Father Ryan's Song.

Where the ruins are spread,

And the living tread light

On the heart of the dead;

And bright with the deeds

Of the down-trodden just.

That is blessed by the dust,

Where the battle's red blast

That hath legends and lays

That tell of the memories

That hath story and sons

Of the right with the wrong;

With a grave in each spot

Of the wreck and the tomb;

Future brightness is born,

Of long-vanished days.

After The Grippe

"I am much pleased, to be able to write and thank you for what Cardui has done for me," writes Mrs. Sarah

Gilliland, of Siler City, N. C.
"Last February, I had the Grippe, which left me in bad shape. Before that, I had been bothered with female trouble, for ten years, and nothing seemed to cure it. "At last, I began to take Cardui. I have taken only three bottles, but it has done me more good than all the

doctors or than any other medicine I ever took."

The Woman's Tonic

For the after-effects of any serious illness, like the Grip, Cardul is the best tonic you can use. It builds strength, steadles the nerves, improves the appetite, regulates irregularities and helps bring back the natural glow of health.

Cardul is your best friend, if you only knew it.
Think of the thousands of ladies whom Cardul has helped! What could possibly prevent it from helping you?

Remember you cannot get the benefit of the Cardul ingredients in any other medicine, for they are not for sale in any drug store except in the Cardui bottle. Try Cardui. Representative McCall, obviously speaking by authority of the president, makes it clear that congress will be called back if the senate falls to vote on the agreement.

The McCall statement conveys a

plain intimation to the Democrats that President Taft will veto any tariff revision that is not in keeping with his own theory of protective principles. This obviously is intended as a warning that any attempt by them to tack the reciprocity treaty to a radical tariff revision measure in a special session would be blocked by executive action when the measure reaches the White House.
