Life at Henrietta seems to be just one banquet after another.

Job, of Bible days, never had to sit around and wait for them to ratify a peace treaty.

Some fellows find it difficult to avoid the appearance of evil if there is a mirror in the house.

A lot of officials in this country whose duties it is to arrange the "Reds" seem to be color-blind.

That Missouri hen said to have been insured by her owner for \$5,000 certainly is entitled to cackle.

The fellow who originated that saying about "the flowing bowl" evidently wasn't referring to a sugar bowl.

We've noticed that in these days of high prices the fool is not the only one who is parted from his money.

We are not saying it with a desire to make them mad, but if some girls took a beauty sleep they'd never wake up.

Now that prohibition has emptied a lot of our jails, what's the matter with filling up the space with profiteers.

According to the newspapers Mexicans have already killed 555 Americans. What are we waiting for them to do, make it 1,000?

The Mexican situation can reach a "crisis" oftener and develop nothing more frequently than anything we know of at this writing.

In these days of substitutes, the Forest City man who could invent a substitute for the United States senate would make a fortune.

There is this much to be said in favor of the prodigal son. He had nerve enough to walk back home instead of telegraphing for money.

No Forest City man can claim to be domesticated until he has learned where to put the knives and forks after he has helped to wash the dishes.

"Lots of funny things have happen to me," said one of our jovial Forest City citizens yesterday. "but up to this time I've never been shaved by a female barber."

As peaceful as Forest City boasts of being there are times when a wild man is to be found in her midst. And that is when he finds his wife has used his razor to sharpen a lead pencil.

We heard one well known Forest City man say yesterday that he doesn't take as much exercise as he ought to because exercise works up a big appetite and his grocery bills are high enough now.

**PALE CHILDREN NEED GUDE'S PEPTO-MANGAN**

Unnatural for Children to be Pale and Thin—Paleness is Sign of Thin, Watery Blood

Pepto-Mangan Makes ed Blood

Prepared in Liquid and Tablet Form—Both Possess Identical Medicinal Qualities

It is necessary for boys and girls to laugh, romp, play and enjoy themselves, for it is at that stage of life that the foundation is laid for future health.

Prompt attention should be given to the child who seldom laughs, whose physical condition prevents playing like the other children, whose appetite is poor, and who tires easily.

If the lassitude is due to poor blood, which is often the case, a simple, safe and pleasant remedy is within easy reach. Gude's Pepto-Mangan is just the tonic for pale, thin children. Gude's Pepto-Mangan contains the very ingredients that increase and enrich the blood, enabling it to supply the entire body with the sorely needed vigor, strength and vitality that makes happy romping children.

For the convenience of the public Pepto-Mangan is prepared in tablets as well as liquid form. Both forms possess exactly the same medical properties.

When you ask the druggist for Pepto-Mangan look for the name "Gude's" on the package. If it is not there it is not Pepto-Mangan.

**Catarrhal Deafness Cannot Be Cured** by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system. We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists. 75c. F. J. CHENEY & CO., Toledo, O.

**ROYSTER'S FERTILIZERS**

Have stood the test

**Because---**

I maintain three very extensive chemical laboratories in which all materials are thoroughly tested. No harmful materials can ever enter into Royster goods. Our home and foreign markets are picked over for the choicest raw materials; then I formulate them in just the proportion which my life-time experience has found to be best for each crop for which the fertilizer is intended. The results of all this care is, naturally, a complete mixture which is really the "last word" in fertilizer. So, you see, I am justified in feeling proud of the Royster Products, which come from our fifteen up-to-date plants.
