese, of State street, this city, was hurt in an automobile wreck in Columbia, S. C., last week. Mrs. Reese went immediately to Columbia. Upon returning home she states that Mr. Reese had suffered a broken arm and leg but was resting as comfortably as could be expected under the circumstances.

BOY BREAKS LEG

Homer Hefner, fifteen years old, while assisting in cleaning out a well on Rich Drake's place, near the Crab Creek road, had his right leg broken below the knee, one day recently. The leg was so badly shattered amputation was found necessary so the injured member was removed a few days later at the local hospital. It seems young Hefner was going down the well in a bucket when the rope broke causing him a long and heavy fall which resulted in the injury.

REAL ESTATE CHANGES

The following real estate deals have been made recently by Staton and Hector: One house and lot on Oakland street, owned by J. C. Sales, to Joe Miller; one lot and house, on 3rd, east, owned by Perry Huff, to Rev. W. P. Burgin, colored; one farm owned by B. F. Staton to Flem Galloway, of Transylvania.
