Judge Ray's Candidacy

Elsewhere in this issue will be found an open letter from Judge J. Bis Ray to the Democrats of McDowell county. We call it to the attention of our readers. Judge Ray has made a splendid impression wherever he has held court according to reports from the Western Districts of North Carolina. His friends say he has made good, and the fact that he is sticking to his duties on the bench and leaving his candidacy to the voters, rather than neglecting his official duties for his personal interests is most commendable and should meet with the hearty approval of the entire citizenship.—Marion Progress.

Candidates Announcements

To The Democratic Voters of Rutherford County:

The undersigned is constrained to take this mode of asking the support of the democrats in the Primary on Saturday, June 5th for the nomination to succeed himself as Judge of the Superior Court of the 18th Judicial District, having been appointed by Governor Bickett to fill the vacancy caused by the death of the lamented M. H. Justice.

It is regretted that the writer cannot see you personally, as I am required by law to hold the Courts of the 11th Judicial District until July 1st, and have sessions of Courts every day until July 1st. The congested condition of the dockets of the above District being so great that I do not feel that I am justified in submerging a public duty to the State for private political ends.

The writer stands upon his record as a lawyer gathered from application and a decade of experience, and of my record as a Judge on the bench. Ask any lawyer of the 19th, 20th or the 11th Judicial District where I have presided their opinion of my ability as a Judge and I will abide the answer.

Handicapped as I am, from being compelled to hold the Courts, I trust the people of my District and of Rutherford County will appreciate my position and give me, this the first endorsement I have ever asked of my people.

Respectfully,
J. BIS RAY.
