**AGAIN WE ARE THE FIRST TO SHOW THE NEW IN THIS SECTION**

We will have on display the most exclusive line of Ladies' and Misses' Hats ever shown in this section.

Miss Bessie Howard, our head trimmer, needs no recommendation—her artistic work speaks for itself. Miss Howard was formerly employed by a large wholesale millinery house in Baltimore to supervise the making of their pattern hats.

Ladies should visit our quality hat shop whether they are ready to buy or not, and see our exclusive models, then you know the styles and what you want when you get ready to buy.

**LADIES' READY TO-WEAR**

This department is our great hobby. We are proud indeed of our Ladies' Ready-to-wear. We could not be satisfied with an Opening without a special display of Ladies' and Misses' Dresses in taffetas, crepe-de-chine, silk foulards and colored voiles; silk petticoats in all shades, sport coats, new spring coat suits, crepe-de-chine and georgette waists.
