## RED, BODY AND SOUL?

Sick, But Still Not Yourself. Think You'll Be Better Tomorrow—Only You're Not

## Not Taking Pepto-Mangan

Isn't Sleep You Need, But a Good Tonic—More Red Blood

Every one gets run down occasionally. Sometimes it's weeks before you get energy, enthusiasm and happiness again. A doctor will tell you to be careful. Time like this, your body has little reserve of resistance, and the danger of contracting some serious disease is greatly increased. Your blood has too few "red corpuscles." The work of these same red corpuscles is to keep you free from fatigue. You are constantly tired out—depressed and your mind is almost a sure sign that your blood needs help for a time. Pepto-Mangan is a standard remedy in cases of anemia (or bloodlessness). It supplies the iron and other elements your blood needs to catch up with its task of keeping you fresh and alert in every fibre. Pepto-Mangan has the hearty endorsement of physicians, is an agreeable to take, and may be had at any drug store in either liquid or tablet form. These same medicinal values. Be sure to ask for Gude's. There is one genuine Pepto-Mangan, and its name "Gude's" should be on the wrapper—Advertisement.

## Forest City Already Has Summer Visitors

Well, guess who's come. They have arrived and will spend the summer with us. The whole darned family of mosquitos have invaded Forest City and begun to visit our citizens. Their stay among us will be a pleasant one for there are plenty of nice breeding places all around town where they will be unmolested. Old pads, tin cans, pools of stagnant water and dump heaps behind stores and about many of the private residences give them plenty of habitation. Why not have a clean up week and get rid of the flies and mosquitos before they get rid of us?

## Big Musical Concert

at Forest City Saturday 24th 3 p. m. and at Alexander Mill at 4 p. m. by the Florence Mill Band. The band will appear in their new uniforms, and will play some of the latest and popular waltzes, two steps raga and overtures. J. K. Deane, manager.

## Newsy Notes From Thriving Cliffside

Cliffside, April 19.—Messrs. Marion and Dewey Blanton returned last Thursday from Arden, N. C., where they went to attend the funeral of an Aunt. Mr. J. Floyd Duncan of Marion has accepted a position with the Cliffside Railroad Company. The ball team of Boiling Springs played the local team here last Thursday. The local team easily won the game by a score of eleven to four. Mr. and Mrs. J. B. Freeman, accompanied by Mr. Erastas Freeman visited Mrs. Freeman's parents Mr. and Mrs. E. W. Wilson in Gastonia, Sunday. Mrs. Freeman will spend this week there.

Mr. and Mrs. Carl Wilson of Lattimore accompanied by Misses Bess Freeman, Verdie Champion and Margaret Wilson visited in Cliffside Sunday afternoon.

The Band gave a concert in the park Sunday afternoon from two-thirty to three-thirty. A large and appreciative audience was out to hear the music.

Mr. and Mrs. J. P. Carpenter and children Alice and Charles spent Sunday with Mr. and Mrs. Z. O. Jenkins at East Avondale.

Misses Una Edwards and Fay Best spent the week-end at Rutherfordton.

A number of our people have been attending the revival now in progress at the Baptist church at Caroleen.

Mr. W. S. Moore and family of Henrietta visited Mr. and Mrs. A. M. Hicks Sunday.

Overalls have been very much in vogue here for the last week. It remains to be seen whether it is a passing fad or not, anyway here's hoping it may deal Mr. H. C. L. a telling blow. We believe that the trouble today is not so much the "High cost of living" as "The cost of high living." Some attended church Sunday in overalls and they looked alright too.

Mr. Chas. H. Haynes returned Sunday afternoon from Kingsport and other points in Tenn., where he spent a few days last week on business.

Mr. and Mrs. J. L. Cooper and little daughter, Ruth, accompanied by Misses Eva Long and Stella McConnell visited in Shelby Sunday.

Mr. W. L. Callahan and family spent Sunday in Henrietta.

Miss Eula McCraw and Pratt Davis of near Chesnee were shopping here last Saturday.

The Cliffside Graded School will close this week. The exercises will be held in the Auditorium Thursday and Friday nights.

## Great Revival at Caroleen

A series of meetings was begun at Caroleen on Sunday the 11th, by Rev. N. R. Stone, of Mississippi, and much interest has been manifested from the first sermon. On last Sunday night Bro. Stone had two churches packed. In one services were held for men and the other was occupied by the ladies. They have erected a large tent near the Baptist church in which to hold services, and at their 8 o'clock, A. M. Bible study have between 300 and 400 people. The singing by Mrs. Stone is one of the features of the meeting. Great interest is being manifested at this meeting and no doubt great and lasting good will be accomplished. The services will last for several days yet.

Maurice Schwartzman, of the Forest City Bargain Store, has leased the C. C. Moore building, and will occupy same as soon as Mr. Weathers vacates and will place a new stock of ladies and mens ready to wear, shoes and dry goods in this store room.

## We're On The Map

Forest City is on the map, all right, all right. They "head in" here from all directions and with all kinds of stunts, and they never "back out." That is to say, every one coming to this town finds a welcome—whether it be the driver of a bread wagon, a medicine vendor or a tent show.

Forest City had in her midst last week Bill and Eva McClintock, two old timers, who for years have played the biggest circuits, and all the larger cities. It goes without saying, that wherever vaudeville was played Bill and Eva always made a hit with the audience. But that is all changed now. Bill is in the legitimate and playing for himself. Their datings are unlimited and they go where they want to and stay as long as they please. They are introducing a patent medicine and spent the past week in the city, giving daily demonstrations on the square. Their skits were fine and made a great hit.

This week we have with us the Demorest Stock Co., playing in repertoire, under their own tent. They will be here all the week. Most favorable press comments follow them from where they have already been showing. This is a clean, moral show, so far as we have been able to discover, and is playing to good audiences. On Friday night they render "Bringing up Father." Next week a good carnival is to be here, we understand. One of the old fashioned kind, where you see "everything" and then some. One where the barker barks, the speller spells, and you part with your coin, and look around to see who is watching you. Oh, it's a g-l-o-r-i-o-u-s feelin'. Let's go!

## Rutherfordton High School Notes

The Rutherfordton High School Boys have organized a baseball team. The first team consists of Ralph Dalton, Gifford Lynch, Bryan Lynch, Max Justice, Clarence Griffin, Robert McDaniel, William McDaniel, Charles Justice, Haywood Dobbins. We are practicing on afternoons and Saturdays. They need a good catcher's outfit and a better ground to play on. They have an invitation to join the Rutherford county league which will be composed of the following teams, if organized successfully, Union Mills, Westminster, Rutherfordton, Spindale, Forest City, Caroleen, Cliffside, Henrietta. Miss Mayne Stacy, high school teacher, has been absent two weeks on account of the "flu" Miss Morris is teaching in her place. The Boy Scouts are having their regular weekly meetings in the graded school building.

The Forest City Bargain Store gave the ladies of Forest City a treat in showing a snappy and beautiful line of dresses Saturday and the ladies quickly responded in placing their orders, as they know a good thing when they see it. Orders were taken of every sample displayed. No two dresses alike was sold after one order had been placed on a dress. The management of Forest City Bargain Store appreciate the patronage of the good people of this vicinity and reciprocate by giving the best of goods at the lowest prices.

Mrs. E. K. Dickinson of New Providence, New Jersey is visiting her parents Mr. and Mrs. J. K. Deane of this town.

Mr. and Mrs. G. K. Moore of Cliffside visited Mr. and Mrs. J. K. Deane Sunday. They made the trip in their new Chandler Racer.

## Presbytery at Rutherfordton

Rutherfordton, April 19.—The Presbytery of Kings Mountain met in its thirty-sixth semi-annual session with the Rutherfordton Presbyterian church Tuesday April 13th at 8 p. m. The opening sermon was preached by Rev. W. S. Wilson, D. D., of Lincolnton, the retiring moderator, from 2 Samuel 14.14. After the sermon presbytery was called to order and constituted with prayer, the roll was called and the ministers and representatives present were enrolled. Rev. F. C. Rankin, of Mount Holly, was elected moderator and Rev. K. J. Roach, of Gastonia, was elected temporary clerk.

Presbytery met according to adjournment Wednesday morning at nine o'clock and the opening devotional exercises were conducted by Rev. J. J. Harrill. Rev. J. L. Beattie who has been stated supply for the Brittain group of churches for several years, was dismissed to Abington Presbytery, having accepted work in Virginia.

The committee on Sunday school extension recommended that the session of each church send a delegate between the ages of 15 and 25 to North Carolina Synod's Conference for Young People, to be held at Flora McDonald College, Red Springs, June 1-8, the rate for board for the conference period being ten dollars.

Rev. K. L. Whittington supply of the Forest City group of churches and member of Mecklenburg Presbytery, was introduced to the Presbytery and invited to sit as a corresponding member.

Commissioners to the General Assembly which meets in Charlotte May 20, were elected as follows: Principals, Rev. F. B. Rankin, and Rev. K. A. Drennan, of Mount Holly. Alternates, Elders K. P. Roberts, of Shiloh church and J. B. Johnston, of Lincolnton. Rev. F. A. Drennan was reelected stated clerk and treasurer of the Presbytery for a period of three years and his salary increased to \$150 per year.

An invitation was extended to the Presbytery from Westminster Presbyterian school to visit the school and take supper Wednesday afternoon and the invitation was unanimously accepted.

The Rutherfordton church was granted permission to change the terms of the call for pastors salary, from \$800 to \$1400 per year, releasing the Home Missionary Committee and thereby becoming self-supporting.

The thirty-seventh semi-annual session of the Presbytery will be held with the Saluda Presbyterian church beginning Tuesday September 14th at 8 p. m.

Rev. A. W. Crawford, of Greensboro, superintendent of Synodical Home Missions presented an interesting report. Thirty-one churches contributed to this cause, thirteen churches contributing the full apportionment, and five of them more than the apportionment.

Rev. H. C. Whitener, missionary to Yamaguchi, Japan, for seven years, delivered a most interesting address to the Presbytery on Japan, Wednesday night. He spoke of the various idols of Japan, several of which were exhibited to the congregation. He emphasized the fact of the wonderful power of God in the conversion of souls, and in the triumphant death of some of the followers of Christ in Japan.

Rev. W. J. Roach, of Gastonia, Presbyterian manager of the Presbyterian progressive program, reported that \$20,000 for benevolent causes had been pledged by eleven churches and that the apportionment of \$34,000 for the Presbytery composing forty churches would doubtless be secured by a safe margin.

Rev. G. A. Gillespie conducted the opening devotional exercises Thursday morning at 9 o'clock.

Rev. S. L. Cathey, of Loray, Concord Presbytery was introduced to the Presbytery and invited to sit as a corresponding member. Fifteen of the enrollment of seventeen ministers of the Presbytery were present, and twenty-five of the forty churches were represented by ruling elders.

The neat sum of \$92,000 was expended by the Presbytery for the church year ending March 31, including pas-

Governor Bickett, when approached about becoming a member of an "overall club," most emphatically refused, saying:

"There is no good in it, and there is positive harm. It will run the price of overalls up to a figure that cannot be paid by those who of necessity must wear them."

The governor continued: "I would not agree to pay more than \$5 for a hat. You can get a decent hat for that sum. I would agree not to pay more than \$7.50 for a pair of shoes, nor more than \$3 for a shirt, \$40 for a suit of clothes, 50 cents for a pair of socks and 20 cents for a collar. I think that members of such a club ought to agree not to buy an automobile until prices have dropped 25 per cent. So long as people are willing to pay any price for things they want and are not willing to practice self denial, all talk about cutting down the high cost of living is gabble."

The governor is eminently right. Look out for overalls to take a jump in price. We believe the people should form "clubs" to lower prices, and the best way is a concerted price-agreement movement, such as agreeing to pay only so much for an article, such as the governor outlined in his remarks. This method would beat an overall club.

tors salaries, benevolent and miscellaneous causes, giving an average of \$31.25 per capita for resident membership. The Presbytery of Kings Mountain adjourned Thursday to meet at New Hope Presbyterian church, Tuesday May 25, at an adjourned meeting, where two candidates will be licensed to the Gospel ministry.

## Inferior Goods Knocked Out

In the long run, good goods win every time. It has been our principle ever since we started in business to handle only the very best grades we could get. We have been particularly careful about our canned goods. Every brand that we sell can be depended upon. We know the canners—know them to be reliable—else we do not buy from them.

We carry a complete line of Staple and Fancy Groceries and your child can shop here as well, quickly, and pleasantly as you can elsewhere. We appreciate the patronage that has been given us and pay particular attention to phone orders.
