SPECIAL CASH PRIZE

FIVE DOLLARS in cash goes to the candidate turning in the GREATEST NUMBER OF OLD SUBSCRIPTIONS FOR ONE WEEK. The period is from Tuesday, November 25, 8 p. m., until Tuesday, December 2, 8 p. m. Five dollars for a week's "side issue" is good, and then the votes count on the auto and other big prizes to be given to somebody on December 20th.

It is important to win the \$5, but it is also VERY important to WIN AS MANY OF THE 125,000 EXTRA VOTE COUPONS as possible, for at no future time will \$15.00 IN CASH SUBSCRIPTION BUSINESS count FOR AS MANY VOTES. So while you are getting the OLD ones, don't neglect to get NEW ones also.

List Shortens Up Some More

The list of competitors has again shortened up. Now this is a race for WORKERS, and it is not too late for a REAL WORKER to get in and WIN a victory at the finish. But you want to be up and doing NOW.

Let's see the workers WORK—a \$585 Ford car hangs in the balance, and you want to swing the balance YOUR WAY. A good way is to WIN AS MANY 125,000 EXTRA VOTES COUPONS AS POSSIBLE. Therefore get in every "promised subscription", you can up to 8 p. m. Tuesday December 2nd.

Won \$5.00

The workers are working. One of them, Mr. S. S. Hunsinger, won the \$5.00 given away Tuesday night. Who will win the \$5.00 to be given away on next Tuesday depends upon who will work.

Watch the workers work!

Forest City Route 2, Nov. 24.—On last Thursday evening at four o'clock the home of Mr. and Mrs. G. T. Moore was the scene of a pretty wedding, when Mr. Charlie Hoyle claimed for his bride Miss Susan Moore. The sitting room was beautifully decorated in ferns and other hot house flowers. The bride and groom entered without attendants, and Rev. W. L. Dawson performed the ceremony in a brief and impressive way. Only relatives and a few close friends were present. The bride is the pretty and accomplished daughter of Mr. and Mrs. G. T. Moore, while the groom is the son of Mr. and Mrs. C. C. Hoyle and is one of the best and most prominent farmers in the county. Many friends throughout this and adjoining counties wish for the happy couple a long and useful life.

Community Fair At Florence Mills Village

The community exhibit held at the community house in the Florence Mill village last Friday and Saturday was a great success. The exhibit was in the nature of a community fair and every article on exhibit belonged to some family in the village. The display was far above the average and some of the exhibits would have taken the blue ribbon at the state fair. The flower show alone was well worth seeing. The display was beautiful.

The display of garden products, canned goods, and fancy work, would have done credit to a county fair. Especially interesting was the exhibit of "made over" clothing, showing how old articles can be worked over and made useful.

The exhibit that created most comment was the display of handiwork of Mrs. McDonald. Her display of different articles in filet crochet is seldom equalled.

On Friday afternoon a four course dinner was served to the stockholders of the mill in the dining room of the community house.

This community exhibit was held under the direction of the Welfare Department of the mill.
