MILLIONS NEED PEPTO-MANGAN

In Many Homes Better Health Is Simply a Matter of Better Blood

PEPTO-MANGAN IMPROVES BLOOD
Composed of Approved Blood-Making Elements—Put Up in Liquid and Tablet Form

Are you tired and weak and "blue"? Do you say to yourself, "What's the use of living? What do I get out of life, dragging through this drab existence in this unhappy way?" You don't feel well and you don't know why you have so little energy to do anything, and you get all tired out before it is done. There are millions in every America that have such feelings now and then, and they are to be pitied. But there is help. Unless some serious malady is at the bottom of their trouble, a few weeks of Pepto-Mangan will work a wonderful change. Pepto-Mangan puts new vigor into the blood, and the blood is the life fluid. With plenty of rich, red blood coursing through one's body one is pretty likely to feel good and vigorous and be strong and look healthy. Go to your druggist and ask for "Gude's Pepto-Mangan." Be sure to say "Gude's." If "Gude's" is not on the package it is not Pepto-Mangan. It is put up in both liquid and tablet form. Tell the druggist which you prefer. There is no difference in medicinal value.

County Seat News—Commissioners in Session

Rutherfordton, March 2.—At a meeting held at the court house on Monday afternoon the following resolution was adopted:

"Be it resolved by a mass meeting of citizens of Rutherfordton, Chimney Rock, Cool Springs, Green Hill and Colfax Townships of Rutherford county in meeting assembled, that it is the sense of this meeting that this county's part of cost of the proposed construction of the highway, known as State Highway Commission project No. 78 should be promptly made available;

Therefore, be it resolved, that the County Commissioners be requested to take at once such steps as are necessary to assure the prompt construction of that part of said highway lying in Rutherford county." But for one dissenting vote, the above resolution was unanimously adopted.

At this writing no action has been taken on this matter, but as the Commissioners are in session here this week, they no doubt will reject the road proposition at present, as it is thought that they will not concur with the above resolution, owing to the excessive estimation

King-Jones

Charlotte, N. C., Feb. 26.—The beautiful home of Mr. and Mrs. Grover C. King, in Myers park, was the scene this morning of the very interesting ceremony that united the lives of one of North Carolina's fairest daughters and one of Kentucky's most stalwart and chivalrous sons, the contracting parties being Miss Emma Mae King of Forest City, and Mr. Morrison Jones of Princeton, Ky.

As the clock struck the hour of ten miss Nell Padgett of Forest City, a pupil at Limestone College, Gaffney, S. C., began to sing sweetly and tenderly that old familiar love song so dear to the thousands who have heard the self same words, "I Love You Truly," accompanied on the piano by Miss Alma King and from the door in the hall stepped forth little Miss Lilah Gordon King, niece of the bride, daintily attired in a frock of pink georgette crepe, carrying the ring on a lily, taking her place at the right of the gorgeous bank of palms, in front of which stood Rev. Dr. T. F. Marr, pastor of Hawthorne Lane Methodist church, in waiting to pronounce the tender words that would unite the two young lives for time and eternity.

From the piano burst forth the melodious peals of the march from Lohengrin and a hushed stillness fell on the

company as all eyes were turned to welcome the young couple as they gracefully stepped out in front of the minister who pronounced them man and wife, using the beautiful ring service of the Methodist church.

During the ceremony Miss Alma King played softly on the piano "Hearts and Flowers."

The bride was radiantly beautiful in her going away suit of blue tricotine with hat and accessories to match wearing a corsage bouquet of orchids and valley lilies.

Mrs. Jones is a native of Forest City having lived there all her life at the home of her sister Mrs. T. R. Padgett. Living in the shadow of the great blue mountains where the air is as pure as her soul no wonder that her artist soul was touched and she has developed in one of the leading artists of that section of the state. Many of her paintings have been admired by judges of the art who pronounce them well nigh perfect. Especial mention should be made of a water color painting of Chimney Rock that Mrs. Jones executed not long since that would do credit to the old masters. In addition to being quite an artist she is a young woman of fine christian character and fascinating manners and the man who has won her heart has indeed won a prize.

Mr. Jones is a young business man of Princeton, Ky., and has a host of friends in his home town. For sometime he was employed by the C. C. & O. railway and while engaged in this work at Bostic he met the young woman that today became his wife.

Mr. and Mrs. Jones left immediately after the ceremony for Atlanta where they will spend a few days with friends after which they will continue their bridal trip to Florida and will be at home in Princeton after March 15th.

Many are the good wishes that follow this happy young couple and the only regret is that North Carolina has been forced to relinquish one of her sweetest young women but congratulates the noble Kentuckian that has taken her captive to his Blue Grass home.

In addition to the family of Mr. G. C. King there were present at the ceremony, Misses Alma King, Pearl Dawson and Nell Padgett of Forest City, Augusta Sisk of Shelby, Mrs. McBrayer and Mrs. Louis Forney of Shelby, Mr. T. R. Padgett and Rev. K. L. Wakington of Forest City, Mrs. H. A. Wakefield, Mrs. Logan McBrayer and Mr. W. B. Bell of Charlotte.
