

# FOREST CITY COURIER

Volume II --- No. 7

FOREST CITY, NORTH CAROLINA, THURSDAY, NOVEMBER 20, 1919

\$1.50 a Year, in Advance

## MISS HAMRICK WINS \$10.00

Any Person Willing to Enter Now and Really Work Can Still Win a \$585 Ford Auto

\$5.00 GOES NOV. 25th  
Biggest Vote Offer of Entire Campaign Will End Tuesday, November 25th

**A REGULAR HARVEST**  
A regular harvest of subscriptions awaits the candidates who get ACTIVELY to work in this campaign. The field has not been even scratched yet. This is proven daily by the voluntary subscriptions reaching The Courier office, sent in by folks who say, "Nobody has solicited me yet."

**Win a \$585 Ford Auto**  
In four short weeks pleasant work. Securing subscriptions is easy, dignified, and in this case highly profitable. ENTER TODAY and WIN THE FORD or other big prize. SEND IN YOUR NAME TODAY! DO IT NOW!

**We Want Entries**  
Friends, IT IS NOT TOO LATE TO ENTER, AND WIN THE \$585 FORD.

And \$145 a week is a fair pay for the next four weeks.

You who are in the race, THINK ABOUT THIS—and you who are thinking about entering—why enter.

**Pile Up Big 150,000 Extra Vote Coupons**  
\$15 in cash business turned in from Tuesday, Nov. 18th to Tuesday, Nov. 25th means 150,000 extra votes.

Any candidate could easily get two or three of these 150,000 EXTRA VOTE COUPONS. We believe that sincerely. HOW MANY WILL YOU GET? For this is the BIGGEST VOTE OFFER OF THE RACE, and unless YOU take advantage of it, maybe some "wise person" will work and WIN. These are three prizes; some cash prizes; commissions. NO LOSERS.

**A WORKER can secure 10 (ten) yearly subscriptions to this paper EACH DAY, if the worker would TRY.** That would mean 150,000 EXTRA VOTES. And about TEN DAYS OF SUCH WORK would mean 1,500,000 EXTRA VOTES while the present EXTRA VOTE OFFER IS ON, for

**FOLKS, THIS IS THE BIGGEST VOTE OFFER OF THE CAMPAIGN** A person could ENTER NOW and by real work during the FOUR REMAINING WEEKS, pile up a WINNING VOTE, unless some of the present 37 awake to the real POSSIBILITIES that they are overlooking.

**A \$5.00 Cash Prize Goes Nov. 25**  
The Courier will award \$5 in cash Tuesday November 25, to the candidate that has turned in the GREATEST AMOUNT OF CASH SUBSCRIPTION BUSINESS SINCE WEDNESDAY NOVEMBER 18th, 8 p. m., and UP TO TUESDAY, Nov. 25th 8 p. m.

This is the second cash prize and worth winning.

**An Extra Vote Offer Worth While.**  
With each ten (10) yearly subscriptions, or the equivalent thereof, turned in by a candidate between Tuesday, November 18th, 8 p. m. and Tuesday November 25th, 8 p. m., will be given an extra vote coupon good for 150,000 extra votes. Every time a candidate turns in \$15 in cash subscription business, in addition to the regular vote schedule, that candidate will be given an extra vote coupon good for 150,000 extra votes.

**Gives Great Opportunity**  
There is still opportunity for a real worker to enter this race and win a \$585 Ford Auto. The campaign is just beginning to show form and the list of entrants shortening up, but a real worker can take advantage of 150,000 extra vote coupons given with each \$15 in cash subscription business turned in from Tuesday, November 18th, 8 p. m. until Tuesday, Nov. 25th, 8 p. m., and take the lead in this race with some real ambitious efforts.

**Prizes of Merit**  
The \$585 Ford Auto, purchased of

the B. B. Doggett Garage, is a car you can afford to run, as well as own. You know that some cars eat up several hundred dollars in repairs and parts, and in slacking a thirsty appetite for "gas" in a few months. Not so with a Ford—your little Ford will ramble right along at little or no expense. And Fords are as easily sold as a Government Bond—easier in fact.

**Prizes Bought and on Exhibition**  
All prizes have been purchased and may be seen at anytime. You may see the Ford car at the Forest City Motor Co., or Doggett's Garage, Forest City; the Victrola is at the Henrietta Mills store, Henrietta, and the \$75 worth of Merchandise is at Efrid's Department Store, Forest City.

**Not Too Late To Enter**  
Decidedly, it is not too late to enter, for the race is just in its first stage. All it needs is a determination to win, a feeling that you are just as capable as anyone on the list and can get many subscriptions for the Courier, one of the very best small city papers in the state.

Show that you have the get-there qualities—show your friends who thought so well of you as to send in your nomination, that their confidence was not misplaced.

Candidate are reminded of the value of systematic work. Set aside a portion of your time to work for the Courier prizes, and then put in your time as if your very life depended ON YOUR SUCCESS.

Your enthusiasm will be "catching" and you will roll up votes as a consequence. Don't say after this campaign is over, "I might have won that car"—but get to work NOW and BE THE WINNER.

Miss Hamrick won the first cash prize of \$10.  
Can she REPEAT?

There will be a box supper at Mt. Pleasant school house next Saturday night beginning about 7:30. The affair will be given by the Philathea class of the Mt. Pleasant Baptist church and the public is cordially invited.

Padgett & King, enterprising and progressive furniture dealers, are adding greatly to the appearance of their building by putting in a new plate glass front. They have also made arrangements to have the room over C. C. Moore's wholesale grocery store remodeled and they will use this room for their undertaking parlors. Their present quarters are too small for their growing business and they expect to soon build a handsome new home on the square. They have a timely ad in this issue of The Courier. Watch for their announcement next week.

### Death of Mrs. Dean

Mrs. Caroline Dean died at her home in Forest City Sunday morning after a lingering illness. She was eighty-two years old and was greatly loved and highly respected by all who knew her. She had lived in Forest City a number of years and had made many friends here.

The funeral was held from the home on Mill street Monday afternoon. The service was in charge of Rev. S. N. Watson, assisted by Rev. W. F. Stamey. Burial took place in Cool Springs cemetery immediately following the funeral. Messrs. W. F. Stamey, G. F. Settemyre, W. S. Moss, T. R. Padgett, E. G. Abernethy and W. J. Davis acted as pall-bearers.

Mrs. Dean is survived by the following children: Messrs. J. K. and John C. Dean, of Forest City; Isaac Dean, of Woodruff, S. C.; Henry Dean, of Hendersonville; Mrs. Lillie Saunders and Mrs. P. B. Vernon, of Forest City, and Mrs. J. Kelley Moore, of Cliffside. Her daughter-in-law, Mrs. Ada Dean, has made her home there since the death of her husband some years ago.

Mrs. Dean was a faithful Christian lady and will be greatly missed. She had been a member of the Baptist church 51 years. We extend our sympathy to the bereaved family.

### Spindale News Notes

Rev. B. M. Hamrick, of Rutherfordton route 1, has been elected pastor of the Baptist church here.

The public school started here Monday morning and is being held in the Welfare house. The new building will not be finished before February on account of lack of material. Miss Studie Harton is principal; Miss Cora Beam, intermediate grades, and Miss Nanney, primary grades.

Miss Frances Queen gave an enjoyable party at the Welfare house Saturday evening. About 20 young people were present and many games were played.

The children of the village were invited over to Mr. Arthur Hawkins' home Saturday evening, where they were entertained with a number of games. Later in the evening they met in the dining room and had a "candy breaking". The children had lots of fun and went away thanking Master Esley for the evening's fun.

The Spindale Mill No. 2 has a higher wall than it had one week ago, as also has the Spindale Mills addition. Work on the Spencer Mill and school house has been held up for lack of material.

The Henrietta Mills Stores are getting ready to open up "Toy Land" and are making attractive prices on many lines of goods this week. A visit to these mammoth stores will prove interesting.

### A NEWSY LETTER FROM BUSY CLIFFSIDE

**Baptist Pastor "Pounded"--- Local and Personal**

Cliffside, Nov. 17.—(Special to The Courier)—"Ye scribe" was sick last week and failed to get any news notes.

Miss Mary Belle Goode, of Mount Vernon, visited her sister, Mrs. W. B. Wilson, recently.

Miss Hattie Padgett, who is nursing for Drs. Shull, Allhands and Duncan, is attending the state examination of nurses at Greensboro.

Rev. N. R. Stone, noted evangelist of Mississippi and who at one time was pastor of the Baptist church here, preached an able sermon here last Wednesday night. He is a live wire and has an able helper in his wife who sings very sweetly.

Those from here who attended the meeting at Forest City Baptist church last Friday were Rev. D. J. Hunt, Messrs. M. J. Williams, R. L. Sparks, E. B. Jarrett and B. E. Roach. The meeting was for the workers in the 75 million campaign, and altho the attendance was small the meeting was very helpful and interesting. The good ladies of the church served lunch in one of the parlors. Rev. N. R. Stone made two splendid addresses and Mrs. Stone sang for us.

Rev. D. J. Hunt returned last Thursday from the convention at Raleigh and planned to go to Henrietta to hear Rev. N. R. Stone that night, but his plans conflicted with some plans made by his flock during his absence, so P. C. Hawkins called the pastor up and said he would like to call and talk over a matter before he (the pastor) went to Henrietta. He went and stayed so long that the pastor could not get to the service on time at Henrietta. In the meantime a truck load of all kinds of provisions had been left at Wilson's store across the street from the parsonage. A great host of people gathered and the Cliffside band took up its position in the street in front of the house. As the band began to play the people began to march into the house laden with all kinds of good things to eat. After buying everything, there was still about ten dollars left and this was handed to Mrs. Hunt. The church also paid Mr. Hunt's expenses to the convention.

Mr. and Mrs. D. McArthur and Mr. Guy McArthur spent Sunday at Mr. J. P. Carpenter's.

Miss Belle Allen spent the week-end at Harris, the guest of Mrs. D. C. Stewart.

In response to a telegram Mrs. Q. L. Womick left Tuesday morning to nurse her sister, Mrs. J. R. Crosswell, who is

sick at a hospital in Florence, S. C.

Born last Friday to Mr. and Mrs. Claude Harrill, a son.

Misses Carrie Hill and Una Edwards and Messrs. Deck, Theron and Mal Wilson spent Sunday in Rutherfordton with homefolks.

Miss Vashti Elizabeth Davis has arrived here from Charlotte to take up work here as community nurse.

Rev. K. L. Whittington, of Forest City, preached at the Presbyterian church Sunday night. D. W. Hiott, of The Forest City Courier, accompanied him.

Miss Eula McCraw spent the week-end with friends at Campobello, S. C.

Miss Mary Crawford spent the week-end with homefolks near Chesnee.

Quite a number of our people went to Avondale Sunday afternoon to hear Rev. N. R. Stone preach.

Mrs. Lettie Scruggs has returned from the Rutherford hospital much improved.

J. H. Price and family, of near Rutherfordton, will move to our town next week. Mr. Price is an expert carpenter.

Misses Minnie Bailey and Mary Souther and Messrs. Furman, Adolphus and Zoar Greene, of near Mooresboro, were visiting friends and relatives in Cliffside Sunday.

Messrs. E. C. and H. V. Greene visited at the home of Mr. and Mrs. S. B. Jones, of the Sharon section, Sunday, and reported a fine time.

W. J. Greene and sons, H. V. and E. C., made a business trip to Hollis last Saturday.

Numbers of hogs are being killed since the heavy frosts have come. Mr. John Bridges had one killed today that weighed 545 pounds. No dogs are allowed in Cliffside, but the operatives are permitted to raise their own meat. Thousands of pounds are raised each year in sanitary concrete pens.

Among the recent arrivals here are: To Mr. and Mrs. Zeno Hawkins, a son; to Mr. and Mrs. L. P. Davis, a daughter; to Mr. and Mrs. Buri Lancaster, a daughter.

Well, we know not which place we had rather live—Cliffside or Forest City. Forest City appeals to us in many ways, but we are a happy little bunch at Cliffside. We know one friend whose family resides in Forest City, but he resides in Cliffside; and for his life he cannot sever his connection with either place. Get in the top row, "Uncle Joe," and win the "beel" and you can stay at both places.

The Junior Philathea class of the Baptist church will have an oyster supper in the hall Saturday night.

### From Ellenboro Route 3

Schools have all opened in this section with good attendance.

There will be an old time singing at Dobbins' Sunday, November 30th. A large crowd is expected.

Messrs. J. P. and Miles Wright visited Mr. and Mrs. Odes Turner at Gaffney last week.

Mr. and Mrs. R. P. Blanton and children, of Lincolnton, are visiting Mrs. Blanton's mother, Mrs. Margaret Harrill.

E. E. Harrill and family and W. A. Harrill, of Ellenboro, visited their mother, Mrs. Margaret Harrill Sunday.

George Wright and Nash Fite, of Lattimore, visited J. P. Wright and family Saturday night.

A number of people from this section attended the celebration at Forest City Saturday.

Best wishes to The Courier.

### Farmer Deposits \$10,000 at a Clip in F. B. & T. Co.

If you don't believe it pays to farm in Rutherford county, we cite you to the fact that last Friday a farmer who lives near Forest City deposited ten thousand dollars in the Farmers Bank and Trust Co., and all this money was obtained for stuff raised on his own farm. This is only one point of evidence that Rutherford county farmers are prosperous.

Big line of men's and boys clothing at money-saving prices at the Henrietta Mills Stores this week.

### LARGE CROWD HERE SATURDAY FOR CELEBRATION

**Failure of Airplane to Come Disappoints People**

The armistic celebration at Forest City which was postponed from November 11 to November 15, on account of the weather, was pulled off Saturday in nice style, with the exception of the airplane flights. Several thousand people were in town for the celebration and the failure of the airplane to show up was a sore disappointment.

The Florence Mills band, Henrietta band and Caroleen band made some of the best music ever heard here and to a great extent made up for the non-appearance of the airplane.

The parade was also good. It was composed of the three bands, Forest City school children, boy scouts, ex-soldiers in uniform and well-decorated floats.

The failure of the airplane to be here was a great disappointment to all concerned, but more so to the patriotic citizens who arranged the celebration than anyone else. They were more than disappointed because of the disappointment of the many out of town visitors here.

That there was no airplane flight is due entirely to A. R. Hayner, Jr., manager of the Liberty Flyers, who deliberately broke a contract which he made for the flyers to come here. After Hayner had made a contract to fly at Forest City he went to Caroleen and made a contract to fly there at the same time he had promised to be at Forest City. After Mr. Stevenson, superintendent of the Henrietta Mills, learned the true state of affairs, he was willing that the flyers should come on to Forest City Saturday afternoon after giving an exhibition at Caroleen, altho his contract called for an entire afternoon's performance. Mr. Stevenson's attitude is greatly appreciated by the people of Forest City.

The flyers flew from Spartanburg to Caroleen about 1:30 o'clock and performed about Caroleen about half an hour, a parachute jumper making a drop from the plane, after which they returned to Spartanburg and were seen no more in these parts.

We understand that the Caroleen people were not satisfied with the performance.

The management of the armistic celebration had gone to much trouble, time and expense to secure an airplane flight for the pleasure of the people of this section and are sorely disappointed that their apparently successful efforts were undone by the double-dealing of the airplane management.

The Liberty Flyers may not be crooks, but if they are not, they are well camouflaged. They called themselves the Liberty Flyers, but a more appropriate name would be the "Liberty Liars."

### Cloyd Harrill Hurt

Cloyd R. Harrill, of Asheville, son of Mr. and Mrs. Joe C. Harrill, of Forest City, was seriously injured last Wednesday while demonstrating a tractor for which he is salesman. The accident occurred near Canton when the brakes on the tractor refused to work and the machine could not be stopped from going down a steep grade. It ran into a bank, throwing young Harrill from it, breaking his right arm and bruising and cutting him up considerably. It was necessary to sew up two of his wounds, taking sixteen stitches in his head and ten in a leg. He was taken to Canton unconscious and is now improving at his home in Asheville.

### Card of Thanks

Mr. Editor of The Courier: Please allow me space in our paper to, in a small way, show our appreciation of the kindness shown us during our mother's illness and death. It makes me think so much how the great author, Rev. John Fawcett, felt when he composed the hymn, "Blest be the Tie." The thought of this hymn is the best way I know to thank the good people of our town for the kindness shown us in our sorrow. It would take too much space for me to try to mention the special ones I would like to, so I just feel like I would like to sing "Blest be the Tie" with everybody.

J. K. DEAN.

Thursday, Friday and Saturday of this week will be big days at the Henrietta Mills Stores. See the big ad on last page of this paper.
